Do the Right Thing. Grow Your Business. Profit Wisely. Using the principles in this book, Jeff Morrill built businesses from scratch in automotive retail, real estate, telecommunications, and insurance that generate over \$100,000,000 in annual revenue. His achievements in building flourishing, ethical companies have been featured in a variety of national media including USA Today, Entrepreneur Magazine, Automotive News, The Boston Globe, and others. That's because Jeff knows the secrets to building highly profitable businesses: how to create systems and procedures that produce profits automatically by focusing on doing the right thing every time. For the first time, Jeff shares all of those secrets in one place. You really can outsell your competitors without selling out your integrity. Contrary to popular belief, taking the high road really is the straightest path to the bottom line. You'll learn how to earn more profits consistently in business while staying true to your values.

The Subaru Impreza first appeared on the World Rally scene in 1993, taking a hat-trick of World Rally Manufacturers' Championships, in 1995, 1996 and 1997. The drivers the likes of Marku Alen, Ari Vatanen, and Colin McRae have competed in the World Rally Championship in Imprezas and all went on to winning the World Rally Drivers' Championship in Imprezas. These cars continued to compete on the World Rally stage until the end of 2008, when the Subaru World Rally Team unfortunately withdrew from rallying. This brand new Haynes Manual covers one of the most iconic rally cars in recent years, and does so in perfect detail. People that love the Impreza, really love the Impreza, so get the full facts and specs now!

Now more than ever, Subaru fanatics have a wealth of factory and aftermarket performance upgrades at their disposal. In High-Performance Subaru Builder's Guide, author Jeff Zurschmeide explains in detail the similarities and differences between the Subaru models, and describes how to modify each for performance on the street and at the track. He uses over 300 color photos to show you how to modify your Impreza, Legacy, WRX, or STI for improved acceleration, handling, braking, and style. The book provides detailed chapters explaining how to modify the intake, exhaust, turbocharger, and computer systems for more horsepower and torque--plus info on upgrading your drivetrain to handle all that power. If taking corners is your thing, you'll find chapters on the suspension, steering, chassis, brakes, and wheels and tires. A special chapter even shows you how to get started in your favorite type of racing, including examples of successful racers and their cars.
