

Am I Small Ana Ne Esataye Deya Bilingual Childrens Book English Tigrinya Dual Language Bilingual Edition

Bilingual Edition English-Tigrinya "Am I small?" - Tamia is not sure and keeps asking various animals that she meets on her journey. Eventually she finds the surprising answer... Reviews "immensely enjoyable"-ForeWord Clarion Reviews "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures."-Kirkus Reviews "a fantastic book that has enchanted me"-Amazon Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!"-Amazon Customer Review "Written in a very simple way but with a profound message for both adults and kids."-Amazon Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!"-ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves-whatever their size."-ForeWord Clarion Reviews Tags: Bilingual Children's Books, Bilingual Books, Emergent Bilingual,

Presents an illustrated collection of poems, personal letters, and selections from literature on the value of friendship.

"Nebraska's dead: names of men from our state who gave their lives in the World War" in v. 2, no. 1, p. 4-8.

Nebraska Eberhart runs into a little trouble in the small town of Little, Illinois when his wife of 17 takes their two daughters on a trip to look after her ill mother. Obviously Nebraska is a little lonely in an empty house. Hanging out with the neighbors is no longer an option when his best friend and next door neighbor moves across the country to accept a better job. When Princeton Perry and family move out the Step Neighbor moves in and introduces Nebraska to a life that he never imagined. An affair turns into a nightmare when Ana Magna tells all about her past. The affair all but tares the Eberhart family apart. Tragedy brings them together again. But not before Ana injects her love into Nebraska's veins one more time. It's a test when love plays tug of war with Nebraska's heart as he is torn between a wife that has only ever loved one man, and a neighbor that takes him to heights of ecstasy that made him feel as though his limbs had liquefied.

Around the end of the seventeenth century, the Anyii Dwabenean Akan tribe originally located in the Amansie area of present-day Ghana leave their homeland to found a new kingdom at Dadieso, also in Ghana. But the Anyii Dwabene become liberators when they intervene in a war to save the kingdom of Abron Bondoukou. Eventually, they establish a new home and a new kingdom with capital at AnyiniBileKro, in what is now Cote d'Ivoire. Later, a section of Anyii Dwabene resists French colonialism and leaves to found a settlement across the border in the then Gold Coast, calling it Nkrankwanta. The story of Nkrankwanta is a story of freedom and liberty. In *Cultural Migration: A Short History of Nkrankwanta and Anyii Dwabene*, author Zac Adama is privileged to share the oral history of Nkrankwanta in the print form for the first time. Exploring the lives of the first immigrants of Nkrankwanta men and women who chose danger and uncertainty over servitude and complacency it is the story of a people who explored the unknown for new possibilities and opportunities, and who wanted their story to be told to generations after them. Not only a book of history, *Cultural Migration: A Short History of Nkrankwanta and Anyii Dwabene* explores a comparative linguistic study between Akan Twi-Fante, spoken mainly in Ghana, and Akan Anyii-Baule, whose majority speakers live in neighbouring Cote d'Ivoire. The story of Nkrankwanta is essentially a story of migration. It is partly the story of a people who liberated others and, in turn, required assistance when they were faced with imminent danger. The story of Nkrankwanta speaks to the human heart it portrays the changing fortunes in the lives of a people who have, with each step along the way,
