

## Cathy Burns Masonic And Occult Symbols Illustrated

In 1666, a man by the name of Sabbatai Zevi declared himself to be the Messiah. Followers of his heretical cult believed that sin is holy and should be practised for its own sake. Sabbateans and their successors, the Frankists, have indulged in religious orgies, ritual sacrifice, incest, adultery and homosexuality for 350 years. Using secret societies such as the Masons, this diabolical sect has infiltrated into the highest echelons of political power. They covertly rule as the unelected hidden hand shaping history behind a veil of conspiracy.

"My people are destroyed for lack of Knowledge" (Hosea 4:6). This book is not meant for those who refuse to step out of their box, but instead cling onto their blinders, believing that the world is exactly as they have always been taught it is. Rather, it is specially written for those who discern that things are not exactly as they seem, and are dedicated to the pursuit of truth and knowledge. "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places"(Ephesians 6:12). "Behold a White Horse" is a roller coaster ride engaged in a myriad of related topics. The reader will be taken all the way back to ancient Babylon - the foundation of all secret societies, and continue on through Egypt and Rome. Other topics covered are ceremonial magick, kundalini power and evil spirits, the Talmud, Kabbalah, the apostasy of the Christian church today, alchemy, Papal Rome and the Catholic church, false prophets of the world, televangelists - wolves in sheep's clothing, & pagans in the pulpit." " Who changed the truth of God into a lie, and worshipped and served the creature more than the creator, who is blessed forever. Amen" (Romans 1:25) "This work is spiritually based, using many scriptures. It is the prayer of the author that through careful reading of these pages, the reader can connect the dots into a whole new level of discernment to help guard against demon traps and the many devices of Satan. Knowledge is power and the truth really does set you free."

This is the documented autobiography of a victim of government mind control. Cathy O'Brien is the only vocal and recovered survivor of the Central Intelligence Agency's MK-Ultra Project Monarch mind control operation. Chiseled deep into the white stone of the CIA's Langley, Virginia headquarters is a partial verse lifted from the Holy Bible and writings of Saint John..."and the truth shall set you free." This statement, like the agency, is total reality. The building that it is engraved upon houses the world's most successful manufacturer of lies to facilitate psychological warfare. The "Company" uses truth and technology as their raw materials to produce "pure" lies for control of you and America's allies.

The power at work behind global affairs and why current planetary powers are hurriedly aligning for a New Order from Chaos is exposed. Perhaps most incredibly, one learns how ancient prophets actually foresaw and forewarned of this time.

This best-selling author compellingly illustrates the power of the cross to transform modern-day lives.

To those who will only believe in phenomena which are reproducible at will, it is easy to answer them: you do not manufacture comets, meteorites, magnetic disturbances due to sunspots, and yet you observe them. Metapsychical phenomena are registered in the records of Occultism. That is all. The only thing to do is to check them. But the right remains to unite them amongst themselves by an attempt at a general explanation. The study of the Invisible, of the forces which it conceals, of the human fluids, is yet but at its dawn. Patience ! To deny is absurd. To observe is scientific. To think is wise. This is what I have done. It is what you will do after having read this book, the well arranged summing up of vast reading and lengthy thought.

The nineteenth-century writer and Masonic scholar Kenneth R. H. Mackenzie (1833-86) studied occultism with Frederick Hockley, and met the famous French occultist Éliphas Lévi in 1861. He was also involved in the foundation of the Hermetic Order of the Golden Dawn. This extensive encyclopaedia, first published in 1877, is considered to be a classic Masonic reference work. It includes detailed information on the symbols, rites, legends, terms, people and places associated with Freemasonry. Some of the symbols are illustrated and lists of rankings are given, including a 'traditional' list of Grand Masters of England that includes Sts Swithin and Dunstan, Alfred the Great, Sir Christopher Wren (twice) and Charles II. Mackenzie aims in his entries to be critical when relevant: as he says in the Preface, freemasonry has 'received a willing tribute' in his book, but he hints at difficulties encountered in publishing material about a famously secretive society.

Over 3000 authoritative, cross-referenced entries, covering magical traditions from all around the world.

This posthumous publication is a translation by William Wynn Westcott, co-founder of the 'Hermetic Order of the Golden Dawn', of an unpublished French manuscript by Lévi, then owned by the spiritualist Edward Maitland. It includes eight of the author's drawings. Each short chapter outlines the meaning of one of the twenty-two tarot trumps and is followed by a brief editor's note describing the card's iconography and summarising interpretations (sometimes deliberately misleading) given in Lévi's earlier publications. The book ends with Kabbalistic prayers and rituals, praise of Jesus Christ as the great initiate, and a surprising assertion that Christianity has superseded ancient magic, revealing the life-long tension between Catholicism and magic in Lévi's personality and thought.

From simple shapes and colors to gods, mythical beasts, sacred rituals, and global branding, over 2,000 signs and symbols are explained through text, illustrations, and photography. Grouped thematically and comprehensively cross-referenced. Includes the physical world, animals, plants, humans, colors, shapes, patterns, numbers, picture writing, alphabets, international signs, professional signs, brands and logos, heraldic emblems, national flags, sign languages and signals, and symbolic gestures.

In this shocking exposé, investigative researcher and author S. K. Bain reveals the truth behind the mass-murdering psychopaths responsible for the events of September 11, 2001, and reconstructs the occult-driven script for this Global Luciferian MegaRitual. As Bain uncovers, the framework for the entire event was a psychological warfare campaign built upon a deadly foundation of black magick and high technology. The book details the sinister nature of the defining event of the 21st century and explains the vast scope of the machinery of oppression that has been constructed around us.

"Science Fiction and the Hidden Global Agenda - Omnibus Edition" is the complete Volumes One and Two (2016 Editions) brought together for the first time in one complete work. In the book, alternative knowledge researcher Carl James studies the science fiction genre and its myriad connections to the global power elite. The research exposes all manner of social engineering paradigms, predictive programming, embedded occult and arcane symbolism and themes, secret military and intelligence experiments, cover-ups and conspiracies of silence, and a larger global elite agenda mechanism. Was Aldous Huxley helping to implement a mass social engineering agenda? Was the 1938 War of the Worlds radio broadcast a psychological operation orchestrated by The Rockefeller family and The Tavistock Institute? Did Stanley Kubrick help to fake NASA's Apollo missions? Why was Star Trek creator Gene Roddenberry working for a group heavily supported by SRI, the U.S. military, NASA and the CIA? Why did Hollywood director Ridley Scott produce P.R. films for the social engineering organisation "Common Purpose"? Did George Lucas embed subliminal psychic messages in the raw film of Star Wars: A New Hope? Did the Back to the Future film trilogy foreshadow the events of 9/11? Is contemporary science fiction a mass conduit for the principles of "Saturn Worship"? These questions, and many more, are examined in "Science Fiction and the Hidden Global Agenda."

Symbols play a big part in our lives, but we often miss their full meaning. A book for Freemasons, and explains the meaning of their symbols. Masons are members of a longstanding fraternal order that functions as a mystical brotherhood. A number of rituals are performed as one progresses up the ranks, usually in the form of an initiation. Often times Masons may not fully understand the true purpose of the initiation. This book covers the symbols found within the first three degrees of Freemasonry, making it an excellent guidebook for the beginning Mason, and offers a more complete understanding for those who oversee their rituals.

The early Christian Gnosis did not spring up in isolation, but drew upon earlier sources. In this book, many of these sources are revealed for the first time. Special emphasis is placed on the Hellenistic doctrine of the "Solar Logos" and the early Christian symbolism which depicted Christ as the Spiritual Sun, the illumination source of order, harmony, and spiritual insight. Based on 15 years of research, this is a unique book which throws a penetrating light on the secret traditions of early Christianity. It clearly demonstrates that number is at the heart of being. Jesus Christ, Sun of God, illustrates how the Christian symbolism of the Spiritual Sun is derived from numerical symbolism of the "ancient divinities."

This is a powerful and easy to read insight into one of the world's oldest secret societies or organizations. Elijah Muhammad makes a strong case with irrefutable evidence that their symbolism points directly to the American Blackman and woman's slavery, mental death and eventual "mental resurrection" (being raised).

--Who is the Higher Power of AA? --Were AA's founders Christians or occultists? --How is the New Age involved? --Is there a "Rockefeller connection"? --Who are AA's "godparents"? --How successful is AA's treatment program? --Is alcoholism a sin or a disease? Don't you think it's time to learn about Bill Wilson's adulterous affairs, LSD experimentation, as well as his and Dr. Bob Smith's interest in seances and spiritualism?

In this stunning exposé, noted author Texe Marrs unravels the secrets of Project L.U.C.I.D., the chilling program destined to devour the whole world.
