Walt Johnson has been a rolling stone most of his life, moving from town to town and living on the edges of homelessness. Now he has run out of time as lung cancer has left him only months to live. Walt then begins a quest to find the son with whom he lost contact decades earlier. Out of money, he lands a job at a small-town restaurant in an attempt to save enough to buy a bus ticket to the last known whereabouts of his son. The friends Walt makes at his new job soon become family for him, especially 14-year-old Danny who is emotionally paralyzed at the loss of his own father in Iraq. Faced with Danny's struggles to grow up and the struggles of his other new friends, Walt comes to realize he is not only on a journey to find his own son, but he is on a journey to find himself worthy of being a father.

The Code of Federal Regulations Title 14 contains the codified Federal laws and regulations that are in effect as of the date of the publication pertaining to aeronautics, air transportation / aviation (including large and small aircraft, such as commercial airplanes, helicopters, balloons and gliders), and space exploration, including areas overseen by the FAA and NASA.

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, Atlas Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

Celebrating the 20th anniversary of the Journal of African Business, this book delves into contemporary issues in business and business knowledge development in Africa. This collection of eight chapters—by fourteen distinguished scholars based in Africa, Europe, and North America—covers anticorruption strategies; domestic credit and export diversification; the challenges of doing business in African countries; the emergence of African endogenous businesses; board gender diversity; governance and performance of strategic alliances; customer-centric marketing in Africa; and the intellectual development of the Journal of African Business as the premier research outlet for African business since its inception in 2000. Each chapter offers a cogently differentiated perspective about business growth or business knowledge development in Africa. Made up of contributions which are vividly and ingeniously written to be accessible to decision-makers and other non-experts, this book will be of interest to all those researching the development of business in Africa. This book was originally published as a special issue of the Journal of African Business.

As they work their case, will Simon and Cammie discover another fortune or will they see that the greatest treasure of all is the one they already have... love?

The approaches to economic ethics and business ethics in Continental Europe and those in America show considerable differences but also a shared interest in turning business ethics into a subject relevant and useful for business practice as well as for the philosophical debate on ethics. The volume collects original essays on the major approaches to economic ethics and business ethics in Germany, the USA, and Europe. It provides the reader with a comprehensive overview about the discussion on modern economic ethics and business ethics. It introduces the German approaches to economic ethics and to business ethics to the English-speaking audience.

This is no ordinary apocalypse... Hannah wakes up to silence. The entire city around her is empty, except for one other person: Leo. Stuck with only each other, they explore a world with no parents, no friends, and no school and realise that they can be themselves, instead of playing the parts everyone expects of them. Together, they search for answers amid crushing isolation. But while their empty world may appear harmless . . . it's not. Because nothing is quite as it seems, and if Hannah and Leo don't figure out what's going on, they might just be torn apart forever. Perfect for fans of John Green. A romantic apocalypse story like no other.

Not a cloud in the blue Atlanta sky, Jeffrey Ross made his morning visit to the Dunwoody Starbucks, expecting this day to be like any other. It wouldn't. Samarra Russell left her meeting at Emory Medical Center after receiving the strange call and wondered if it had anything to do with her immunology research at CDC. It was a secret, or was supposed to be. Going home as instructed, Samarra opened the box of Valentine candy on the kitchen counter and collapsed. Before losing her balance, Samarra recognized the small finger, severed and still wearing the tiny ring she gave him for his 7th birthday. Her precious son. She opened the note after regaining limited senses and read. If she didn't want to receive young Thomas Russell's head in a box, she would do as instructed. And she did.

"HONEY GIRL is an emotional, heartfelt, charming debut, and I loved every moment of it." — Jasmine Guillory, New York Times bestselling author of *The Proposal* With her newly completed PhD in astronomy in hand, twenty-eight-year-old Grace Porter goes on a girls' trip to Vegas to celebrate. She's a straight A, work-through-the-summer certified high achiever. She is not the kind of person who goes to Vegas and gets drunkenly married to a woman whose name she doesn't know...until she does exactly that. This one moment of departure from her stern ex-military father's plans for her life has Grace wondering why she doesn't feel more fulfilled from completing her degree. Staggering under the weight of her parent's expectations, a struggling job market and feelings of burnout, Grace flees her home in Portland for a summer in New York with the wife she barely knows. In New York, she's able to ignore all the constant questions about her future plans and falls hard for her creative and beautiful wife, Yuki Yamamoto. But when reality comes crashing in, Grace must face what she's been running from all along—the fears that make us human, the family scars that need to heal and the longing for connection, especially when navigating the messiness of adulthood.
