Miller Test Prep's study guide for the ACCUPLACER is the solution for students who want to maximize their score and minimize study time. Our study guides are carefully designed to provide only that clear and concise information you need. That's precisely why we put "Clear & Concise" on our cover. The standard for the study guide industry is to "throw in the kitchen sink" when it comes to making a book, meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores! Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so you pass the first time! In this ACCUPLACER book, we ensure you are thoroughly prepared for this critically important test: Comprehensive review of all ACCUPLACER exam sections: Reading Comprehension Sentence Skills Write Placer Mathematics Step-by-step examples for every concept tested Practice test questions like the real exam Detailed, thorough answer key explanations 6 complete essay examples with scoring explanations

This book connects experts in the field of child assessment to provide child psychiatrists with knowledge in evaluation and educational programming. The book provides a review of the latest science behind: common learning disabilities, including etiology and guidelines for assessment/diagnosis; neurodevelopmental disorders, like learning disabilities, ADHD; psychiatric disorders in childhood such as mood and anxiety disorders; and impact learning and development protocols. The Massachusetts General Hospital Guide to Learning Disabilities evaluates the interventions that are effective in addressing these learning challenges in the context of multiple factors in a way that no other current text does. Special topics such as special education law and managing the needs of transitional age youth allow psychiatrists to support their patients' and their families as they navigate the system. By offering a better understanding the learning needs of their patients, this texts gives readers the tools to consult with families and educators regarding how to address the learning needs of their patients at school and in other settings. The Massachusetts General Hospital Guide to Learning Disabilities is a vital tool for child psychiatrists, students, assessment professionals, and other professionals studying or working with children suffering from learning disabilities.

When it comes to the NSCA Personal Trainer Certification Exam, you want to be prepared, and you will be with our book designed to making studying fun and easy! You don't want to waste time - and money! - taking your NSCA CPT exam twice...or more. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the NSCA CPT, but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the NSCA CPT...and they get a variety of results. Trivium Test Prep's NSCA CPT Study Guide provides the information, secrets, and confidence needed to get you the score you need the first time around. Losing points on the NSCA CPT can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our NSCA CPT study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; NSCA CPT practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven not filled with excess junk, silly attempts at humor, or confusing filler so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package. Why trust Trivium Test Prep? Our NSCA CPT study materials are created by industry and educational experts. Other study guides simply tell you what is on the test, not how that material is applied or, more importantly, HOW TO STUDY FOR IT. Trivium study guides are different. Our dedicated professionals know how people think and learn, and have created the NSCA CPT study guide based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our NSCA CPT study guide is specifically tailored for your exact needs. We refuse to pad a study guide as a means to convince people there is more information; this is a devious trick used to make you think you are getting more, when really it's all just wasting your time.
