Saved by the Angels gives warm and uplifting true stories of the extraordinary things that can happen to people (or their friends and relatives) if they have a near-death experience. This might include seeing the Angel of Death, having clairvoyant dreams, being aware of special fragrances, strange symbols and coincidences. Glenyce Eckersley, author of the hugely successful An Angel At My Shoulder, has collected many true stories of how angels can affect people's day-to-day lives. As more of us search for greater spiritual fulfilment, they give us hope that we live, not in a purely chaotic world, but in one of harmony, meaning and order.

Looking at the dynamics between crystals, humans, and the angelic kingdom, Kathryn Hudson explains why you might encounter crystals on your life path and shares her personal story of how a crystal gifted to her by a stranger helped her change the direction of her life. She discusses the vibrational resonance that draws us to certain crystals, especially in calling light workers into alignment with their soul purpose, and explains how crystals are energetic mirrors of the angelic realm. She shows how we can consciously invite crystals into our lives and provides a guided channel-opening exercise to create a clear connection between heaven and earth for more powerful work. She also explains how to work with crystals to protect yourself from negative energies, especially helpful for sensitives and empaths. Kathryn discusses how to care for your crystal family, including clearing, purifying, and recharging protocols. She presents a 7-chakra crystal meditation where 7 crystals (clear quartz, amethyst, blue calcedony, green fluorite, orange calcite, carnelian, and red jasper) help you access the energies needed to balance the chakras. She explores 15 healing crystals with connections to specific Archangels who can be invited to help you. In the final section of the book, Kathryn presents a full-color alphabetical compendium of 44 crystal allies and their angelic counterparts, illustrating each and explaining their uses, such as protection, heart-opening, love, power, or health/healing, along with their spiritual messages. When we take action with the crystals around us, call on the angels for help, and consciously build our crystal and angelic family, we become an agent of healing for our own heart and the hearts of those around us, as well as for the heart of the earth.
