The Smart Women Finish Rich program has helped millions of women for over twenty years gain confidence, clarity and control over their financial well-being--it has been passed from generations to generation -- and it now can help you.

NATIONAL BESTSELLER • The #1 bestselling author of On Fire shows us how to recapture and harness our childlike sense of wonder in order to become more engaged, successful, and fulfilled. “Engaging . . . O’Leary encourages us to see the world through a child’s eyes.”—Mitch Albom, author of Tuesdays with Morrie There once was a time when we joyfully raised our hands to answer questions, connected easily with others, believed that anything was possible, and fearlessly jumped into new experiences. A time when we viewed each day not as something to endure, but as a marvelous gift to explore and savor—when we danced through our lives in awe of the ordinary moments and eager for the promise of tomorrow. Unfortunately, that’s far from our experience today. Instead, we feel disconnected and jaded. Social media reminds us that we don’t measure up, and the mainstream media barrages us with constant negativity. Many of us find ourselves caught in a life of dogged responsibility and mind-numbing repetition. The daily struggle to earn a living has caused us to lose the sense of wonder with which we once greeted every day. In his new book, bestselling author John O’Leary invites us to consider that it is possible to once again navigate the world as a child does. Identifying five senses children innately possess and that we’ve lost touch with as we age, O’Leary shares emotional, humorous, and inspirational stories intertwined with fascinating new research showing how each of us can reclaim our childlike joy, and why doing so will change how we interact with the world. In Awe reveals how we can regain that ability to see fresh insights, reach for new solutions, and live our best lives.

Get out of debt and stay out with the help of Dave Ramsey, the financial expert who has helped millions of Americans control their money The Financial Peace Planner may be the most valuable purchase you ever make. Dave Ramey's practical regimen, based on his own personal experience with debt, offers hard-won advice and much needed hope to people who find themselves in serious debt and desperate for a way out. This book comes in a workbook format, allowing you to frequently monitor your progress and, most importantly, to face your situation honestly. Loaded with inspirational insights that come from personal experience, this set of books will be life changing for any debt-ridden readers. You'll find help on how to:

- Assess the urgency of your situation
- Understand where your money's going
- Create a realistic budget
- Dump your debt
- Clean up your credit rating

Young David Copeland's life took a dramatic turn when his mother died and his father, Mel, decided to move West from Kentucky in search of a new life. Mel found work as a blacksmith for the army at Fort Laramie and David soon found friends his own age outside the fort at an Indian encampment. The wisdom and tutelage of an old Indian chief would soon impact David's life in a profound way. David would go on to live in two different worlds, that of the whites and that of the Indians.

A guide to achieving financial wealth while strengthening family ties identifies ten key steps to reaching these goals

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth and the wealthy. Worse, there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God’s put in their care. They were able to build wealth using God’s ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

Internationally bestselling financial advisor David Bach’s Automatic Millionaire promotes a revolutionary system for making even the most undisciplined money managers rich. The Automatic Millionaire shows readers how to change their financial practices and even their lives, the simple and automatic way. The book begins with a powerful story about an average Canadian couple — he’s a low-level manager, she’s a beautician — whose joint income never exceeds \$55,000 a year, yet who somehow manage to own two homes debt-free, put two kids through college, and retire at fifty-five with more than \$1 million in savings. The incredible message Bach delivers is that the key to getting rich is “automating” the way to wealth by “paying yourself first,” using automatic funded retirement accounts and money market accounts to secure the future and pay for the present. A concise guide that’s a fixture on bestseller lists, The Automatic Millionaire introduces readers to a system that is powerful and simple — an automatically effective, life-changing system that delivers. Do it once, the rest is automatic.

This collection bundles all 3 of popular author Melanie Shankle’s previous books together in one e-book, for a great value! Sparkly Green Earrings “There is really no better indicator you’re a mother than acquiring the ability to catch throw-up in a plastic bag, disinfect your hands, and immediately ask your friend to pass the beef jerky as you put on

another Taylor Swift song and act as if nothing has happened.” This is the type of insight Melanie Shankle offers in this quirky memoir of motherhood. Written in the familiar, stream-of-consciousness style of her blog, *Big Mama, Sparkly Green Earrings* is a heartwarming and hilarious look at motherhood from someone who is still trying to figure it all out. Filled with personal stories—from the decision to become a mother to the heartbreak of miscarriage and ultimately, to the joy of raising a baby and living to tell about it—*Sparkly Green Earrings* will make you feel like you’re sitting across the table from your best friend. A must-read for anyone who’s ever had a child or even thought about it. *The Antelope in the Living Room* Welcome to the story of a real marriage. Marriage is simultaneously the biggest blessing and the greatest challenge two people can ever take on. It is the joy of knowing there is someone to share in your joys and sorrows, and the challenge of living with someone who thinks it’s a good idea to hang a giant antelope head on your living room wall. In *The Antelope in the Living Room*, New York Times best-selling author and blogger Melanie Shankle does for marriage what *Sparkly Green Earrings* did for motherhood—makes us laugh out loud and smile through tears as she shares the holy and the hilarity of that magical and mysterious union called marriage. *Nobody’s Cuter than You* There is nothing as precious in life as a friend who knows you and loves you in spite of yourself. Yet over the last couple of decades, we’ve substituted the joy of real friendship with cheap imitations. We settle for “community” on Facebook and Twitter and a series of text messages that allow us to communicate with someone without the commitment. We like each other’s beautifully filtered photos on Instagram and delude ourselves into believing we have a community. But real friendship requires effort. It’s showing up, laughing loud, and crying hard. It’s forgiving and loving and giving the benefit of the doubt. It’s making a casserole, doing a carpool pickup, and making sure she knows those cute shoes are 50 percent off. Written in the same comedic style as the New York Times bestsellers *Sparkly Green Earrings* and *The Antelope in the Living Room*, *Nobody’s Cuter than You* is a laugh-out-loud look at the special bond that exists between friends and a poignant celebration of all the extraordinary people God had the good sense to bring into our lives at exactly the right moments. From the friendships we develop over a lifetime to the ones that wounded us and the ones that taught us to love better, Melanie Shankle reveals the influence our friends have on who we were, who we are, and who we will become. And on a day when our jeans feel too tight, our chins have decided to embrace hormone-related acne reminiscent of our teen years, and our kids have tested the limits of our sanity, they are the ones who will look at us and say, “Nobody’s cuter than you!”

"Dave Ramsey instructs couples how to work together as a team, gives singles some practical tips for financial accountability, and shows parents how to teach their children about money from a young age"--Container.

Keeping your financial house in order is more important than ever. But how do you deal with expenses, debt, taxes, and retirement without getting overwhelmed? This book points the way. From New York Times bestselling author and nationally syndicated talk radio host Dave Ramsey comes the secret to how he grew a multimillion dollar company from a card table in his living room. If you're at all responsible for your company's success, you can't just be a hard-charging entrepreneur or a motivating, encouraging leader. You have to be both! Dave Ramsey, America's trusted voice on money and business, reveals the keys that grew his company from a one-man show to a multimillion-dollar business—with no debt, low turnover, and a company culture that earns it the "Best Place to Work" award year after year. This book presents Dave's playbook for creating work that matters; building an incredible group of passionate, empowered team members; and winning the race with steady momentum that will roll over any obstacle. Regardless of your business goals, you'll discover that anyone can lead any venture to unbelievable growth and prosperity through Dave's common sense, counterculture, EntreLeadership principles! Work isn't supposed to be a four-letter word! Does the work you do matter to you? Are you unsure what you want to do for a living? Are you in the right place but looking to advance? No matter where you are in your career, you were born to do work you love. National bestselling author and career expert Ken Coleman was stuck in an unfulfilling career until he realized he didn't have to be. In his latest book, he draws on what he learned from his own ten-year journey as well as from coaching thousands of others to walk you through the seven stages to discovering and doing meaningful work. Relevant to any job or industry, you'll learn step-by-step how to: Get Clear on the work you were uniquely made to do and why. Get Qualified to do the work you were created for. Get Connected with the right people who can open the doors to your dream. Get Started by overcoming the emotions and mistakes that often hold people back. Get Promoted by developing winning habits and traits. Get Your Dream Job by doing work you love and accomplishing results that matter to you. Give Yourself Away by expanding the dream to leave a legacy. This is your moment. You are needed, and you were made to contribute. It's time to exit the daily grind and use your talents to start living your dream once and for all.

Every marriage has conflict. And many of those conflicts are related to finances. Russ Crosson, president and CEO of Ronald Blue & Co., shows readers how to avoid the potentially disastrous landmine of financial turmoil. Through these pages, Russ assists readers to think correctly about marriage and about money, rather than default to the way the world sees these areas of life. He covers specific areas of money management where financial conflicts usually occur: Men who work too much Why wives work The problem of debt Making sound investments Giving wisely Understanding insurance To avoid pitfalls, Russ offers a game plan couples can use to achieve harmony in their marriage, no matter what their financial situation.

Relating With MoneyNerds and Free Spirits Unite!

Reach your financial goals and reduce the stress in your life with this book of biblical principles by the bestselling author of *The Blessed Life*. Who doesn't want to eliminate financial stress? Who doesn't want to get out of debt, reach their financial goals, experience the joy that God intends for us, and be free to bless others with their resources? In *The Blessed Life*, Pastor Robert Morris teaches that generosity is a key component to being in God's favor. Now, in *BEYOND BLESSED*, he shares the importance of being a good steward, not only with your finances, but with every part of your life. Pastor Morris will motivate you to become a better manager of your money, and provide practical lessons on taking your finances to the next level. Through Biblical principles, personal stories, and incredible testimonies, you will learn how to be a good steward, and that when you properly manage your finances, blessings will pour into all areas of your life. Here is a guide to increasing and going further with what God has given you, and living beyond blessed.

If you're looking for practical information to answer all your "How?" "What?" and "Why?" questions about money, this book is for you. Dave Ramsey's *Complete Guide to Money* covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all?giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in *The Total Money Makeover*, and trust us?the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

Addresses personal finance issues that are of relevance to today's world of high debt and disproportionate lifestyles, addressing such topics as credit cards, student loans, credit scores, insurance, and mortgages.

What is financial freedom and how do you achieve it? That is a question I asked myself in 2014. My name is Curtis Ray, from Gilbert, Arizona and the author of this book *Everyone Ends Up Poor*(tm). I want to tell you my story of financial discovery through family, entrepreneurship, product development, and an array of experiences. This is not a traditional story of an investment strategy secret or 401(k) success, but a story of true pursuit of knowledge, breaking down the whole system of financial planning, and discovering the inefficiencies and underwhelming results of the 401(k), IRA, Roth IRA and other traditional financial plans. Throughout the book I look back on my life of running numerous businesses, what I learned through rapid success, partnerships, my rise and fall of financial wealth, and what ultimately led me to a career in educating the public on the Rules of Money and how to achieve financial security.This book is like no book ever written. Explaining clearly why a 401(k), IRA, Roth IRA, and other traditional retirement vehicles are not your friend, were never designed to produce you a good retirement income, and why *Everyone Ends Up Poor*(tm). Once someone understands the pitfalls of the current financial system, I explain the steps that can be taken to improve your retirement success by up to 400%. Through the experience and knowledge found in my journey, anyone can start the path of financial freedom today. In this book I explain the 7 Rules of Money prosperity, the 9 pillars of financial planning, pitfalls to avoid as an entrepreneur, and the one-of-a-kind financial strategy called Maximum Premium Indexing

or MPI(tm). Everyone Ends Up Poor(tm) will challenge every belief you have regarding the current financial planning system.

STATISTICAL METHODS FOR PSYCHOLOGY surveys the statistical techniques commonly used in the behavioral and social sciences, particularly psychology and education. To help students gain a better understanding of the specific statistical hypothesis tests that are covered throughout the text, author David Howell emphasizes conceptual understanding. This Eighth Edition continues to focus students on two key themes that are the cornerstones of this book's success: the importance of looking at the data before beginning a hypothesis test, and the importance of knowing the relationship between the statistical test in use and the theoretical questions being asked by the experiment. New and expanded topics--reflecting the evolving realm of statistical methods--include effect size, meta-analysis, and treatment of missing data. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

An essential resource for a high school graduate, college student, or any other young adult who needs to prepare for the financial realities of adulthood. Drawing on years of teaching personal finance in the high school classroom, as well as valuable life experience as a young professional, Cousineau introduces topics ranging from compound interest and mutual funds to Roth IRAs and insurance deductibles. Each chapter contains straightforward explanations, practical examples, revealing anecdotes, and hands-on tools that will help you to jump-start your personal financial journey. In this book, you'll learn: The foundational concepts of personal finance and building wealth How to avoid costly financial missteps How to budget, save, and invest your money wisely How taxes and insurance work How to prepare for life's big expenses Reviews "This! This is what I needed when I was in high school. It is also what I needed when I was in college, and when I bought my first car, and when I bought my first house, and when I opened my first credit card. Every high school student in America should have to pass a class that uses this book. The real-world examples are relatable and make the reader feel like they are armed with the knowledge they need. It doesn't just make you book smart. It makes you street smart." -Stuart Draper "In How to Adult, Jake Cousineau engages readers using a blend of storytelling, analogies, charts and research to deliver key financial lessons. Whether it's comparing index funds to sports teams or interest to pineapple on pizza, Jake has a gift in delivering financial advice in a way that will educate adults, you and old alike!" -NGPF Personal Finance

Presents advice about achieving lifelong financial stability, discussing seven simple principles and strategies applicable to every income level that help people get out of debt and manage their money.

A strategy for changing attitudes about personal finances covers such topics as getting out of debt, the dangers of cash advances and keeping spending within income limits.

In Love Your Life, Not Theirs, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In Love Your Life, Not Theirs, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In Love Your Life, Not Theirs, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of The View "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for Woman's Day "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of Where the Light Gets In "In today's world of social media, the temptation to play the comparison game is stronger than ever. Love Your Life, Not Theirs is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of HerMoney with Jean Chatzky Podcast In Smart Money Smart Kids, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with money. Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree.

This question and answer book is the perfect resource guide for equipping individuals with key information about everyday money matters. Questions and answers deal with 100+ of the most-asked questions from The Dave Ramsey Show—everything from budget planning to retirement planning or personal buying matters, to saving for college and charitable giving. This is Dave in his most popular format—ask a specific question, get a specific answer.

You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In Baby Steps Millionaires, you will . . . *Take a deeper look at Baby Step 4 to learn how Dave

invests and builds wealth *Learn how to bust through the barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you Baby Steps Millionaires isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

The Pillars of Confidence contains specific, laser-focused actions YOU can take to guide YOU through key life areas and become more confident in YOUR personal and professional life. Be a confident woman. Be a confident leader. Be a confident sales person. With confidence, YOU choose. Tamra's confidence is inspiring This book will teach you how to work through and identify the critical pillars to build confidence that you can use in all areas of your life. You will use the lessons learned and be able to set a great foundation to move forward with confidence. Dot Greenlee, Greenlee Interior Design With our technology-driven lives, this is a must read for anyone wishing to compete while maintaining an enviable self-balance. Bill Boyd, CMP, CMM, CITE, President & CEO, Sunbelt Motivation & Travel, Inc.

Becoming a dragon is a dangerously subtle process. You make a long chain of bad choices. The chain gradually wraps around you. Layer by layer, it begins to take on the aspect of scales. One day you glance at yourself in the mirror and a monster is staring back at you. You aren't who you used to be. You aren't who you want to be. You're not who you were created and designed to be. Instead, you're a dragon. When Jim Burgen was nineteen years old, he realized how easy it had been to become a dragon. He knew he didn't want to be one anymore . . . but how? No More Dragons is the story of our common, hopeful journey from dragonhood back to personhood. As Pastor Burgen narrates the remarkable process of reclaiming himself from himself, he implores modern church goers to shake off the trivialities of churchiness in favor of the substantive questions that make a spiritual transformation: "Is Jesus the only one who can undragon people?" "Why don't I like most churches?" "Where is God in difficult times?" "How do you shed decades of gnarly scales?" Some choices will lead you to a better life. Some will kill you. Some choices will add a new layer of scales to your dragon, and some will slough them off. No More Dragons is about asking Christ to deliver you and learning how to obey him.

"The newbie investor will not find a better guide to personal finance." —Burton Malkiel, author of A RANDOM WALK DOWN WALL STREET TV analysts and money managers would have you believe your finances are enormously complicated, and if you don't follow their guidance, you'll end up in the poorhouse. They're wrong. When University of Chicago professor Harold Pollack interviewed Helaine Olen, an award-winning financial journalist and the author of the bestselling Pound Foolish, he made an offhand suggestion: everything you need to know about managing your money could fit on an index card. To prove his point, he grabbed a 4" x 6" card, scribbled down a list of rules, and posted a picture of the card online. The post went viral. Now, Pollack teams up with Olen to explain why the ten simple rules of the index card outperform more complicated financial strategies. Inside is an easy-to-follow action plan that works in good times and bad, giving you the tools, knowledge, and confidence to seize control of your financial life. Let Go of What Holds You Back and Fulfill God's Purpose Far too many people are not living up to God's best for them, limited by habits and hang-ups from which they just can't seem to break free. Unforgiveness, addictive behavior, unhealthy financial patterns--limitations come in all shapes and sizes. Breaking free from any of them starts the same way: by walking in the truth. Jesus died on the cross to set us free and enable us to experience life to the full; anything less than that is not God's best. If we are followers of Christ, freedom is not just a benefit to embrace if we choose; it's a responsibility we are called to. Pastor and author John Siebeling helps readers connect the dots between what they read in God's Word and their everyday lives. Each chapter highlights a specific hang-up or habit that holds people back, explains what God says about it, and points to a way forward in freedom. Practical advice and suggestions for next steps help readers see how to implement changes that give them the traction they need to move forward.

Dave Ramsey explains those scriptural guidelines for handling money.

Financial Wisdom is not just another book on household budgeting. It is rather a manual of timeless principles that work in every culture and era and also in any situation. While full of practical ideas, Financial Wisdom focuses on over 150 verses from the book of Proverbs that touch on finances. This simple, down-to-earth biblical guide will reveal what two decisions to make to never have another financial problem; the six most common mistakes made in finances; what the symptoms of greed are; how to understand the single highest priority in finances; and the nine ageless principles of finances found in Scripture. Dr. Pollock will help you understand how to make things right for yourself, your family, your business, and ministry.

Pulling off a successful wedding is one thing but fortifying a lifelong relationship is an entirely different endeavor. Relationship experts Jim Burns and Doug Fields invite couples to take a proactive approach to their marriage union—one that doesn't shy away from sticky areas and tough topics—in order to develop a solid course from the very beginning. Jim and Doug apply decades of frontline experience working with couples into this fresh and practical resource. Organized in nine highly relevant sessions, each centered on key biblical and relational touchstones, Burns and Fields equip participants to confront big issues including communication, finances, spirituality, and intimacy—prior to their wedding day. Great as a stand-alone resource or partnered with the Getting Ready for Marriage: A Practical Road Map for Your Journey Together book and companion video package.
