Getting the Message Through, the companion volume to Rebecca Robbins Raines' Signal Corps, traces the evolution of the corps from the appointment of the first signal officer on the eve of the Civil War, through its stages of growth and change, to its service in Operation DESERT SHIELD/DESERT STORM. Raines highlights not only the increasingly specialized nature of warfare and the rise of sophisticated communications technology, but also such diverse missions as weather reporting and military aviation. Information dominance in the form of superior communications is considered to be sine qua non to modern warfare. As Raines ably shows, the Signal Corps--once considered by some Army officers to be of little or no military value--and the communications it provides have become integral to all aspects of military operations on modern digitized battlefields. The volume is an invaluable reference source for anyone interested in the institutional history of the branch.

There are many forms of witchcraft. In some cases, it involves conjuring up demons from hell and dispatching them to churches or individuals to cause envy, strife, and confusion. Spirits of delusion (which will cause a false belief or opinion, meant to mislead; deceive or trick) are a strong tool used in witchcraft. I've found in my fifteen years of ministry, that a spirit of delusion can destroy a marriage. For example, it will cause suspicion and false accusations to be made by one spouse against the other. In the church, divisions between Pastors and members can result when this spirit is loosed to attack the pastor. Many pastors have been hurt, deceived, misused and had their churches split as a result. God gave me the assignment to write this book to enlighten the Church on the operation of witchcraft, so the body of Christ would not have to suffer these attacks any longer. We have the power through Christ Jesus to destroy these works and to stop them. If one can put a thousand to flight, and two can put ten thousand to flight, just think what the whole body of Christ can do.

God's Word is the strongest weapon in a believers's spiritual artillery. In The Spiritual Warrior's Prayer Guide, they show the reader how to apply biblical promises to every area of life, whether in

one time, I met a guy who offered me immortality for the low, low price of changing my diet. I didn't read the fine print. Because he wasn't talking about a gluten free diet. More like hemoglobin full. And now I'm a friggin' vampire with five centuries of pop culture references. Granted, at the time, I was listening to the dying screams of my mother and father being burned and eviscerated alive just outside the rusty bars of the prison cell, and my new best friend was offering me my only real chance at saving my own life and avenging my parents' murderers-some day. Except my first chance at vengeance took about five hundred years, and I had to wade through oceans of sin and violence, blackening my soul-and my already dark sense of humor-beyond redemption until I met Father Thomes-a Roman Catholic Priest-in present-day Houston. Papa Thomes taught me how to use my dark curse to fight for the good guys. Like Alfred and Robin did for Batman-except we straight up murder Jokers and Two-Faces. Biteman and Pope'n. We stand up for the downtrodden, the forgotten, and the neglected? By exsanguinating the wicked in horrific, truly imaginative ways, and having a grand ol' time doing it. You know what they say about doing what you love? But our party is soon cut short when we learn the End of Days is just around the corner, and that the fine print of my contract might have hidden a few other tidbits. Like the fact that I was central to kicking off the Apocalypse, and that the Archdemons will stop at nothing to make sure The Dude Abides by the terms of his contract. I guess I need a lawyer. Get ready to laugh at extreme violence. I know I will. If you're not laughing, you're learning.

"A cornerstone of genealogy for the two states, it gives partial genealogies of the settlers, including residence, name and parentage of wife, death dates, and lines of descent almost always to the third generation, and often to the fourth, fifth, sixth or seventh generation." -- Publisher website (December 2008).

More than 95 percent of the psalms express or invite audible words. This book will inform, equip, and inspire you to proclaim prayers that spread the gospel. We are living in times of great discrimination against the message of the church. Special interest groups boldly stand on platforms and speak out in ways much like Goliath did when he mocked the armies of the Lord. The generals of that time hid and were afraid to speak out, but we must learn from their mistake. God is recruiting voices from the wilderness of the America we live in today to stand and speak truth in love. The general attitude of many people is that prayer should be offered up only in the privacy of sanctuaries or the seclusion of prayer closets. This book defies that idea. As others are boldly coming out of the closet for whatever they are passionate about, so should believers! We know that there is life and death in the power of the tongue. We also know God's people perish for a lack of knowledge. Pray Out Loud not only informs and trains readers; it also equips them with prayers and declarations so they can intercede with power. This book encourages Christians to refuse to be silenced and instead to become violent interrupters who stand in the gap and with loud voices proclaim the gospel of Jesus Christ. FEATURES AND BENEFITS: Trains and equips you to overcome intimidation and receive impartation to intercede with power Includes declarations and decrees for intercession and spiritual warfare
