Have you been trying to learn French and simply can't find the way to expand your vocabulary? Do your teachers recommend you boring textbooks and complicated stories that you don't really understand? Are you looking for a way to learn the language quicker without taking shortcuts? If you answered "Yes!" to at least one of those previous questions, then this book is for you! We've compiled the 2000 Most Common Words in French, a list of terms that will expand your vocabulary to levels previously unseen. Did you know that - according to an important study - learning the top two thousand (2000) most frequently used words will enable you to understand up to 84% of all non-fiction and 86.1% of fiction literature and 92.7% of oral speech? Those are amazing stats, and this book will take you even further than those numbers! In this book: A detailed introduction with tips and tricks on how to improve your learning A list of 2000 of the most common words in French and their translations An example sentence for each word - in both French and English Finally, a conclusion to make sure you've learned and supply you with a final list of tips Don't look any further, we've got what you need right here! In fact, we're ready to turn you into a French speaker... are you ready to get involved in becoming one?

The bestselling authors of "The Story of French "unravel the mysteries of French conversation Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children. When face-to-face with a real French speaker, do you freeze? Do you know how to ask for directions in French or communicate if there's an emergency? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's anything more challenging than learning the grammar rules of a new language, it's knowing what to say and having the courage to speak with confidence. We know how you feel - You always try to avoid making embarrassing mistakes or not getting your message through correctly, but it will happen

anyway. 'How do I get out of this situation?', You may ask yourself, but have yet to find a straight-forward answer. Until now. We have compiled 50 French Stories along with their translations, providing new French speakers with the necessary tools to begin effectively studying how to set a meeting, how to check into a hotel and even what to say during an emergency! Our French dialogues get straight to the point saving you precious time. There's no benefit learning words and phrases you will never actually use! If you want to learn French quickly and have a ton of fun along the way, obviously, this book is for you! How Conversational French Dialogues works:

- Each new chapter will have a fresh, new story between two or more people who wish to solve a common, day-to-day problem that you will most likely experience in real life.
- A French version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying!
- Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material.
- That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational French book once you have started reading and studying this one!

Focus on getting from zero to conversationally fluent, so you can:

- Travel or live in France or any French speaking country without relying on Google Translate
- Join French conversations with your French speaking coworkers, friends, or family members
- Date French-speakers without embarrassing yourself
- Stop getting passed over for jobs or promotions for less-qualified people who are bilingual

We want you to feel confident while learning French; after all, there should never be a language barrier stopping you from traveling around the world and expanding your social circles! So look no further! Grab your

Learn to communicate in French with this handy, laminated 4-page guide.

This workbook and accompanying video (available online) present a cross-section of French-speaking people from European, African, North American, and Caribbean countries talking about contemporary French culture. Designed as a resource for intermediate- to advanced-level students, the video provides useful models of conversational French that increase comprehension and fluency in the language, and the workbook offers transcriptions of the conversations and notes on vocabulary and grammar in the interview, helping to improve reading skills.

Students, teachers, farm workers, artisans, police, engineers, airline employees, and other people discuss many topics, including French family life, work, sports, politics, education, and technological achievements. One interview is in French sign language. Unrehearsed, spontaneous, and in a variety of regional accents, the conversations present contemporary French as it is actually spoken, in all its complexity and richness.

Being able to communicate effectively in French is a challenge faced by many French language learners. Do you have difficulties to make yourself understood in French? Get up and running with French Easy French Step-by-Step proves that a solid grounding in grammar basics is the key to mastering a second language. You are quickly introduced to grammatical rules and concepts in order of importance, which you can build on as you progress through the book. You will also learn more than 300 verbs, chosen by their frequency of use. Numerous exercises and engaging readings help you quickly build your speaking and comprehension prowess.

Practice Makes Perfect helps you put your French vocabulary and grammar skills

together! You may have all the vocabulary down pat and every grammar point nailed--but without the skill of knowing how to put these elements together, communicating in your second language would be nearly impossible. Practice Makes Perfect: French Sentence Builders picks up from where other grammar books leave off, showing you the variety of structures and how to combine them to make solid sentences. And like every Practice Makes Perfect title, these books feature crystal-clear explanations, numerous realistic examples, and dozens of opportunities to practice, practice, practice!

Is conversational French turning a little too tricky for you? Do you have no idea on how to order a meal or book a room at a hotel? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's even been something tougher than learning the grammar rules of a new language, it's finding the way to speak with other people in that tongue. Any student knows this – we can try our best at practicing, but you always want to avoid making embarrassing mistakes or not getting your message through correctly. 'How do I get out of this situation?' many students ask themselves, to no avail, but no answer is forthcoming. Until now. We have compiled MORE THAN ONE HUNDRED French Stories for Beginners along with their translations, allowing new French speakers to have the necessary tools to begin studying how to set a

meeting, rent a car or tell a doctor that they don't feel well! We're not wasting time here with conversations that don't go anywhere: if you want to know how to solve problems (while learning a ton of French along the way, obviously), this book is for you! How Conversational French Dialogues works: Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life. A French version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying! Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational French book once you have begun reading and studying this one! Unravel the mystery of speaking in French! Need a straightforward approach for fast and painless mastery of French speaking and comprehension skills? This easy-to-use guide from the popular Demystified series takes the mystery and menace out of speaking and understanding French by walking you step-by-step through the fundamentals of communicating in the language. French Conversation Demystified lets you work at your own pace and arms you with the essentials of communicating in French in an unintimidating format. Organized around everyday scenarios such as meeting people, talking about yourself, and eating out, each chapter features: An in-depth dialog presented both in the book and on the audio. Coverage of essential communication skills (such as asking a question or making comparisons). Review of key grammar points. Written and verbal activities to reinforce new communication skills. Each chapter concludes with a written and audio quiz that allows you to track your progress, and a comprehensive final exam at the end of the book gives instant feedback on new language skills.

It's true that some people spend years studying French before they finally get around to speaking the language. But here's a better idea. Skip the years of

study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of French, #LanguageHacking shows you how to learn and speak French through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in French from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the

language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

This volume brings together scholars working in different languages—Creole, French, English, Spanish—and modes of cultural production—literature, art, film, music—to suggest how best to model courses that impart the rich, vibrant, and multivalent aspects of the Caribbean in the classroom. Essays focus on discussing how best to cross languages, histories, and modes of discourse. Instead of relying on available paradigms that depend on Western ways of thinking, the essays recommend methods to develop a pan-Caribbean perspective in relation to notions of the self, uses of language, gender hierarchies, and ideas of nationhood. Contributors represent various disciplines, work in one of the several languages of the Caribbean, and offer essays that reflect different cadres of expertise.

Intermediate This whimsical collection of colloquialisms entertains students while providing insight into French-language idioms, customs, and humor. Grouped according to theme — from "Our Animal Friends" to "Speaking About the Body" to "Food for Thought" — the idioms are illustrated with humorous cartoons that provide keys to understanding the literal and real meanings.

Having trouble understanding or conversing with native English speakers? If so, try this book! With our book English Conversational Made Natural, you can immerse yourself in real English conversations that tell an authentic story through a variety of dialogues.

Finding material for your French immersion can be a nightmare, but not anymore! French students regularly have to go through the toughest experiences to find proper reading material that isn't too tough for them - as teachers; we know this. This is why we've created French Short Stories for Beginners to ensure that young and old students at the Beginner level can have yet another chance to immerse themselves into fun and interactive stories designed for you, the student. Twenty easy-to-read, entertaining and interesting stories await inside, along with the best tools to help you practice once you're done reading each tale. Our book will

ensure you not only can read something that will expand your knowledge on French but that you will understand and be able to pick it apart piece by piece in your quest for learning. How French Short Stories for Beginners works: Each story is designed to keep you engaged and interested as well as using vocabulary that you will actually use. The summaries follow a synopsis in French and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in French, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! Do you think you can handle it? If the answer is yes, then you're definitely on your way to becoming a French speaker, and we'll certainly make that dream come true! We recommend this book for French learners at A2 level and above as it is designed for students with a basic understanding of French. So look no further! Pick up your copy of French Short Stories for Beginners Vol.2 and start learning French right now!
