

## Evangelia

This volume contains the first edition of the commentaries on the gospels by Bishop Fortunatianus of Aquileia (mid-4th century). This work, which was only discovered in the form of an almost complete manuscript in 2012, is the oldest preserved commentary on the gospels from Latin antiquity, and therefore of extraordinary significance for patristics. The critical edition of the text includes a detailed introduction.

Evangelia Augustini Gregoriana An Historical and Illustrative Description of the Mss. Nos. CCLXXXVI. and CXC VII. in the Parker Library of Corpus Christi College, Cambridge; Being the Gospels Sent by Pope Gregory the Great to Augustine, A.D. DCI.
