George Orwell's celebrated novella, *Animal Farm*, is a biting, allegorical, political satire on totalitarianism in general and Stalinism in particular. One of the most famous works in modern English literature, it is a telling comment on Soviet Russia under Stalin's brutal dictatorship based on a cult of personality which was enforced through a reign of terror. The book tells a seemingly simple story of farm animals who rebel against their master in the hope of stopping their exploitation at the hand of humans and creating a society where animals would be equal, free and happy. Ultimately, however, the rebellion is betrayed and the farm ends up in a state as bad as it was before. The novel thus demonstrates how easily good intentions can be subverted into tyranny. Orwell has himself said that it was the first book in which he had tried, with full consciousness of what he was doing, 'to fuse political purpose and artistic purpose into one whole.' The book was first published in England in 1945, and has since then remained a favourite with readers all over the world, and has consistently been included in all prestigious bestseller lists for the past many years.

Gorgeous, spirited and extravagantly rich, *Cora Cash* is the closest thing 1890s New York society has to a princess. Her masquerade ball is the prelude to a campaign that

will see her mother whisk Cora to Europe, where Mrs Cash wants nothing less than a title for her daughter. In England, impoverished blue-bloods are queueing up for introductions to American heiresses, overlooking the sometimes lowly origins of their fortunes. Cora makes a dazzling impression, but the English aristocracy is a realm fraught with arcane rules and pitfalls, and there are those less than eager to welcome a wealthy outsider...

Poems deal with unrequited love, sorrow, loss, nature, dreams, women, aging, beauty, forgiveness, and poetry

"The fox knows many things, but the hedgehog knows one big thing." This ancient Greek aphorism, preserved in a fragment from the poet Archilochus, describes the central thesis of Isaiah Berlin's masterly essay on Leo Tolstoy and the philosophy of history, the subject of the epilogue to *War and Peace*. Although there have been many interpretations of the adage, Berlin uses it to mark a fundamental distinction between human beings who are fascinated by the infinite variety of things and those who relate everything to a central, all-embracing system. Applied to Tolstoy, the saying illuminates a paradox that helps explain his philosophy of history: Tolstoy was a fox, but believed in being a hedgehog. One of Berlin's most celebrated works, this extraordinary essay offers profound insights about Tolstoy, historical understanding, and human psychology. This new edition features a revised text that supplants all previous versions, English translations of the many passages in foreign languages, a new foreword in which Berlin biographer Michael Ignatieff explains the enduring appeal of Berlin's essay, and a new appendix that provides rich context, including excerpts from reviews and Berlin's letters, as well as a startling new interpretation of Archilochus's epigram.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

'Ulysses' is a novel by Irish writer James Joyce. It was first serialised in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris. 'Ulysses' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of the early 1900s

when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, 'Ulysses' offers the reader a life-changing experience. Publisher : General Press

"Read a poem to yourself in the middle of the night. Turn on a single lamp and read it while you're alone in an otherwise dark room or while someone sleeps next to you. Say it over to yourself in a place where silence reigns and the din of culture—the constant buzzing noise that surrounds you—has momentarily stopped. This poem has come from a great distance to find you." So begins this astonishing book by one of our leading poets and critics. In an unprecedented exploration of the genre, Hirsch writes about what poetry is, why it matters, and how we can open up our imaginations so that its message—which is of vital importance in day-to-day life—can reach us and make a difference. For Hirsch, poetry is not just a part of life, it is life, and expresses like no other art our most sublime emotions. In a marvelous reading of world poetry, including verse by such poets as Wallace Stevens, Elizabeth Bishop, Pablo Neruda, William Wordsworth, Sylvia Plath, Charles Baudelaire, and many more, Hirsch discovers the meaning of their words and ideas and brings their sublime message home into our hearts. A masterful work by a master poet, this brilliant summation of poetry and human nature will speak to all readers who long to place poetry in their lives but don't know how to read it.

Provides guidelines and examples for handling research, outlining, spelling, punctuation, formatting, and documentation.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

No art has been denounced as often as poetry. It's even bemoaned by poets: "I, too, dislike it," wrote Marianne Moore. "Many more people agree they hate poetry," Ben Lerner writes, "than can agree what poetry is. I, too, dislike it and have largely organized my life around it and do not experience that as a contradiction because poetry and the hatred of poetry are inextricable in ways it is my purpose to explore." In this inventive and lucid essay, Lerner takes the hatred of poetry as the starting point of his defense of the art. He examines poetry's greatest haters (beginning with Plato's famous claim that an ideal city had no place for poets, who would only corrupt and mislead the young) and both its greatest and worst practitioners, providing inspired close readings of Keats, Dickinson, McGonagall, Whitman, and others. Throughout, he attempts to explain the noble failure at the heart of every truly great and truly horrible poem: the impulse to launch the experience of an individual into a timeless communal existence. In *The Hatred of Poetry*, Lerner has crafted an entertaining, personal, and entirely original examination of a vocation no less essential for being impossible.

Edexcel International GCSE in English Literature (4ET1): Strategies for Writing© by Emile Armanious is designed to support students studying for Pearson Edexcel International GCSE in English Literature (4ET1) for first examination June 2018 ? This study guide is divided into three units, with each one focusing on one of the specified tasks in the exam, namely, the anthology poetry, unseen poetry and modern prose Features include: ? a detailed analysis of the Anthology poetry collection from Part 3 of the Pearson Edexcel International GCSE English Anthology including language, poetic form, structure and contextual factors used to create meanings and effects along with past paper questions with answers in line with the requirements of the Edexcel updated syllabus (4ET1) ? how to comment on unseen poems, analysing the poet's descriptive skills, choice of language and use of structure and form to create meanings and effects together with past paper question examples with answers to illustrate how to tackle unseen poetry questions in Paper 1 ? understanding how writers create literary effects using, for example, imagery, descriptive skills, language choice, tone and mood, structure and form ? understanding and using appropriate literary terminology ? making comparisons between poems, including use of language, structure and form ? how to identify and use relevant examples from seen and unseen poems ? a critical analysis of the novella 'Of Mice and Men' by John Steinbeck including plot, themes and character profiles together with past paper questions with answers illustrating how to comment on characters and themes ? (Autobiographical).

The Faber Book of Beasts is a collection of many of the best poems in English about the creatures who share our planet. The animal kingdom has prompted some of the liveliest and most enjoyable writing by poets, from Homer to our contemporaries. Among the creatures gathered here, tame or wild; common or exotic, are mammals, reptiles, birds, insects, and others perhaps more fanciful than real. A zoologist's delight. There is, too, a moral or philosophical purpose. As Paul Muldoon says in his introduction: 'We are most human in the presence of animals.' And it is just this sense of how our humanity is illuminated by the contemplation of bestial life that he has set out to celebrate. The results are wonderfully rich and thought-provoking.

Literacy: Made for All is a classroom-ready, teacher-friendly resource for English and Writing teachers of Grades 9 through 12. Organized buffet style, it is designed to complement an existing English curriculum by providing a tested repertoire of strategies for teaching both writing skills and literary analysis techniques. Benefits and Features: tested and proven effective at all learning levels, from Remedial to Pre-AP provides complete lesson plans including reproducible materials can be implemented as is or modified to suit individual teaching styles and/or students' needs each skill, assignment or project begins by 'teaching the teacher', giving an inexperienced teacher the knowledge to provide effective instruction first time out and the confidence to modify and experiment thereafter comprised of 4 components -- reading, writing, literary analysis, and language study moves students from writing effectively to reading analytically (approaching text from the authoring point of view), a proven, highly successful methodology can turn any English course into a Literacy course extremely versatile and cost-effective can deepen an existing English course or complete the framework for a new one ENJOYING LITERATURE focuses on the close reading and analysis of prose fiction, poetry, and short nonfiction, and may be implemented alone or in tandem with STORY

CRAFTING and/or WORDSMITHING.

An elderly black woman who lives out in the country makes the long and arduous journey into town, as she has done many times in the past.

Now more portable and easier to navigate! Webster's New World Student Writing Handbook, Fifth Edition has been refreshed and updated to give you a more portable and efficient reference for all of your high school and college writing needs! From essays to feature articles, from book reports to scripts, you'll get coverage of all thirty-seven types of student writing, good writing principles, subject-specific writing samples, and important considerations for writing and the Internet. Slowly Jack learns the pleasures of writing poetry as Miss Stretchberry encourages him to tell his own story through verse. What emerges is a moving and memorable story about a boy and his dog and his growing passion for poetry.

Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS's *American Masters*. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. *And Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes."

Ma and the girls follow Pa west by train where they make their home at a rough railroad camp and plan for their own homestead. A Newbery Honor Book. Reissue.

The beloved classic poem by Max Ehrmann. "Be gentle with yourself... You are a child of the universe no less than the trees and the stars. You have a right to be here."

Poetry by American Poet Emily Dickinson. This book contains 3 poems, the first and second poems are about the power of words and books and the final poem is about the journey of raindrops.

An indolent college student creates a chaotic fictional world in this classic of Irish literature: "A marvel of imagination, language, and humor" (New Republic). In this comic masterpiece, our unnamed narrator—a student at University College, Dublin, who spends more time drinking and working on his novel than attending classes—creates a character, a pub owner named Trellis, who himself is devoted mainly to writing and sleeping. Soon Trellis is collaborating with an author of cowboy romances, and from there unspools a brilliantly unpredictable adventure that James Joyce himself called "a really funny book." "'Tis the odd joke of modern Irish literature—of the three novelists in its holy trinity, James Joyce, Samuel Beckett and Flann O'Brien, the easiest and most accessible of the lot is O'Brien. . . . Flann O'Brien was too much his own man, Ireland's man, to speak in any but his own tongue." —The Washington

Post "As with Scott Fitzgerald, there is a brilliant ease in [O'Brien's] prose, a poignant grace glimmering off every page." —John Updike "One of the best books of our century." —Graham Greene

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Part of Longman's successful Short Guide Series, *A Short Guide to Writing about Literature* emphasizes writing as a process and incorporates new critical approaches to writing about literature. The twelfth edition continues to offer students sound advice on how to become critical thinkers and enrich their reading response through accessible, step-by-step instruction.

A Poet to His Beloved
The Early Love Poems of William Butler Yeats
Macmillan
Songs of Innocence and of Experience is an collection of poems by William Blake. It appeared in two phases. A few first copies were printed and illuminated by William Blake himself in 1789; five years later he bound these poems with a set of new poems in a volume titled *Songs of Innocence and of Experience Shewing the Two Contrary States of the Human Soul*. William Blake was also a painter before the songs of innocence and experience and made paintings such as Oberon, Titania, and Puck dancing with fairies. "Innocence" and "Experience" are definitions of consciousness that rethink Milton's existential-mythic states of "Paradise" and "Fall". Often, interpretations of this collection centre around a mythical dualism, where "Innocence" represents the "unfallen world" and "Experience" represents the "fallen world". Blake categorizes our modes of perception that tend to coordinate with a chronology that would become standard in Romanticism: childhood is a state of protected innocence rather than original sin, but not immune to the fallen world and its institutions. This world sometimes impinges on childhood itself, and in any event becomes known through "experience", a state of being marked by the loss of childhood vitality, by fear and inhibition, by social and political corruption, and by the manifold oppression of Church, State, and the ruling classes. The volume's "Contrary States" are

sometimes signalled by patently repeated or contrasted titles: in *Innocence*, *Infant Joy*, in *Experience*, *Infant Sorrow*; in *Innocence*, *The Lamb*, in *Experience*, *The Fly* and *The Tyger*. The stark simplicity of poems such as *The Chimney Sweeper* and *The Little Black Boy* display Blake's acute sensibility to the realities of poverty and exploitation that accompanied the "Dark Satanic Mills" of the Industrial Revolution.

"Paul's Case" by Willa Cather. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The readings in *The Writer's Presence* are selected exclusively for the quality of the writing. Editors Donald McQuade of the University of California, Berkeley, and Robert Atwan, Series Editor of *The Best American Essays* scoured hundreds of essays in search of teachable readings with strong voices and clear points of view. The result is a blend of classic pieces by favorites like James Baldwin, Annie Dillard, and Amy Tan; and fresh pieces by rising stars like Michael Pollan, Geeta Kothari, James McBride, and Daniel Harris. The voices in *The Writer's Presence* represent different communities, time periods, levels of difficulty, and fields of study, and the topics intersect in intriguing and nuanced ways, giving students the opportunity to think critically and develop their own voices.

Organized by type of writing and with minimal apparatus, *The Writer's Presence* gives instructors unsurpassed teaching flexibility. With so many exceptional readings and so many ways to teach them, the possibilities are endless.
