Improving Maths and English in Further Education provides a strategic, practical and easily applied toolkit for teachers and leaders as they work with students to gain core skills. The book highlights the unique challenges that are faced within the sector and the value of embedding college-wide literacy and numeracy for success, providing a range of strategies to resolve challenges. Structured to make sure that there is always an alternative approach, method or suggestion, the book allows the reader to choose the steps that suit their context best. Each chapter looks at the key priorities:

- Identifies a range of potential solutions to a challenge faced in FE
- Acknowledges potential implementation pitfalls and remedies
- Suggests practical takeaways, key considerations and next steps

Teachers and staff within further and Post-16 education will find this an essential resource for supporting students studying maths and English. "Teachers and leaders from curriculum areas across the sector will find scenarios and anecdotes that resonate in this book; timetabling, accountability, motivation... a must read." Catherine Sezen, Senior Policy Manager – FE "This is an interesting and engaging read from Jonny, who has produced a book that brings together contemporary educational literature, with a personal and honest take on leading and teaching English and Maths in FE." Steven Wallis, Executive Director Quality, NCG "This book caters for the many different voices, people and characters in FE - it does exactly what it says on the tin... It will give you all the tools for a great job with an evidence base to boot." Julia Smith, @tessmaths Jonathan Kay has managed and led English and maths departments in Further Education since 2017, as well as working as consultant for the Association of Colleges and Lead English Expert and examiner for a leading exam board. Jonathan has also previously worked as an English teacher, 2nd in Department and Head of English in a range of Secondary schools.

English learning in the classroom, at work and for personal study at home.

'AQA Functional English' provides an exact match for the Functional Skills English specification, so you can prepare students fully for their Level 2 assessments.

This book addresses the questions why citizenship education is an important subject for students in further and adult education and why we need democratic colleges to support the study of citizenship education. It investigates the historical roots of further and adult education and identifies how the adoption of citizenship education in the post-compulsory sector can enrich vocational studies in further education and programmes in adult education. It is argued that democratic colleges are vital to ensure that citizenship education informs the decision-making process throughout educational institutions (and as a means of establishing fair and equal representation for important stakeholders). The author has worked in both sectors for over a decade, and uses this experience to offer a blend of educational practice and philosophical investigation. The result is a work that appeals to both teachers in further and adult education as well as academics and students interested in philosophy of education.?

All teachers working in further or adult education settings must achieve the new QTLS teaching standards. 'Delivering Employability Skills' is an optional unit on the Certificate in Teaching in the Lifelong Learning Sector (CTLLS) and the Diploma in Teaching in the Lifelong Learning Sector (DTLLS) qualifications. This easy-to-read and accessible text is aimed at trainees undertaking this unit, or existing teachers wishing to refresh their understanding of delivering employability skills as part of CPD. With links to the professional standards and practical activities and examples throughout, this book supports delivery of the subject in a variety of settings. ?Ann Gravells is leading a CPD Day on 22nd June in London. The event will focus on Raising quality and improving practice in the FE and Skills sector and is a rare opportunity to learn from leading experts. There will only be a limited number of seats available, so book your place here to avoid disappointment.

Our revision resources are the smart choice for those revising for Edexcel Functional Skills Level 1 in English.

This title, written by an expert author team, provides students with the support they need to pass the Edexcel level 1 functional skills English assessments.

Contemporary Debates in Education Studies gives the reader a vital and nuanced understanding of the key debates surrounding the field of education today. Exploring important educational themes such as issues of sexuality, extremism and mental health through a variety of viewpoints, this wide-ranging book questions what the nature and purpose of education are, and how this can be understood in contemporary contexts. From eradicating child poverty in schools, to considering how education should rise to the challenge of the digital world, the book covers an extensive range of topics designed to inspire discussion and debate. Examining a variety of perspectives, each chapter looks at these topics through key research, thinkers, theorists and policies, and, featuring discussion questions and case studies throughout, it forms a truly accessible and interactive guide to the issues that can not only help students access the debates, but also provide lecturers with questions to stimulate seminar discussions. Challenging current thinking on a number of topics, this book's original and distinctive ideas consider how education should meet some of the trials and tribulations of the 21st century, and its wide-reaching and all-encompassing discussion will be essential

reading for all students on undergraduate and postgraduate education studies courses. This core text is an introduction for beginning secondary teachers on developing the art of critical reflective teaching throughout their professional work.

First published in 1924, 'Which School?' brings together in one volume a wide range of information and advice, updated annually, on independent education for children up to the age of 18 years.

This book offers a practical solution to the challenges trainee teachers and practising teachers face when asked to address English and maths across the further education curriculum. Aimed firmly at non-specialist teachers of English and maths, each chapter has activities to raise your own awareness of English or maths concepts, as well as examples of activities that you can use in your teaching to ensure English and maths are appropriately embedded. Key features include: • Accessible explanations of English and maths concepts to support both you and your learners • Tasks to get you thinking about the general principles of embedding English and maths • Specific ideas for embedding English and maths in a range of vocational subject contexts • Tips and ideas for your lessons • General advice together with “Dos and don’ts” • Helpful commentaries about suggested teacher activities • Recommendations for further reading If you are training to teach in the education and training sector, this book offers a number of tasks and activities to help you address English and maths in your subject area and is an excellent resource to support the planning and teaching of your subject.

"These experts in English and Maths have ensured that their advice is well conceived and carefully explained but also that it is practical. Written with enthusiasm and flair, this book is valuable and very welcome." Professor Kevin Orr, School of Education and Professional Development, University of Huddersfield, UK "From reading aloud to pronunciation on the one hand; and from measurement and data handling on the other, the authors present workable strategies, ideas and exercises that are easy to use. Jargon-free and user-friendly, this book offers valuable insights and ideas." Dr Rebecca Eliahoo, Principal Lecturer (Lifelong Learning), University of Westminster, UK

British Vocational Qualifications is an indispensable reference for careers advisors, human resource managers, employers, teachers and students, featuring up-to-date information on over 3,500 vocational qualifications available in the United Kingdom. These include Vocational Qualifications (VQs), National Vocational Qualifications (NVQs), Scottish Vocational Qualifications (SVQs), Related Vocational Qualifications (RVQs) and apprenticeships. The directory also covers the latest developments within the fast-changing field of vocational qualifications, and details of awarding, examining and validating bodies. British Vocational Qualifications is a simple guide for anyone who needs to understand vocational education, whether researching what is available, verifying a qualification for legal purposes, or reviewing where best to study for them.

This report provides examples and recommendations to help overcome obstacles to engage low-skilled workers and their employers in skills development. England has implemented impressive measures aimed at helping workers and employers to upskill. Nonetheless, there remains room for improvement.

Affordable VLE content for Functional Skills English Level 1 to Level 2, targeted at level progression and mixed ability teaching. This Moodle compatible VLE content offers a wealth of resources including activity source material, worksheets, interactive activities, and detailed tutor notes.

This book provides a resource that can be used by tutors who deliver and assess students who are studying Functional English Level 1. The book contains 17 summative assessment practice papers which collectively cover the activities of reading, writing, extended writing, speaking and listening, in a range of contexts. Each paper is scenario-based with linked activities and accompanied by a detailed marking scheme and appropriate stationery. Among the forms that are included are formative and summative assessment sheets, together with observation sheets for speaking and listening. The inclusion of a reflective statement pro forma means that students can be encouraged to provide a structured review of their planning and working practices, and their strengths and weaknesses. Each of these skills is important in the world of work and day-to-day life. The opportunity for students to practise a number of summative assessment papers will better prepare them for the summative assessment set by their awarding body, and encourage their competence in that assessment.

Willkommen! 2 Intermediate course is a brand new multi-format German adult learning programme for classroom and home use.
