Kabuki is well known for its exaggerated acting, flamboyant costumes and makeup, and unnatural storylines. The onnagata, usually male actors who perform the roles of women, have been an important aspect of kabuki since its beginnings in the 17th century. In a “labyrinth” of gendering, the practice of men playing women’s roles has affected the manifestations of femininity in Japanese society. In this case study of how gender has been defined and redefined through the centuries, Maki Isaka examines how the onnagata’s theatrical gender “impersonation” has shaped the concept and mechanisms of femininity and gender construction in Japan. The implications of the study go well beyond disciplinary and geographic cloisters.

Chelsea has lost the biggest bet of her life, and she wasn't even playing. Three wealthy businesswomen have made her their prize in a game of blackjack, and she soon finds herself in a luxurious penthouse suite, entertaining the billionaire half-Japanese beauty & pharmaceuticals mogul, Michelle Tanaka. Michelle likes them young, timid and obedient, and Chelsea fits her criteria perfectly. But Michelle is hiding a big secret under her silk robe; one that will shatter Chelsea's understanding of the world of sex, and her own sexuality. ?Taken by a Futanari Billionaire? is the first book in the ?Futanari Billionaire? series, and is over 10,000 words of intense, hardcore sex between a futanari and a submissive female, with a HFN ending. ~~~~~ PG Excerpt ~~~~~ The tinny voice announced that she had reached level fifteen, and then she stepped out of the immense doors and into a hall of lush red carpeting. She pulled out the clear plastic business card Michelle had left her, and stared at the red writing on it: Rm 1501, Vernon Towers. Trying her best to control her heartbeat, Chelsea stood at the door and held her hand out to knock. Then she stopped. Was she really about to do this? Was she really entering the hotel room of a billionaire CEO who had been involved in her humiliation just an hour before? She didn't have to answer. As soon as she finished her thought, the door opened. Michelle Tanaka greeted her wearing nothing but a white silken bathrobe. Her thick black hair was loose behind her head and a glass of brandy was in her hand. As powerful as she had looked sitting at the blackjack table in her crimson business suit and loose, open shirt, it didn't compare to how she looked now. Chelsea could really appreciate the woman's size. Chelsea herself was five-foot six, but this woman towered over her at what had to be six foot even. Underneath the long bathrobe, which came down almost to her knees, Michelle's legs looked long and well-toned. The robe tied around her waist, exposed even more of her impressive cleavage than she had shown at the hotel, and Chelsea was filled with awe, envy and excitement. The waitress's B-cups were positively dwarfed by this woman's bust. ?You're a girl of your word,? she said. ?I-I never actually said I'd come.? ?Not explicitly, you didn't. But in all other ways that

mattered...? She let that sentence hang in the air as she drew Chelsea inside. Then the billionaire turned her back to Chelsea, and said, "I've run a bath for you. Enjoy it, but don't dawdle. I want you back out here in fifteen minutes." Clearly, this was a woman used to telling others what to do. Chelsea found that it was hard to disobey her; there was a quality to Michelle Tanaka's voice and the way she used it that made a word from her almost like a spell. Not to mention the fact that she was six feet tall and, from what Chelsea could see, had the broad shoulders and toned muscles of a woman who could break an insubordinate's neck. As the cocktail waitress undressed (again), she could hardly believe the sheer opulence of the hotel room's bathroom, which was bigger than her own bedroom at home. All of the fixtures looked like they were made of ivory, with the occasional classy touches of copper and gold chrome. The floor was made of large, white tiles with a tasteful fleur de lis at the center of each. A shower stood in the corner—it was nothing more than two glass walls with a gold chrome shower head. The bathtub itself sat above ground, standing on clawed golden feet. It was easily big enough to accommodate two grown adults. Once Chelsea dipped her feet into the hot, scented water, it was impossible for her not to let go and relax her body. The water ran over her skin like caressing fingers, and the sweet fragrance of the bath oils flooded her senses. It was floral, yet had a biting quality to it that made her think of liqueur. She submerged her head in the water and nearly gasped as she felt the sensual water run through her hair. It was like taking the first bath of her life again. The cocktail waitress was feeling more than a little pampered at this treatment, even though she couldn't know what direction her situation could take afterwards.

Child pornography is a critical legal and ethical problem that has experienced a resurgence coincident with the growth of the Internet. After international efforts to amend child protection laws in the late 1970's and early 1980's, the prevalence of child pornography cases dropped precipitously and the distribution of child pornography was largely limited to the back rooms of adult bookstores, small cells of individual traders, and a limited, known list of overseas mail order providers. With the growth of the Internet, the ease, cost, and relative anonymity of transactions greatly increased the availability of child pornography and the number of child pornography offenders. *Digital Child Pornography: A Practical Guide for Investigators* seeks to address the problems faced in investigating child pornography offenses in the always-on, always-connected age. The contents of this book are organized into three sections as follows:

- **Foundations.** The background and modern history of child pornography are covered. The prevalence and types of child pornography are addressed, and a typology of child pornographers is presented, including the psychological reasons for the individuals to be engaged in child pornography. An overview of the current federal laws addressing child pornography is presented, and key cases of recent interest are detailed. How to select investigators to investigate child pornography offenses and how to keep them safe are also reviewed.
- **Digital Forensics.** Digital forensics, as applied to child pornography, is addressed. A methodology for planning for and conducting search warrants in child pornography offenses is provided, and key elements of proof needed that can be gathered digitally are presented. A framework for conducting dead-box analysis for evidence of child pornography offenses is provided.
- **Interviews and Interrogations.** The subjects of child pornography cases take special care and feeding and they require special considerations when interviewing. The process of interviewing and interrogating child pornography subjects, from the planning stages through to obtaining a confession, is documented. *Digital Child Pornography: A Practical Guide for Investigators* is written by an investigator specifically for other child pornography investigators and provides the most comprehensive guide to these investigations currently available.

Tokugawa Japan ranks with ancient Athens as a society that not only tolerated, but celebrated, male homosexual behavior. Few scholars have seriously studied the subject, and until now none have satisfactorily explained the origins of the tradition or elucidated how its conventions reflected class structure and gender roles. Gary P. Leupp fills the gap with a dynamic examination of the origins and nature of the tradition. Based on a wealth of literary and historical documentation, this study places Tokugawa homosexuality in a global context, exploring its implications for contemporary debates on the historical construction of sexual desire. Combing through popular fiction, law codes, religious works, medical treatises, biographical material, and artistic treatments, Leupp traces the origins of pre-Tokugawa homosexual traditions among monks and samurai, then describes the emergence of homosexual practices among commoners in Tokugawa cities. He argues that it was "nurture" rather than "nature" that accounted for such conspicuous male/male sexuality and that bisexuality was more prevalent than homosexuality. Detailed, thorough, and very readable, this study is the first in English or Japanese to address so comprehensively one of the most complex and intriguing aspects of Japanese history.

It was an unusually quiet morning for Dr. Saanvi Prabhu. Only one patient's name came up in the system, and it was Olivia Lombardy? a name she found strangely familiar but came with no records. She said the name out loud, feeling it on her tongue. ?Where do I know this one?? The patient's date of birth indicated that she had just turned eighteen, so if Saanvi had seen her before, it must have been when the patient was a kid. Saanvi took off her black-rimmed glasses and wiped them with a tissue. No face came to mind to match that name, but that

was to be expected. How many thousands of patients had she seen over the years? She liked to think she had a good memory for names and faces, but even she couldn't remember all of them. "Might as well solve this mystery now," she said, blowing a strand of thick, black hair from her face and slipping her glasses back on before stepping out into the waiting room. "Miss Lombardy?" A young woman with strawberry blonde curls looked up at her and smiled. She had delicate white skin and was a little chubby, but had a kind face that would make anybody want to be her friend. Saanvi returned the smile. "Would you step into my office, please?" Olivia stood up and, head slightly lowered, followed Saanvi into the small, white doctor's office. As the doctor closed the door behind her, she had no reason to think this day would be like any other. Little did she know that her personal and professional life would change forever after seeing this one special patient.

Softer this time, I slid my finger around the rim of her bellybutton. That odd little orifice had teased me for so many weeks, and now I found that its lip was as soft as baby down. "You're so gentle," she whispered. "Do you want me to be rougher?" "No," she said quickly. "No, it's nice. You're so nice?" Her slender fingers cupped my jaw and drew me in for another, tentative kiss. "Why are you so nice to me?" Because I love you, I wanted to say. The words gripped the base of my tongue like the cocked hammer of a gun. I wanted to confess. I wanted to grab her, kiss her harder, squeeze her soft thighs until she whimpered the same. But that would have crossed a line there would be no coming back from. I knew Rebecca wasn't gay. I knew this was comfort to her. She wanted my touch, maybe a soft kiss or two, but more would have confused her. It hurt not to tell her. It triggered a physical ache deep in my chest that spread up my arms and tightened my veins. You're giving me a heart attack, I thought, as I gently slid her hair out of her eyes and kissed her nose. "I want you to feel better," I whispered. "We're just having fun, right?" "Sure." A smile broke over her peach lips. "Oh God, I was just thinking of that girl you used to date. Tiffany? I think she was Japanese?" "Teresa." Rebecca's brows knit together. "She was so mean to me. I never understood why she was such a bitch." I laughed. "She wasn't that mean?" "Not to you!" Rebecca exclaimed. She turned bright red when she realized how loud her voice went. We'd been whispering together on the couch for so long that she actually put her hand to her mouth. We giggled together, as if somehow we were interrupting an invisible crowd of people in our secluded apartment. "Not to you," she repeated, more quietly. She idly drew her fingers through my hair. "You had her wrapped around your finger. But she always gave me these looks. She rolled her eyes whenever I said something. I felt like I was offending her in some secret lesbo code." "I didn't have her wrapped around my finger?" I murmured. "Oh shut up," said Rebecca. "She was so into you." I shrugged. "Maybe she felt threatened by you." "Why?" It was my turn to play with her hair. "Because she knew I was protective of you. I had to leave a date once to pick you up from the club. Do you remember?" "Ugh," the girl moaned. "Barely. That was a bad night." She gripped my hand?sliding mid-way through her purple tress?and squeezed. "Thank you." I squeezed back. "She thought we were sleeping together." Rebecca's eyes bugged out. "Seriously? Oh, that explains a lot." She scooted down on the couch and moved my hand from her hair to the space just below her breast. It was provocative. Deliberate. And she gave me a mischievous little grin when she did it, as if to say, "Your ex's worst fear has finally come true." Of course I knew that wouldn't happen. Rebecca didn't want to sleep with me. I kept reminding myself that, hoping she'd prove me wrong. Fanny's frustrated. She hates sharing in a dorm room, but her parents want her to get the full college experience. BONDED TO A FUTANARI BILLIONAIRE is the third book in the FUTANARI BILLIONAIRE series, and is over 16,000 words of dominant, hardcore sex between a woman and a futanari! ~~~~~ PG Excerpt ~~~~~ The billionaire took another drag of her cigarette. For a moment, Chelsea saw the coldness in the woman's eyes. "I think you need to lie there and think about what you really want out of this." She replied. "You'd be silly to forget what it is I'm dangling over your head." And with that, she left the room, leaving the college student alone on the bed, dripping with sweat and regret. Not just regret for screaming Michelle's name, but for trusting Chantelle LeBron; for getting herself into this mess in the first place. Eventually, the bedroom door creaked open and the light overhead flicked on. Chelsea screwed her eyes shut at the sudden assault of light, then slowly opened them to see if Trisha was looking any less cold and vengeful. Only it wasn't Trisha. She was someone about Chelsea's age who was wearing a French maid's uniform. She had short, dark brown hair and chocolatey eyes. Her skin was lightly tanned, and dark freckles dotted her nose. The uniform was low-cut, exposing her tanned cleavage between frilly white lace, and the skirt was so high it barely covered the top few inches of her legs. The stranger approached the bed, keeping her eyes downcast to avoid meeting Chelsea's. The teen was grateful for this - it wasn't fun being seen by a total stranger handcuffed naked to the bed, doused in sweat and semen. The girl went to the top posts and, with a key, began working the locks. "D-did Trisha ask you to unchain me?" She didn't reply, Chelsea brought her voice down to a whisper. "Is she nearby? Is she outside the room?" "Ms. Stern ordered me not to speak to you," she replied without emotion. She undid both cuffs on her hands, and then moved down to the lower posts where her feet were bound. Chelsea watched her stiff movements and stony expression. Then it hit her. "She's got you, too!?" The maid didn't react or respond. "Trisha threatened to release a tape of me with two other women if I didn't move in with her. Is she doing something like that to you? I didn't even think there'd be anyone else here, but I guess with a house as big as this, she must have more than one." Again, the girl said nothing. Chelsea was desperate to make a connection before this maid finished uncuffing her. She needed a potential ally to help her get through this madness. "What's your name? I'm Chelsea. Chelsea Summers. I'm going to college. Well, that's ending in a few days, then I have to put it on hold. We can help each other, you know. Whatever she's holding over your head, maybe I can help you with it. Maybe it doesn't have to be like this."

Akano the Futanari has promised Matt and Amanda she can get them into a posh VIP lounge at an upscale restaurant. This requires getting past a very pretty but snooty Maitre Di. But as seen in the previous 2 books in this series the Futanari is very persuasive. There is also ice-skating, romance, humor and sex. This is intended for a mature audience over 18. All characters are over 18.
