

Get Lucky How To Put Planned Serendipity Work For You And Your Business Thor Muller

There are people who seem to lead a charmed life. They seem to almost stumble into success, They have opportunities open up for them all the time. Things are handed to them, they win in the stock market, they find their dream job, and get married to their ideal partner. These are perpetually unlucky people. Most of us are somewhere between these two extremities. We may never really know why, or whether there is something to be done. There is! That's why this book was written.

This book constitutes the thoroughly refereed proceedings of the 9th International Conference on Entertainment Computing, ICEC 2010, held in Seoul, Korea, in August 2010, under the auspices of IFIP. The 19 revised long papers, 27 short papers and 33 poster papers and demos presented were carefully reviewed and selected from numerous submissions for inclusion in the book. The papers cover all main domains of entertainment computing, from interactive music to games, taking a wide range of scientific domains from aesthetic to computer science.

Get Rich or Get Lucky is a gripping fantasy thriller that follows Adam who finds himself in control of a magic he never knew existed. After a string of disappointments with his literary career, Adam decides to embark on a get-rich-quick scheme by renovating run-down houses. By chance he discovers a book of magic in the basement of a derelict property and he can't believe his luck. Excited by his find, he invites his friends Dick and Charlie, to tell them about it. But things quickly take a turn for the worse when Adam inadvertently casts a spell which turns Dick into a crayfish. Adam is unable to reverse the spell immediately and while searching for the solution, leaves Dick in the garden pond, which gets flooded and Dick disappears. Dick's wife Rachael reports him missing and the police then accuse Adam of wrongdoing. Things continue to spiral out of control when Adam is burgled and the book gets stolen. He then discovers that a powerful, evil warlock is looking for the book. Adam finds himself in a race against time, to recover the book and thwart the warlock to stand any chance of bringing Dick back, if he can. From the author of the sci-fi adventure *The Arbitrator*, *Get Rich or Get Lucky* is a black humoured fantasy thriller that will have readers on the edge of their seats. It will appeal to readers who enjoy fantasy fiction, in addition to those who also enjoy fast-paced thrillers.

How do you change your luck? A young woman chooses to look for happiness in this marvelously entertaining and poignant novel from the New York Times bestselling author of *How to Walk Away* and *Things You Save in a Fire*. "A hilarious and touching take on what it means to be a grown-up."—Julie Buxbaum, author of *Admission* and *Tell Me Three Things* Sarah Harper isn't sure if the stupid decisions she sometimes makes are good choices in disguise—or if they're really just stupid. But either way, after forwarding an inappropriate email to her entire company, she suddenly finds herself out of a job. So she goes home to Houston—and her sister, Mackie—for Thanksgiving. But before Sarah can share her troubles with her sister, she learns that Mackie has some woes of her own: After years of trying, Mackie's given up on having a baby—and plans to sell on eBay the entire nursery she's set up. Which gives Sarah a brilliant idea—an idea that could fix everyone's problems. An idea that gives Sarah the chance to take care of her big sister for once—instead of the other way around. But nothing worthwhile is ever easy. After a decade away, Sarah is forced to confront one ghost from her past after another: the father she's lost touch with, the memories of her mother, the sweet guy she dumped horribly in high school. Soon everything that matters is on the line—and Sarah can only hope that by changing her life she has changed her luck, too.

He guided LSU to its first football championship in forty-five years. He turned down countless offers from professional teams to stay with the job he loves. Now Nick Saban reveals the secrets that will help you lead and succeed at work and in life. Excellence doesn't happen overnight. It comes from hard work, consistency, the drive to be the best, and a passion for what you do. Few understand this better than Nick Saban, the hottest college football coach in the game. Now, in *How Good Do You Want to Be?*, Saban shares his winning philosophy for creating and inspiring success. In more than three decades as a player and coach, Saban has learned much about life and leadership, both on the field and off. Working alongside some of the game's legends, including Super Bowl winner Bill Belichick and coaching legend Jerry Glanville, he saw firsthand how great leaders encourage greatness in others. In this candid, insightful guide, he shares such acquired wisdom as • Organization, Organization, Organization Create an environment where everybody knows his or her responsibilities—and each is responsible to the entire group. • Motivate to Dominate Understand the psychology of teams and individuals, and use that knowledge to breed success. • No Other Way than Right Practice ethics and values—and demand the same from your team. • Look in the Mirror Maintain an understanding of who you are by knowing your strengths and your weaknesses. *How Good Do You Want to Be?* is more than the story of how Nick Saban motivates his staff and players to excel—it is also the memoir of one of America's most successful coaches. Filled with instructive anecdotes and illuminated by never-before-told stories of his life and career, this is a book that challenges and inspires us all to be our best.

It's weird and frankly bewildering that the most talented women in the world are often the ones struggling to make fabulous money from their talents. In *Get Rich, Lucky Bitch!*, you'll get the tools and inspiration you need to go to the next level of wealth - whether you're starting from scratch or itching to break through the million-dollar mark. Denise Duffield-Thomas has been through the whole financial rollercoaster herself - she has probably made every financial mistake possible! Finally, having had enough of under-earning, she dedicated a year to practising everything she knew about the Law of Attraction and applied it directly to money. As a result of all this work, her income doubled, then tripled, and in a few years she went from always being broke to being a successful entrepreneur. And in this book she teaches you how create the same shifts in your own life. This book is the most practical manifestation book you'll ever read. You'll get day-to-day actions, inspiration, kick-up-the-butt real talk and loving advice. There's no amount of money you could want that's too big or too small. Denise will teach you to cut through years of under-earning and chronic underserving, fly through your income goals, heal your money wounds and break through old self-beliefs. No matter where you're starting from, if you're willing to uncover what's holding you back, this book will help you create money miracles in your life. Shy, introverted romance writer Etta Prescott is a huge fan of the number-one country singer Travis Masters, but she never dreamed she'd actually meet him, not until her twin sister gets involved. A trip to the Calgary Stampede and a romantic ride in the Alberta moonlight with handsome, affable Travis leads Etta to believe romance isn't limited to other people or the pages of her books. Travis Masters has it all—successful singing career, top of the charts, scheduled European tour. But with all the women throwing themselves at him, he still hasn't found the one who makes his heart sing. Not until one morning he happens on a young lady wanting to learn how to ride a horse. But why were a couple of Mounties escorting her and her sister to the airport? Getting

involved with someone with a questionable reputation could ruin his clean country-boy image, as his gung-ho agent keeps reminding him...

Work together to up your chances of business success The Art of Making Sh!t Up combines the lessons learned from a personal journey with the teachings derived from years of honing valuable skills through performing and presenting to thousands of people to demonstrate how working together has helped others found and grow several multimillion-dollar companies. By focusing on topics that serve as pain points and detailing the tools and techniques of improv, this book helps people and organizations utilize new skill sets to be more productive, more accepting, and more "all in" to create a stronger teammate and team. Remove the fear of failure Recognize when and how to trust your instincts Celebrate and embrace the ideas of others Listen effectively—to both people and your environment Thinking is hard. Listening is easy—and is most often the springboard to huge ideas. Find out how it can work for you with The Art of Making Sh!t Up.

Thinking Like a Watershed points our understanding of our relationship to the land in new directions. It is shaped by the bioregional visions of the great explorer John Wesley Powell, who articulated the notion that the arid American West should be seen as a mosaic of watersheds, and the pioneering ecologist Aldo Leopold, who put forward the concept of bringing conscience to bear within the realm of "the land ethic." Produced in conjunction with the documentary radio series entitled Watersheds as Commons, this book comprises essays and interviews from a diverse group of southwesterners including members of Tewa, Tohono O'odham, Hopi, Navajo, Hispano, and Anglo cultures. Their varied cultural perspectives are shaped by consciousness and resilience through having successfully endured the aridity and harshness of southwestern environments over time.

Paul Evans, a New Yorker has had a long and varied musical career. As a songwriter, Paul has written hits for himself as well as for Bobby Vinton – the 1962 classic, 'Roses Are Red, My Love', the Kalin Twins 'When' in 1957, and Elvis Presley 'The Next Step is Love' and 'I Gotta Know' and more. His songs have been featured in movies – Martin Scorsese's Goodfellas and John Waters' Pecker, television shows (Scrubs) and TV ads. He also wrote an off-off Broadway show, Cloverleaf Crisis, and the theme for the original network television show, CBS This Morning. Paul has spent a great deal of his life as a recording artist. From his 1959 and 60's hits: 'Seven Little Girls Sitting in The Back Seat', 'Midnight Special' and 'Happy Go Lucky Me' to his 1979 hit: 'Hello, This Is Joannie', #6 on the UK pop charts and Top 40 on Billboard's Country charts. This book describes his journey from getting his start in the music business, becoming part of the Brill's song-writing community and the sixty-three music-filled years that followed.

"I don't know when I've been so wowed by a new author" –Chip Heath, co-author of The Power of Moments and Switch A talented journalist reveals the hidden patterns behind what we call "luck" -- and shows us how we can all improve outcomes despite life's inevitable randomness. "Do you believe in luck?" is a polarizing question, one you might ask on a first date. Some of us believe that we make our own luck. Others see inequality everywhere and think that everyone's fate is at the whim of the cosmos. Karla Starr has a third answer: unlucky, "random" outcomes have predictable effects on our behavior that often make us act in self-defeating ways without even realizing it. In this groundbreaking book, Starr traces wealth, health, and happiness back to subconscious neurological processes, blind cultural assumptions, and tiny details you're in the habit of overlooking. Each chapter reveals how we can cultivate personal strengths to overcome life's unlucky patterns. For instance: • Everyone has free access to that magic productivity app—motivation. The problem? It isn't evenly distributed. What lucky accidents of history explain patterns behind why certain groups of people are more motivated in some situations than others? • If you look like an underperforming employee, your resume can't override the gut-level assumptions that a potential boss will make from your LinkedIn photo. How can we make sure that someone's first impression is favorable? • Just as people use irrelevant traits to make assumptions about your intelligence, kindness, and trustworthiness, we also make inaccurate snap judgments. How do these judgments affect our interactions, and what should we assume about others to maximize our odds of having lucky encounters? We don't always realize when the world's invisible biases work to our advantage or recognize how much of a role we play in our own lack of luck. By ending the guessing game about how luck works, Starr allows you to improve your fortunes while expending minimal effort.

During the spring-summer of 2010, I was following Mark Knopfler's "Get Lucky" concert tour, attending all 87 concerts, visiting 21 countries over two continents. During the tour, I was maintaining a blog documenting my journey - a true, honest, unedited account of what's going through the mind of an individual crossing the world with a backpack following music. Proceeds from this book's sales are donated to the SickKids Foundation in Canada.

When a female loan shark is attacked and left for dead, vampire Glory St. Clair turns her into one of the undead to save her. But Lucky's flamboyant behavior is not only drawing every vampire hunter within miles-its bringing her would-be killer out of hiding, too.

Everyone wants to be lucky, but most think it's impossible that they ever will. Best-selling author Dr. Stephen Simpson begs to differ-in Get Lucky Now!, he reveals seven secrets that, when followed, lead to abundant health, wealth, and happiness. The process begins with clearly identifying your goals and determining what you truly want from life. As you learn how to sift through your inner chaos and look at yourself and your life with new eyes, you will also start to recognize the opportunities that are all around you. Building on theories by Carl Jung and Albert Einstein, Dr. Simpson presents several surprisingly simple strategies that help you quiet the clamor of today's information onslaught and focus on what's most important at any given moment so that when luck comes your way-and it will-you don't miss it. If you're trying to figure out your next step, Get Lucky Now! can help you open the door to good fortune and set you on the path to becoming one of the lucky ones.

Max Gunther's lost classic, now in a new Classics edition. Some people think you're either born lucky or not. But what if you could actively get lucky? As Max Gunther shows in this page-turning classic, some people really are luckier than others - and not by accident. Lucky people arrange their lives in characteristic patterns. They tend to position themselves in the path of onrushing luck; they tend to go where events are moving fastest and where they can find their lucky break Lucky people take risks but not silly ones. They stick with a cause, a job, or a partner, but not when all hope is lost. In short, they move with life, not against it. This book gives you 13 different techniques by which you can discover and take advantage of life's good breaks, while minimising the effects of its bad ones.

When a young woman falls to her death from a Vegas sightseeing helicopter, casino "fixer" Lucky O'Toole discovers that one of her own exes may be involved and finds the case further complicated by cutthroat business stakes and her relationship with a female impersonator. A first novel. Reprint.

Playing matchmaker for his best friend was easy... until he fell in love with her. Nessa Pompeo is in love with her best friend. Convinced that taking things further will only end in heartbreak, she'll never tell Lucky the truth. Plus, it's clear he doesn't feel the same way for her. If he did, he wouldn't be setting her up on blind dates with every douchebag in his phone. Lucky O'Brien is about to leave his life in Hollywood to chase his dreams in New York, but breaking the news of his move to his best friend is... harder than he expected. To make the process of saying goodbye easier, Lucky develops a genius plan: to find Nessa a boyfriend. If he can't make her happy, the next best thing is to find someone who can. But Lucky's plot only backfires. Soon, poor Nessa's going on one bad date after another while Lucky's feelings for her are

on a fast track out of the friend zone. His only saving grace is that he can at least retreat to his own place at the end of the day to nurse his broken heart in peace. When the eviction notice with Lucky's name on it pushes their living spaces together... will it also shove them into happily ever after?

Methods of Success is designed to teach artists working in all mediums how to earn a living selling what they produce. Includes Service, Wholesale, What Art is Worth, Advertising, Marketing Plans and Selling Art on eBay. It is written to delve deeper, helping you fly above the detours. An eagle knows when a storm is approaching long before it breaks, flies to a high spot and waits for the winds to come. Then sets its wings so the wind will pick it up and lift it above the storm. The eagle does not escape the storm, it simply uses the storm to go higher, spreading its wings and rising on the wind. Methods of Success is the wind beneath your wings when the storm is unbearable. Some will 'Make It' and it may just as well be YOU. Who better deserves to be the next shining star to brighten the art world?

Max Gunther's lost classic brought back into print. Most people imagine that you're born lucky or you get lucky. Max Gunther shows you how you get lucky. The fact is that some people really are luckier than others and not by accident. Lucky people arrange their lives in characteristic patterns. They tend to position themselves in the path of onrushing luck; they tend to go where events are moving fastest and where they can find their lucky break. Lucky people take risks but not silly ones. They stick with a cause, a job, or a partner, but not when all hope is lost. In short, they move with life, not against it. This book gives you thirteen different techniques by which you can discover and take advantage of life's good breaks, while minimising the effects of its bad ones.

A guide to getting luck on your side As the pace of change accelerates and the volume of information explodes, we're under great pressure to connect just in time with the people and ideas we need to thrive. But we can no longer plan our way to success—there will always be factors beyond our control. This uncertainty, however, cultivates one of today's key drivers of success: serendipity. More than blind luck, serendipity can produce quantifiable results: breakthrough ideas, relationships that matter, effortless cooperation, synchronized market timing, and more. Get Lucky shows businesses how to succeed by fostering the conditions for serendipity to occur early and often. Distills planned serendipity into eight key elements: preparedness, motion, activation, attraction, connection, commitment, porosity, and divergence. Features stories of serendipity in action at well-known companies including Avon, Target, Steelcase, Google, Facebook, Walmart, and more. Written by serial entrepreneurs and cofounders of GetSatisfaction, a breakout platform for online customer service communities with over 100,000 clients. Planned serendipity is not an abstract, magical notion, but a practical skill. Get Lucky is the indispensable resource for anyone who wants to learn this skill and to make serendipity work for them. "A lively and inspiring guidebook for anyone who wants to make the jump from normal to extraordinary." —Tony Robbins, #1 New York Times bestselling author of Unshakeable and MONEY: Master the Game. An inspirational book that lays out the "Jump Curve"—four steps to wholeheartedly pursuing the career of your dreams—through experiences from a variety of people who have jumped and never looked back. When Mike Lewis was twenty-four and working in a prestigious corporate job, he eagerly wanted to leave and pursue his dream of becoming a professional squash player. But he had questions: When is the right time to move from work that is comfortable to a career you have only dared to dream of? How have other people made such a jump? What did they feel when making that jump—and afterward? Mike sought guidance from others who had "jumped," and the responses he got—from a banker who started a brewery, a publicist who became a Bishop, a garbage collector who became a furniture designer, and on and on—were so clear-eyed and inspiring that Mike wanted to share what he had learned with others who might be helped by those stories. First, though, he started playing squash professionally. The right book at the right time, When to Jump offers more than forty heartening stories (from the founder of Bonobos, the author of The Big Short, the designer of the Lyft logo, the Humans of New York creator, and many more) and takeaways that will inspire, instruct, and reassure, including the ingenious four-phase Jump Curve.

This #1 bestselling guide to managing your career and living comfortably with your finances reveals fascinating insights for everyone from businesspeople to those who manage the household budget. Don't Sweat the Small Stuff About Money illuminates how to: Learn more about the relationship between moods and money. Be aware of what you don't know, and what you're not good at. Spend the bulk of your time on the "critical inch" of your business. Avoid giving away your power.

Luke is a handsome man with a strong will unlike anyone else's. He's part of a special unit in the US Navy and tries to seduce journalist Syd in order to get her off a task force formed to investigate a Navy-related criminal case. Syd is known for her tight guard, yet Luke's first passionate kiss almost melts her resolve. But he is shocked to find that his plan may have backfired? his own defenses are in danger of falling, too!

Julie Roseman and Romeo Cacciamani know a thing or two about good fortune. For generations, their families were rival florists and bitter enemies. Then Julie and Romeo met by chance, just as each became single again. Even more miraculous, they fell in love. Three years later, Julie and Romeo are still blissfully happy. They don't often get a quiet moment alone, and rarely manage a night -- quiet or otherwise -- in the same bed, but Julie feels blessed by what they do have: true love, wonderful jobs, and houses packed to the rafters with family. Romeo's ninety-three-year-old mother, his son Alan, Alan's wife and their three children live with him; Julie's daughter Sandy and her family -- including Sandy's Willy Wonka-obsessed daughter, Sarah, and their cat -- live with her. The odds of Julie and Romeo getting a few days of peace together seem about as likely as winning the lottery. But their wish comes true -- with a twist -- when an injury puts Romeo flat on his back in Julie's room. Spending days in bed may sound heavenly, but with Romeo on pain pills, initially as comatose as Juliet in her tomb, the reality is less romantic. Then Julie's other

daughter, Nora, drops her own crisis on her mother's doorstep. Now Julie has to figure out how to run two flower shops, take care of an ever-expanding household, nurse her beloved Romeo back to health, tackle Sarah's fixation with lottery tickets, and keep her daughters from regressing into full-scale teenage bickering. And Lady Luck has one more surprise in store.... Wonderfully witty and unerringly wise, Julie and Romeo Get Lucky is a smart, heartwarming story of timeless love and family loyalty, and a reminder that if you suddenly get everything you ever wished for, the only thing to do is live happily ever after.

Get Lucky: A Rogue's Tale is the true story of a rogue, sometimes lovable but often otherwise. Paul's mum blamed his reverse Road to Damascus on a meeting between a bubble car and an oak tree. The blue-eyed boy became a rebellious teen, up for mischief and mayhem in the long hot Spanish summers of his misspent youth. It was women, booze and brawls, until one day he hit the big time and nicked a Rubens painting from a Dutch museum. This catapulted him into the louche demi-monde of Sixties Geneva: crooked billionaires, arms dealers, the world of the legendary art forger Elmyr de Hory and his partner in crime, Fernand Legros, a milieu portrayed in Orson Welles' F For Fake. Paul was captured by the French police, but escaped, only to be taken again. This time he was thrown into the notorious Marseilles gaol, Baumettes. He was then imprisoned in Holland, escaping just before the Sixties' end. In 1999, the rogue met his perfect match. He was gaoled for alleged witness intimidation, then freed when the cop pursuing him became the witness' lover. But while he was inside, his bank account was cleaned out by his lawyer and an erstwhile business advisor. It was revenge and retribution as his adversaries lined up: a bunny boiler, a consigliere to the Maltese Mafia, and Alan Bond's fixer. This path would take him from near madness to untold wealth – if he could get lucky and secure the rights to a rogue state's mineral deposits... Life happens to Paul Eagles, especially when he's not looking. Get Lucky: A Rogue's Tale is not a conventional autobiography; it's the tale of someone who hasn't always done the best by his fellow travellers, yet somehow comes up smelling of roses. From brawler to international art thief to successful entrepreneur would satisfy most people, but fate had other plans for Paul Eagles, as Get Lucky becomes a story of betrayal and retribution, often reading more like a novel than a memoir. But it is all true, with even the darkest moments leavened by humour in a book with a cast of real-life characters, many of whom once filled newspaper column inches. It's a quirky and idiosyncratic tale, as much an entertainment as it is the story of one lucky man's unconventional life.

Richard Powell is one of those individuals who is determined to have as many different experiences as possible as he goes through life. He is a hunter and has spent most of his entire adult life broke . having spent his gold on airfares and hunting licenses and guide fees on four continents. Along the way he has met incredibly interesting men and women . experienced African nights . was attacked by an enraged water buffalo in South America, been offered a thousand dollars to shoot poachers in the Chete area of the remote Zambezi Valley, and been really wet and bug bitten during the rainy season near the Matto Grosso. His latest book deals with various sagas including a hunt for water buffalo in Aboriginal country in Northern Australia where an aborigine lady named Maura called him Cartoon Richard . On this hunt the camp cook did her best to starve the paying clients which led to a hissy fit by the New Zealand dude in camp. Being a big man it was a big hissy fit. Off to Africa, a funky little Suzuki named Baby Red with 800,000 km carried Richard and his wife Margaret around safely as they did their best to hunt kudu and gemsbok and warthog and leopard. In Old Montana a hunt for tundra swans with a fine gentleman from Billings led to a morning where one rejoices to be alive . as an ancient man with many ailments refused to . 'go gently into that good night' . He was a hunter-not some old man waiting to die somewhere in an institution. And the major theme of all these adventures is laughter. Maybe different mountains and skies and accents-but always . laughter as things go awry .

Contains all 3 books in the Lucky Series! Lucky Charm Derek Corwin is well aware of the family curse - every Corwin male who married for love would be destined to lose his woman and his fortune. He decides to outsmart the prophesy that has plagued his family for generations by breaking up with his first love—and marrying someone else. Now, divorced and broke, all he has left is his teenage daughter, a boatload of regret ... and wariness when it comes to love. Until Gabrielle Donovan returns, determined to rekindle their passion. Will her stubborn streak and her unwavering love be the lucky charm Derek so desperately needs? Lucky Streak When Mike Corwin awakens after some wild partying in Vegas \$100,000 richer and married to Amber Rose Brennan, the gorgeous woman he met the night before, he thinks he's hit the jackpot. The bad news is that Amber's a con who takes his money and runs. Seems the family jinx has finally hit him. Hard. But to Amber, Mike isn't business as usual. If only she didn't need the money to ensure her father's safety, she might actually have fallen for the intense lawman. Instead, she's forced to betray him. Now Mike's hell-bent on divorce and Amber's on the run...but when a twist of fate reunites them, can they turn their run of bad fortune into a lucky streak that lasts forever? Lucky Break Jason Corwin knows he should resist his attraction to Lauren Perkins. After all, it was one of her ancestors who came up with the curse that has plagued every Corwin male to misery and the single life. But after one night of mind-blowing sex with his supposed—and very seductive—enemy, he can't bring himself to stay away. All Lauren wants is to sell her late grandmother's old house and leave the past behind forever. But that's not an easy thing to do with gorgeous contractor Jason Corwin whispering sweet, sexy somethings in her ear. About staying. Can she be the lucky break that Jason needs?

"A delight to read. Eliot's Old Possum would have enjoyed these Practical Indian Cats." Salman Rushdie In the sequel and conclusion to her critically acclaimed, internationally bestselling novel, The Wildings, Nilanjana Roy takes us back to the Delhi neighbourhood of Nizamuddin, and its unforgettable cats--Mara, Southpaw, Katar, Hulo and Beraal. As they recover slowly from their terrible battle with the feral cats, they find their beloved locality changing around them. Winter brings an army of predators--humans, vicious dogs, snakes, bandicoots--along with the cold and a scarcity of food...Unless Mara can help them find a safe haven, their small band will be wiped out forever. With the assistance of a motley group of friends including Doginder, a friendly stray; Hatch, a cheel who is afraid of the sky; Thomas Mor, an affable peacock; Jethro Tail, the mouse who roared; and the legendary Senders of Delhi, Mara and her band set out on an epic journey to find a place where they can live free from danger.

After an inappropriate email causes Sarah Harper to lose her job, she goes home to Houston to spend Thanksgiving with her sister, Mackie. After years of trying, Mackie has given up on having children. As Mackie prepares to sell the nursery on eBay, Sarah gets an idea that may fix everyone's problems.

In history, many were the kings and emperors that seemed to be lucky in moments that were against all odds. They knew something that others would consider speculation, hallucination, or superstition. There is, however, a science behind their achievements, a science of being lucky. Those who have used it attracted awards and won competitions. For this reason, many were the scientists that decided to research this phenomenon and discover specific patterns that differentiate the lucky ones from the unlucky ones. In this book, you will get the exact formula that can make you a lucky person. This book also offers you several exercises to practice, and that will help you change your mental patterns, so that luck becomes something you naturally attract to your life.

This book has one main idea: you can create your own luck. The combined studies of Social Psychology, Philosophy and Eastern wisdom show that it is possible to make luck and become successful, without worthless charms. For those people who always seem to miss out on good luck, this book has the answers; and the answers are in you. Researching the lives of successful people, and the common traits and the behaviors of lucky and unlucky people gave incredible insights, which are summarized here in a simple, funny and engaging way. The ideas are easy to learn and hard to forget, supported by original drawings to engage both hemispheres of the brain. This book was written by My Luck Generator® team, a group comprised of professional writers, scientists and researchers from all over the world. At the end of the book there is an opportunity to join a unique world first luck generating program.

Sometimes there is more than one way to get lucky... Allison Parker knows winning the New York state lottery is impossible for a retail employee and fashion designer wanna-be who doesn't, uh, play the lottery. But after a particularly bad day at work and a random prediction from a quirky psychic, she does just that, and wins. Money. Lots of it. Marco Lucky is exhausted over his bandmates and their diva antics and is looking for an escape. Yet finding a quiet spot in New York City is damn near impossible and he's already tired of the women hitting on him strictly because he's famous. But then the crazy brunette with the winning lottery ticket tells him exactly what she thinks of him and it isn't flattering. He finds himself determined to get to know her better... a whole lot better and prove he is worth her time. Allison figures it's only fitting that she be the first woman in the history of ever to hit the lottery and score a smoking hot rock star all in one night, only to wake up with her entire life destroyed a mere eighteen hours later when her lottery ticket is missing. Marco's offer of help makes her feel like the biggest lame ass loser ever, and while she can't take his money, she can take a weekend in LA and some smoking hot sex. But that's all it can be with him rich and hitting the road and her hitting the unemployment line. From two different cities, and two different worlds, can Marco and Allison put the issue of money to bed? Because being lucky in love just might be hitting the jackpot after all...
