Caina Amalas is a Ghost nightfighter, an assassin and spy of the Emperor, and her cunning saved the city of Marsis from a brutal invasion. Now she must keep the war from becoming worse. The nobles of the Imperial city of Cyrioch plan to revolt, and assassins stalk the high lords of the Empire. Only Caina stand between the Empire and a ruinous civil war. But Caina faces a far more dangerous enemy than mere assassins. A enemy that whispers from the darkness of her own mind...

In *The Ghost behind the Masks*, W. David Shaw traces Shakespeare's influence on nine Victorian poets: Alfred Lord Tennyson, Robert Browning, Christina Rossetti, Thomas Hardy, Matthew Arnold, Gerard Manley Hopkins, Algernon Swinburne, Arthur Hugh Clough, and George Meredith. Often, he writes, the transparency of Shakespeare's influence on Victorian poets and the degree of their engagement with Shakespeare exist in inverse ratio. Instead of imitating a play by Shakespeare or merely quoting his lines, a Victorian poet may embrace more elusive elements of rhetoric and style, adapting them to his or her own ends. Shaw argues that the most Shakespearean attribute of the Victorian poets is not their addiction to any particular trope or figure of speech but their reticence, the classical restraint of their great monologues, and their sudden descent from grandeur to simplicity. He explores such topics as man-made law versus natural right, Stoic fatalism versus self-reliance, and the sanity of lunatics, lovers, and poets versus the madness of commonplace minds.

Carmela Bertrand knows that Halloween in New Orleans means a week of rabble-rousing, costumed craziness and she cannot wait to get the party started. But when a local antiques dealer turns up dead, Carmela suddenly finds herself in a real-life *danse macabre*.

Caina Amalas is a nightfighter of the Ghosts, the spies and assassins of the Emperor of Nighmar, and through cunning and valor she has cast down both proud lords and mighty sorcerers. But a power darker than any she has ever faced is awakening. When a mad assassin armed with a sorcerous blade rampages through the Emperor's capital, Caina must track the weapon to its origin, a ruined city blighted by the folly of sorcerers, a city that holds weapons far more potent than mere blades. Weapons that can resurrect an ancient empire of dark sorcery to enslave the world anew...

Caina Amalas is a Ghost nightfighter, a spy and agent of the Emperor, and time and time again she has overcome mighty foes through boldness and cunning. But even her boldness might not be enough to stop the coming destruction. A secretive cabal of sorcerers has created a weapon so powerful that its wielder will have dominion over the entire world - and the weapon is for sale to the highest bidder. Unless Caina unravels the sorcerers' secrets, uncounted millions will perish in the weapon's wrath. Starting with her...

You won't believe why the Old Lady swallowed a ghost, a mask, a spider, a flashlight, a cloak, some crows, and a potion! There was an old lady who swallowed a ghost. I don't know why she swallowed a ghost but she didn't boast. Filled with hilarious illustrations and fun rhyming text, this is the latest book in the Old Lady series that's perfect for young readers.

Fourth in the spellbinding Rose series from bestselling UK author Holly Webb, featuring magicians, witches, talking cats, mist-monsters, treacle and friendships. Rose is an orphan with magical powers who follows clues to discover who her real family was. Time has flown since Rose left the orphanage behind for her new family at Mr. Fountain's magical house. But when the stern Miss Fell comes to stay at the mansion, Rose can't help but notice the extra attention Miss Fell gives her. When Rose sees the flash of a face in Miss Fell's mirror—a face that's familiar and foreign at the same time—her suspicions are confirmed that Miss Fell might know more about Rose's past than she's letting on... Can a hidden picture, a silver mirror, and a timid ghost lead Rose to the truth about her family? Praise for Rose: "Warm and sparkling and magical and fun."—Hilary McKay, bestselling author "A book as satisfying and familiar as a cup of hot cocoa."—Shelf Awareness "Magic, mystery, adventure, and friendship—this book has it all. The characters are delightful children, each searching for their special place in the world. I loved the book and would heartily recommend it to kids ages 9 and up, especially to fans of Harry Potter."—Books for Kids

'A perfect story to read now the colder weather is drawing in' - Book Reviews by Claire Do you believe in ghost stories? 'I'm coming to find you, ready or not.' There's not much that scares Annie Graham. Not even the horrors she has witnessed during her years on the police force.

CAINA AMALAS is a Ghost nightfighter, one of the Emperor's elite spies and assassins. And though she remains anonymous, already legends grow around her. Whispers speak of the Ghost nightfighter who stopped the fire of the gods from consuming Rasadda, who defeated sorcerers of terrible power, who liberated slaves and threw down cruel lords. Yet now the storm is coming to claim her... ARK spent five long years hunting for his missing wife and son. Now, at long last, he has found them again. When the storm comes, he will do anything to save them. No matter what the cost to himself... KYLON is a stormdancer of New Kyre, master of the sword, wielder of the sorcery of air and water. The youngest man ever to claim the title of stormdancer, he will fight for the honor of his city and his sister. Even if he is doomed to fail... REZIR SHAHAN is an Emir of Istarinmul, a man of cruelty and power, a tyrant who rules over his slaves with a rod of iron. For too long the commoners of the Empire have defied their rightful masters. When the storm comes, he will teach them to wear a slave's collar... ANDROMACHE is one of the nine archons of New Kyre, her lineage ancient, her authority vast. For the honor of her city, she will

bring the storm of war to the Empire. And when she does, her true master will reward her with dark power beyond imagining.

CAINA AMALAS is out of time. She has risked too much for too long, and her enemies have finally closed around her. The Staff and Seal of Iramis have been found, and threaten to destroy the world with their sorcerous powers. The terrible Apotheosis of the evil Grand Master Callatas will succeed unless Caina makes one final sacrifice. Unless she makes the ultimate sacrifice...

After her estranged brother suddenly dies, a girl embarks on a road trip to rediscover who her brother really was in Vicky Skinner's contemporary YA novel, *We Are the Ghosts*. When Ellie's estranged brother, Luke, dies in a car accident, she's not sure whether to be devastated that she lost the person who was once her best friend or enraged, still, that he left without a word a year ago. Now, the only people who seem to understand what she's going through are Luke's best friend and his ex-girlfriend, who she bonds with over their desire to figure out where Luke went when he walked out of their lives. As she gets closer to them, and closer to Cade, a boy who seems determined to get to know her better, she realizes that she's not the only one with reasons to be angry at Luke. And when Ellie makes a discovery that changes everything, she and her new friends hit the road, hoping that following Luke's trail will bring them answers about the life Luke was living away from them.

"I envy anyone who has yet to enjoy the sexy, eerie, and addictive novels of Jonathan Carroll. They are delicious treats—with devilish tricks inside them."—Michael Dirda, *The Washington Post* Neil Gaiman has written: "Jonathan Carroll has the magic. He'll lend you his eyes, and you'll never see the world in quite the same way ever again." Welcome to the luminous and marvelously inventive world of *The Ghost in Love*. A man falls in the snow, hits his head on a curb, and dies. But something strange occurs: the man doesn't die, and the ghost that's been sent to take his soul to the afterlife is flabbergasted. Going immediately to its boss, the ghost asks, what should I do now? The boss says, we don't know how this happened but we're working on it. We want you to stay with this man to help us figure out what's going on. The ghost agrees unhappily; it is a ghost, not a nursemaid. But a funny thing happens—the ghost falls madly in love with the man's girlfriend, and things naturally get complicated. Soon afterward, the man discovers he did not die when he was "supposed" to because for the first time in their history, human beings have decided to take their fates back from the gods. It's a wonderful change, but one that comes at a price. *The Ghost in Love* is about what happens to us when we discover that we have become the masters of our own fate. No excuses, no outside forces or gods to blame—the responsibility is all our own. It's also about love, ghosts that happen to be gourmet cooks, talking dogs, and picnicking in the rain with yourself at twenty different ages. Stephen King has said that "Jonathan Carroll is as scary as Hitchcock, when he isn't being as funny as Jim Carrey." Jonathan Lethem sees Carroll as the "master of sunlit surrealism." However one regards this beguiling original, two facts are indisputable: It's tough being a ghost on an empty stomach. And *The Ghost in Love* is a triumphant return. Carly Beth thinks she's found the best Halloween mask ever. With yellow-green skin and long animal fangs, the mask terrifies the entire neighbourhood. Before long, it has a surprising effect on Carly Beth, too. She tries to take it off . . . but it won't budge! Halloween is almost over, but fright night is just beginning.

It's a whole new ride from master of horror and bestselling author R.L. Stine--with a story so fiendish that it can't be contained to just one book! What should Carly Beth be for Halloween this year? TERRIFIED! Late at night, an ugly green mask is mysteriously calling out to her, and ugly green masks don't like to be ignored. If Carly Beth survives the night, even a scary theme park might sound like a vacation. Or maybe not! At HorrorLand, every night is Halloween. And those monster masks? They aren't masks.

In a stimulating interchange between feminist studies and biology, Banu Subramaniam explores how her dissertation on flower color variation in morning glories launched her on an intellectual odyssey that engaged the feminist studies of sciences in the experimental practices of science by tracing the central and critical idea of variation in biology. As she shows, the histories of eugenics and genetics and their impact on the metaphorical understandings of difference and diversity that permeate common understandings of differences among people exist in contexts that seem distant from the so-called objective hard sciences. Journeying into areas that range from the social history of plants to speculative fiction, Subramaniam uncovers key relationships between the life sciences, women's studies, evolutionary and invasive biology, and the history of ecology, and how ideas of diversity and difference emerged and persist in each field.

An anthology of more than 80 short horror tales spans more than a century of writing, from the Victorian and Edwardian gothic works of Kipling and Saki, to the pulp era's shock tales by August Derleth and Henry S. Whitehead, to modern pieces by Joyce Carol Oates and Donald E. Westlake. Original. 17,500 first printing.

Six years before she wrote *Little Women*, Louisa May Alcott, in financial straits, entered "Pauline's Passion and Punishment," a novelette, in a newspaper contest. Not only did it win the \$100 prize, but, published anonymously, it marked the first in the series of "blood & thunder tales" that would be her livelihood for years. In *Behind a Mask*, editor Madeleine Stern introduces four Alcott thrillers: "Pauline's Passion and Punishment," "The Mysterious Key," "The Abbot's Ghost," and the title story, "Behind a Mask." First published in one volume in 1975, they are regarded as Alcott's finest work in this genre.

Powers and Johnson are back in the explosive conclusion to the Face of Fear investigation. As the personal lives of the police officers and detectives of the now Priority 1 Task Force seem to be back to normal, behind the scenes, a plot to destroy all those who saved the lives of Rachelle Robinson, Deborah Lance and Lindsey Wilkerson has been planned. The tables get turned when it is discovered there is a link to The Music Club Murders from The Face of Fear Investigation. This link forces Ghost Face to return where he proves that when it comes to revenge there is...no mercy.

The acclaimed and eagerly anticipated fourth thriller in the zombie apocalypse series from the author of Day by Day Armageddon and Day by Day Armageddon: Beyond Exile, for fans of the smash hit show The Walking Dead. In a desperate bid to survive as hordes of bloodthirsty undead now dominate the ravaged U.S. population, a Navy commander discovers an incredible secret about the pandemic in this fourth novel in the acclaimed Day by Day Armageddon series. Task Force Phoenix may be humanity's final hope, and the narrator's agonizing decisions could mean living one more day—or surrendering to the eternal hell that exists between life and death. Ghost Run is a suspenseful, gripping, and intelligent thriller that will terrify die-hard horror fans and reinforce J.L. Bourne's reputation as "the new king of hardcore zombie action" (Brad Thor, author of Act of War).

According to Chinese tradition, those who die hungry or unjustly come back to haunt the living. Some are appeased with food. But not all ghosts are successfully mollified. In this chilling collection of stories, Ying Chang Compestine takes readers on a journey through time and across different parts of China. From the building of the Great Wall in 200 BCE to the modern day of iPods, hungry ghosts continue to torment those who wronged them. At once a window into the history and culture of China and an ode to Chinese cuisine, this assortment of frightening tales—complete with historical notes and delectable recipes—will both scare and satiate!

Like Rip Van Winkle returning to his hometown to find that all has changed, Nathan Zuckerman comes back to New York, the city he left eleven years before. Alone on his New England mountain, Zuckerman has been nothing but a writer: no voices, no media, no terrorist threats, no women, no news, no tasks other than his work and the enduring of old age. Walking the streets like a revenant, he quickly makes three connections that explode his carefully protected solitude. One is with a young couple with whom, in a rash moment, he offers to swap homes. They will flee post-9/11 Manhattan for his country refuge, and he will return to city life. But from the time he meets them, Zuckerman also wants to swap his solitude for the erotic challenge of the young woman, Jamie, whose allure draws him back to all that he thought he had left behind: intimacy, the vibrant play of heart and body. The second connection is with a figure from Zuckerman's youth, Amy Bellette, companion and muse to Zuckerman's first literary hero, E. I. Lonoff. The once irresistible Amy is now an old woman depleted by illness, guarding the memory of that grandly austere American writer who showed Nathan the solitary path to a writing vocation. The third connection is with Lonoff's would-be biographer, a young literary hound who will do and say nearly anything to get to Lonoff's "great secret." Suddenly involved, as he never wanted or intended to be involved again, with love, mourning, desire, and animosity, Zuckerman plays out an interior drama of vivid and poignant possibilities. Haunted by Roth's earlier work The Ghost Writer, Exit Ghost is an amazing leap into yet another phase in this great writer's insatiable commitment to fiction.

Caina is now a Ghost nightfighter, with the cunning of an elite spy and the skill of a master assassin. But this time, it might take more than that to keep her alive. Caina has been sent to hunt a murderous pyromancer, a master of fiery sorcery, and she soon discovers that more is at stake than just a few murders. Because if she doesn't find the pyromancer soon, the entire world might burn. Starting with her...

"Make no mistake about it: Walking with Ghosts is a masterpiece. A book that will wring out our tired hearts. It is by turns poetic, moving, and very funny. You will find it on the shelf alongside other great Irish memoirs including those by Frank McCourt, Nuala O'Faolain and Edna O'Brien." —Colum McCann As a young boy growing up in the outskirts of Dublin, Gabriel Byrne sought refuge in a world of imagination among the fields and hills near his home, at the edge of a rapidly encroaching city. Born to working class parents and the eldest of six children, he harbored a childhood desire to become a priest. When he was eleven years old, Byrne found himself crossing the Irish Sea to join a seminary in England. Four years later, Byrne had been expelled and he quickly returned to his native city. There he took odd jobs as a messenger boy and a factory laborer to get by. In his spare time, he visited the cinema where he could be alone and yet part of a crowd. It was here that he could begin to imagine a life beyond the grey world of 60s Ireland. He reveled in the theatre and poetry of Dublin's streets, populated by characters as eccentric and remarkable as any in fiction, those who spin a yarn with acuity and wit. It was a friend who suggested Byrne join an amateur drama group, a decision that would change his life forever and launch him on an extraordinary forty-year career in film and theatre. Moving between sensual recollection of childhood in a now almost vanished Ireland and reflections on stardom in Hollywood and Broadway, Byrne also courageously recounts his battle with addiction and the ambivalence of fame. Walking with Ghosts is by turns hilarious and heartbreaking as well as a lyrical homage to the people and landscapes that ultimately shape our destinies.

Two creepy castles for the price of one issue! Shaggy poses as a prince to investigate a royal haunting, and a beautiful ghost stalks a castle-turned-hotel.

Caina is a Ghost nightfighter, one of the Emperor's elite spies and assassins, and few enemies of the Empire ever escape her cunning. Yet all Caina's wit and skill might not be enough to save her from a terrible fate. Sent to hunt down a cruel slave trader, Caina encounters something far darker. An ancient evil, a thing of legend and terror. A creature that wants to corrupt her, heart and soul...
