

Gold Nuggets

Two things never change. First, most people have a dream. We want to change the world, to succeed, or to build something that's never been seen before. In addition, we are already feeling the hustle and bustle of life. As a result, many people have given up on their dreams. They've accepted the life of the "good enough." "Nuggets of Gold" is designed to motivate the person "on the go" while never slowing him or her down. It has 101 chapters, each with a nugget of wisdom and a short write-up about it. The reader can complete an entire chapter very quickly and then get on with his or her day.

This inspiring collection of sayings by Sir John Templeton provides a welcoming book for a person seeking deeper meaning in life. Practical and uplifting advice, based on a lifetime of experience, is gathered in an attractive package for one's personal use or as a perfect gift. Juxtaposed to his sayings are short essays that elaborate on the ideas and make them easier to understand and apply. The thoughts are arranged by themes such as thanksgiving, forgiveness, positive thinking, love, humility, and happiness. For young or old, rich or poor, this wisdom will find many applications in people's lives. Some samples of the sayings are: An attitude of gratitude creates blessings. Happiness comes from spiritual wealth, not material wealth. Joy is not in things, but in you. Happiness is always a by-product. The timeless wisdom of Sir John Templeton presented in a beautiful gift book

The first in a series of workbooks integrating social studies with core subjects, Gold Nuggets combines accurate historical information about the California Gold Rush with 4th grade math curriculum. Figure out how many steps miners traveled on the road to California. Calculate the area of an actual mining claim on the Yuba River. Graph the changes in gold prices since the Gold Rush. Students love doing math problems that are REAL-and correspond to events in history that really happened. Each lesson is designed with the student in mind: easy to read directions, with enough space for students to write responses. These activity books have been extensively tested in classroom and homeschool settings--and have received rave reviews from students, parents, and teachers.

100 Gold Nuggets of Wisdom for Christians to Rise Up by Daniel Flagg. This easy reading book offers simple, yet profound teachings and stories based on Christian principles to empower believers - as well as to awaken lost or lukewarm Christians to "Achieve a Richer, Fuller Christian Life."

Golden Nuggets is a collection of stories of the old South, stories of African American communities of the old South, and stories of successful African American youth of the old South. Golden Nuggets talks about four prominent preachers and their positive impact on the development of African Americans in the old South (Dr. Benjamin E. Mays, Dr. Martin Luther King Jr., Dr. William Samuel Mims, and Rev. James Foster Marshall). Golden Nuggets discusses African Americans as patriots. Golden Nuggets discusses some folkways and mores of the old South that affected African Americans. School integration in the old South: was it integration or assimilation? Golden Nuggets gives a review of the Warren Court on integration and "so it is ordered." Supreme Court Justice Thurgood Marshall and his role in changing the old South. The 9/11 New York experience. "Lifting the Veil of Ignorance" in a predominantly black Southern county. What was the New Farmers of America (NFA) organization in South Carolina? What was its impact on African American males of the old South? What was the New Homemakers of America (NHA) organization in South Carolina? What was its impact on African American females of the old South? The play habits of black and white youth in the old South. The "love story" of a Southern rural town. Today's society doesn't know "real poverty." Poems of hope. Lessons learned in the old South for the rearing of children, which may have value today. This is a contemporary work that talks of the old and suggests how some old experiences might help in today's society.

Existence is a constant reminder, according to Osho; one just needs to be sensitive and alert to pick up the messages. The selected quotes in one of Osho's most accessible books create an urgency very much in tune with a growing worldwide awareness that everything is not right with humanity and our beautiful planet Earth. These powerful meditations cover a wide range of subjects including love, death, friendship, and hate; together they remind us that we have only one moment in our hands, and that we must live it or leave it un-lived.

Excerpt from Famous Gold Nuggets of the World In these days of wonderful gold discoveries one is apt to forget the big finds of the past, which set the world wild with excitement and gave such impetus to mining about half a century ago. This brief account of famous gold nuggets will help to revive the memories of the golden days of Australia and California, and to show how history tends to repeat itself in gold mining as well as in other mundane affairs. The data has been gathered from many sources, involving a large amount of research, which extended over the face of the globe. In procuring this information the compiler has corresponded with some two hundred persons, to many of whom he is indebted for whatever credit may be attached to his efforts. He ventures to believe that the result will be found of deep interest to all concerned in mining and mining matters. For much of the material used the compiler is indebted to the Engineering and Mining Journal and American Mining News, of New York; the Mining and Scientific Press, of San Francisco; Mining Reporter, of Denver; Mining Record, of Colorado Springs; the Australian Mining Standard, of Melbourne; Mining and Metallurgical Journal, Los Angeles, California; ex-United States Mining Commissioner R. W. Raymond, and representative mining engineers residing in all parts of the world. With one exception, no mention is made of nuggets found in South America or Mexico, the compiler having been unable to collect reliable data from these countries, excepting as to their gross gold and silver output. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. Golden Nuggets is a compendium of time tested, proven principles and best practices for leadership and management. While all of them have a theoretical basis, they are derived from the author's experience gained over a 45 year professional career with military and industry. They truly are reflections in leadership and management from a real practitioner's perspective. Specific examples of how the principles and best practices were applied are presented, but generic lessons learned are derived that have wide ranging applicability. Leaders and managers at all levels will find this book interesting and a valuable reference.

Three Gold Nuggets is a historical fiction novel set during the California Gold Rush, which tells the story of two brothers and a family developing faith as they overcome adversity and loneliness. The boys, Tyler age thirteen and Henry age eleven, lose their mother to cholera and their father to the seduction of gold fever. The children are sent to live with cruel relatives. A runaway slave helps them escape, and they embark on an action packed adventure to find their father. Their cross country exploits expose them to hostile Indians, bone-bleaching desert heat and gut-wrenching hardships.

When gold was discovered on the Fraser River, the rush was on. By early spring of 1858 the need for shelter, food, rest stops and stores became very apparent, as miners and would-be-miners made their way up into the hinterland. From Yale to Barkerville, roadhouses sprung up along the Cariboo's gold-rush trail. From their crude beginning, the roadhouses soon grew to be more than just stopovers. The roadhouses are gone, but the communities, villages, towns and cities remain. Golden Nuggets, with pictures and written text, brings the roadhouses back to life and gives us a glimpse of yesterday.

You get a detailed blueprint for every phase of the deal ... even if you can't spell "real estate" yet, you'll be quickly selling properties like an old pro. Our secret *Accelerator System* that takes you from one or two closings per month to five, eight, ten, ... or more!
