A Real-Life Field Guide to Doing What Jesus Did The things Jesus did are not just for Bible times. They are for today. For everyone. Chicagoland pastor Robby Dawkins sees this again and again in his ministry to hurting people and even to gang members. Everyday people are seeing God's power unleashed through simple faith in God's Word; they are healing the sick, routing demons, and making a dynamic impact for the Kingdom of God. But many other believers are missing out, unaware that they have far more power and authority than they realize. Dawkins shares dynamic, real-life instruction and amazing stories from the front lines of ministry, showing that believers carry the authority of the Son of God and the power of the Holy Spirit wherever they are. When we walk in the presence and authority of God, we will do what Jesus did.

There is no question the world is fractured. Nations, families, and individuals all experience a broken and fallen world in which Satan maintains strongholds of power. But believers are to become free, whole, and mature in Christ. John Loren Sandford and Mark Sandford bring understanding and reconciliation between the disciplines of deliverance and inner healing. They correct misunderstandings, identify abuses, and present direction for using both ministries effectively. With clear, informative chapters and multiple appendixes full of scriptural references, Deliverance and Inner Healing is the one-stop source for both theoretical and practical application of deliverance and inner healing today. Bestselling Author Inspires Prayer for the Impossible Called foundational, revolutionary, illuminating, and motivating, Intercessory Prayer continues to be a classic work after more than 20 years. This rich, biblical teaching is full of fresh insights showing how vital our prayers are and how God has always planned to work in partnership with us through prayer. As Dutch explains the nuts and bolts of prayer with wisdom, gentleness, and humor, readers will find inspiration and courage to pray for the impossible--and the persistence to see prayers to completion. A workbook and 8-session DVD are also available, making this book ideal for small groups, church classes, or individuals who want to go deeper on their own.

The Lord Jesus intended for every person who believed in Him to do the works He did and even greater works (John 14:12). The Lord desires to see every child of His, young and old, moving in the power of His Spirit, in the authority of Jesus' name, doing the works of the Father, so that people will know and experience the living Jesus in their lives! This book will equip you to minister healing and deliverance in Jesus' name! Watch our online Sunday Church service live stream every Sunday at 10:30am (Indian Time, GMT+5:30). Bestselling Author Shows How to Access the Power of the Holy Spirit The majority of Christians understand grace as not getting the judgment they deserve and receiving the eternal life they don't deserve. But the greatness of God's grace and his salvation are far more than what most of us have come to expect! Here Randy Clark shares what that "more" is--more love for God and others, more power, more joy, more faith, more results in prayer--and how believers can experience God's empowering presence in their lives to do more than they ever imagined. "More" is not only biblical, explains Clark, but essential for greater fruitfulness in ministry and for serving in the kingdom of God with joy and effectiveness.

Health is something everyone wants. Billions of dollars are spent each year trying to retain or restore health. It is a basic desire of all mankind. Anyone who likes sickness must be mentally sick! Yet, religion has told us that God is the one who wants us sick. It even tries to make us believe that sickness is a blessing. That's just not true. God wants you well. Healing is in Christ's Atonement. Jesus died for our health just as much as He died for the forgiveness of our sins. This has to be the foundation of our faith for healing. Many Scriptures relate the healing of our bodies and the forgiveness of our sins in the same verse. Jesus went about healing all who were oppressed of the devil and told us to do the same. Jesus hasn't changed, it's the people who represent Him who have changed. What about Paul's thorn in the flesh? It is commonly believed that the apostle Paul had a sickness for which he besought the Lord for healing three times, and the Lord wouldn't heal him. From that assumption, people teach that God sometimes wants us sick. In this book, Andrew reveals what Paul's thorn in the flesh was, and it wasn't sickness. If it is God's will to heal everyone, then why isn't everyone healed? It's not because of God. And it's not just because we don't have enough faith. We do have the faith to be healed. Jesus said the problem is our unbelief - unbelief cancels out faith. Instead of trying to get more faith or bigger faith, we just need a pure faith that isn't negated by unbelief. There are laws that govern the spiritual world just as there are laws that govern the physical realm. Electricity has been around since the beginning of the world, but mankind didn't benefit from electricity until recently, not because it didn't work, but because of our ignorance of the laws of electricity. Likewise, God's healing is here and available. It's only our ignorance of the laws which control the flow of God's power that keeps us from benefiting from it.

We need a big surge of love! The world is in serious trouble. Mass violence, the dissolution of the family, crime, poverty, and moral decay are rooted in the breakdown of love relationships with God, family and others. Honest leaders have become painfully aware that institutional church programs are falling short in solving these problems. Therefore, this training manual proposes the biblical strategies which will actually affect change in people and culture. It is all about igniting much more love! The church is to be the primary catalyst for bringing the kingdom of God on earth. This is a field manual to help us advance Christ's kingdom. God is a Father, Son and Spirit - a Family of Three, yet One. Therefore, He will only build His kingdom in congruence to His own nature, which is the Trinitarian pattern of family. This training manual is all about how to make vibrant disciples of Christ, sons and daughters, in the context of small spiritual families on mission. It is about producing eternal fruit by creating a disciple-making culture resulting in generational transfer. Church leaders are desperately searching for ways, to stop the mass exodus of believers from leaving "organized religion." This decline in church participation is a result of a lack of relational love and intimacy. Micro-Church families are the most effective way to help people connect meaningfully with God and with one another. Caring leaders are looking for biblical solutions to

real problems. How do we inspire loving community among our members? How can we be more effective at healing the sick and the broken-hearted? how do we train and mobilize our churches to reach the lost with the gospel? How can we infiltrate and incarnate God's love in all spheres of society - the "seven mountains" of influence? Fortunately, the Bible tells us the answers. Jesus modeled the way. Just like the early church, who met house to house, we can form dynamic small spiritual families that make disciples, provide inner healing and reach out to neighbors.

Can God really use me? Amazement! That is the reaction of many who have experienced the power of God while praying for healing for the sick. Charles and Frances Hunter discovered the keys to healing found in the Bible and through the innovations of medical science. You will find that God can use you to bring healing and help to family, friends, and literally everyone you come in contact with. No longer will you have to stand by, helpless, when people are hurting.

In a candid discussion, two well-known faith healers talk about why they entered the healing ministry, their early setbacks, the most amazing miracles they have seen, advice for prospective faith healers and more. Original.

What does it mean to pursue an intimate relationship with God? intimacy, obedience, and the miraculous as a blueprint for all believers. Combining sound biblical teaching with keen insight and compelling personal accounts from others, Dr. Clark invites us to go deeper by exploring the following questions: How do we achieve true intimacy in our relationship with God? What does it mean to express faith that results in the miraculous? What does the Bible say about the balance between obedience and grace? A clear understanding of the integral relationship between intimacy and obedience provides a framework in today's world for glorifying God, particularly through the miraculous, as Dr. Clark has so profoundly demonstrated during his many years of ministry. He longs for you to renew your knowledge of God's deep love for His children and how fervently God desires a life of intimate friendship with you.

I have recently finished the English version of my "Healing School Training Manual" called "Healing in the name of Jesus," which I have completed under the inspiration of the moving of God the Father. At the beginning of 2013 I was made our church's first ever "Healing Team Leader." As a result of this new leadership responsibility I was keen to get everyone on the healing team "on the same page" so to speak. I have read many healing and deliverance books by Randy Clark, Bill Johnson, Andrew Wommack, Bill and Carol Dew and Gary Oates. I have also watched countless hours of Todd White, Heidi Baker, Tom Fischer, and Randy Clark etc. on YouTube and listened to hundreds of hours of CD teaching about healing by Randy Clark, Bill Johnson, Todd Bentley, as well as Bill and Carol Dew etc. etc. As a result I have collected together all the essential points I have learned from these great men and women of God into this book "Healing in the name of Jesus." These include the Biblical Basis for Healing, Words of Knowledge, the Five Step Healing Model, Principles of Faith, how to be a good catcher and how to work with translators; plus much more. I have been invited several times to teach from my book and on the subject of the Holy Spirit at my church's "Alpha Course," as well as recently as a seminar at our church's international youth conference called, "Jesus Live!" I also teach at

my church's Bible school a couple of times a year on healing, using my book as the main source of material. I have ministered in Healing in many conferences over the years in the UK, mainland Europe, the USA, Colombia with Gary Oates and "Global Awakening" in Brazil with Dr. Randy Clark. Remember, this book is meant to be a "Beginners manual" to get people started in the healing ministry and so I have, of course, left a lot of stuff out that would not be relevant to this level of teaching on the subject. My heart is to see "The Great Commission" fulfilled; to see believers equipped for ministry in healing, words of knowledge and to use these not only in the church, but in evangelism. The German title of this book is "Heilung in Jesu Namen." To Jesus be all the Glory!

Missionary Leaders Reveal Behind-the-Scenes Glimpses from Africa Continuing where their book Expecting Miracles left off, this narrative draws from the last five years of the life of Iris Ministries. Woven alongside fascinating narrative from Mozambique is teaching from Heidi and Rolland that communicates the distilled wisdom about the heart of the Gospel from all their years of serving the poor. More than any of their previous books, this one has the most to say about what Rolland and Heidi have learned about love--whether in Africa or wherever home might be: finding intimacy with Jesus, concentrating on the humble and lowly, being willing to suffer for love's sake, finding God's supply of utterly needed miracles, and walking in the unquenchable joy of the Lord. Every reader will find incredible challenge and refreshment in these pages.
