

How Many Words In A 5 Page Paper

You'll want to have this invaluable resource at your side every time you set up the board to play.

The number one New York Times bestselling author offers an irresistible combination of sensuality and charismatic characters in this duo of her earlier hard-to-find full-length novels: *A Will and a Way* and *Boundary Lines*. Reissue. Choosing a publisher for your book isn't easy. Why? Because you're bombarded with misleading advertising, confusing claims, and simply bad information from "lowest-priced" service providers and high-pressure salespeople. How do you find a qualified, competent, and professional book publishing service? You start by reading this consumer guide. In this fact-filled report you'll discover the three different kinds of publishing (and how to decide which method is right for you), five costly misconceptions about publishing a book, and nine critical mistakes to avoid when choosing a publishing service. We created this guide to help you better understand the fast-changing world of publishing. Using this information, you can make an informed, intelligent decision that will help make your next publishing project a success!

No other narrative from within the corridors of power has offered as frank and intimate an account of the making of the modern Chinese nation as Ji Chaozhu's *The Man on Mao's Right*. Having served Chairman Mao Zedong and the Communist leadership for two decades, and having become a key figure in China's foreign policy, Ji now provides an honest, detailed account of the personalities and events that shaped today's People's Republic. The youngest son of a prosperous government official, nine-year-old Ji and his family fled Japanese invaders in the late 1930s, escaping to America. Warmly received by his new country, Ji returned its embrace as he came of age in New York's East Village and then attended Harvard University. But in 1950, after years of enjoying a life of relative ease while his countrymen suffered through war and civil strife, Ji felt driven by patriotism to volunteer to serve China in its conflict with his adoptive country in the Korean War. Ji's mastery of the English language and American culture launched his improbable career, eventually winning him the role of English interpreter for China's two top leaders: Premier Zhou Enlai and Party Chairman Mao Zedong. With a unique blend of Chinese insight and American candor, Ji paints insightful portraits of the architects of modern China: the urbane, practical, and avuncular Zhou, the conscience of the People's Republic; and the messianic, charismatic Mao, student of China's ancient past—his country's stern father figure. In Ji's memoir, he is an eyewitness to modern Chinese history, including the Great Leap Forward, the Cultural Revolution, the Nixon summit, and numerous momentous events in Tiananmen Square. As he becomes caught up in political squabbles among radical factions, Ji's past and charges against him of "incorrect" thinking subject him to scrutiny and suspicion. He is repeatedly sent to a collective farm to be "reeducated" by the peasants. After the Mao years, Ji moves on to hold top diplomatic posts in the United States and the United Kingdom and then serves as under secretary-general of the United Nations. Today, he says, "The Chinese know America better than the Americans know China. The risk is that we misperceive each other." This highly accessible insider's chronicle of a struggling people within a developing powerhouse nation is also Ji Chaozhu's dramatic personal story, certain to fascinate and enlighten Western readers. A riveting biography and unique historical record, *The Man on Mao's Right* recounts the heartfelt struggle of a man who loved two powerful nations that were at odds with each other. Ji Chaozhu played an important role in paving the way for what is destined to be known as the Chinese Century. Praise for *The Man on Mao's Right* "Brave, beautifully written testimony . . . A true "fly-on-the-wall" account of the momentous changes in Chinese society and international relations over the last century." --Kirkus Reviews "It is a relief to read an account by an urbane and often witty insider who neither idolizes nor demonizes China's top leaders . . . Highly recommended." —Library Journal, starred review

A New York Times bestselling series A USA TODAY bestselling series A California Young Reader Medal-winning series In this unforgettable seventh book in the *Keeper of the Lost Cities* series, Sophie must let the past and present blur together, because the deadliest secrets are always the ones that get erased. Sophie Foster doesn't know what—or whom—to believe. And in a game with this many players, the worst mistake can be focusing on the wrong threat. But when the Neverseen prove that Sophie's far more vulnerable than she ever imagined, she realizes it's time to change the rules. Her powerful abilities can only protect her so far. To face down ruthless enemies, she must learn to fight. Unfortunately, battle training can't help a beloved friend who's facing a whole different danger—where the only solution involves one of the biggest risks Sophie and her friends have ever taken. And the distraction might be exactly what the villains have been waiting for.

In this gripping #1 New York Times bestseller from Queen of Suspense Mary Higgins Clark, a Manhattan ER doctor is brazenly murdered in front of his young son in a city playground. Five years later, his killer is still at large. When Laurie Moran's husband was brutally murdered, only three-year-old Timmy saw the face of his father's killer. Five years later his piercing blue eyes still haunt Timmy's dreams. Laurie is haunted by more—the killer's threat to her son as he fled the scene: "Tell your mother she's next, then it's your turn..." Now Laurie is dealing with murder again, this time as the producer of a true-crime, cold-case television show. The series will launch with the twenty-year-old unsolved murder of Betsy Powell. Betsy, a socialite, was found suffocated in her bed after a gala celebrating the graduation of her daughter and three friends. The sensational murder was news nationwide. Reopening the case in its lavish setting and with the cooperation of the surviving guests that night, Laurie is sure to have a hit on her hands. But when the estranged friends begin filming, it becomes clear each is hiding secrets...small and large. And a pair of blue eyes is watching events unfold, too...

An international tour of words that have shaped the English language explores the etymology of words such as paradise, siesta, geyser, justice, tattoo, and zombie, revealing their often fascinating origins in foreign cultures.

Take your fiction to the next level! Maybe you're a first-time novelist looking for practical guidance. Maybe you've already been published, but your latest effort is stuck in mid-list limbo. Whatever the case may be, author and literary agent

Donald Maass can show you how to take your prose to the next level and write a breakout novel - one that rises out of obscurity and hits the best-seller lists. Maass details the elements that all breakout novels share - regardless of genre - then shows you writing techniques that can make your own books stand out and succeed in a crowded marketplace. You'll learn to:

- establish a powerful and sweeping sense of time and place
- weave subplots into the main action for a complex, engrossing story
- create larger-than-life characters that step right off the page
- explore universal themes that will interest a broad audience of readers
- sustain a high degree of narrative tension from start to finish
- develop an inspired premise that sets your novel apart from the competition

Then, using examples from the recent works of several best-selling authors - including novelist Anne Perry - Maass illustrates methods for upping the ante in every aspect of your novel writing. You'll capture the eye of an agent, generate publisher interest and lay the foundation for a promising career.

A girl and her mother wade in the sea by moonlight. This peaceful first-person narrative is simply told and its illustrations are dark and misty, yet joyful. Ages 3-up.

NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY, BUZZFEED, AND SHELF AWARENESS** "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender's Game*. . . . [*Red Rising*] has everything it needs to become meteoric."—Entertainment Weekly "Ender, Katniss, and now Darrow."—Scott Sigler "Red Rising is a sophisticated vision. . . . Brown will find a devoted audience."—Richmond Times-Dispatch Don't miss any of Pierce Brown's *Red Rising Saga*: **RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE**

An essential guide for writers and readers alike, here is Smiley's great celebration of the novel. As she embarks on an exhilarating tour through one hundred titles—from classics such as the thousand-year-old *Tale of Genji* to recent fiction by Zadie Smith and Alice Munro—she explores the power of the form, looking at its history and variety, its cultural impact, and just how it works its magic. She invites us behind the scenes of novel-writing, sharing her own habits and spilling the secrets of her craft, and offering priceless advice to aspiring authors. Every page infects us anew with the passion for reading that is the governing spirit of this gift to book lovers everywhere.

In this #1 New York Times bestseller, Nora Roberts delves into the world of elite firefighters who thrive on danger and adrenaline—men and women who wouldn't know how to live life if it wasn't on the edge. Little else in life is as dangerous as fire jumping. But there's also little else as thrilling—at least to Rowan Tripp. Being a Missoula smoke jumper is in Rowan's blood: her father is a legend in the field. At this point, returning to the wilds of Montana for the season feels like coming home—even with reminders of the partner she lost last season still lingering in the air. One of the best of this year's rookie crop, Gulliver Curry is a walking contradiction, a hotshot firefighter with a big vocabulary and a winter job at a kids' arcade. And though Rowan, as a rule, doesn't hook up with other smoke jumpers, Gull is convinced he can change her mind... But everything is thrown off balance when a dark presence lashes out against Rowan, looking to blame someone for last year's tragedy. Rowan knows she can't complicate things with Gull—any distractions in the air or on the ground could be lethal. But if she doesn't find someone she can lean on when the heat gets intense, her life may go down in flames.

Harry Potter and the Deathly Hallows is the seventh and final novel of the *Harry Potter* series, written by British author J. K. Rowling. The book was released on 21 July 2007 by Bloomsbury Publishing in the United Kingdom, in the United States by Scholastic, and in Canada by Raincoast Books, ending the series that began in 1997 with the publication of *Harry Potter and the Philosopher's Stone*. The novel chronicles the events directly following *Harry Potter and the Half-Blood Prince* (2005), and the final confrontation between the wizards Harry Potter and Lord Voldemort. Rowling finished writing *Harry Potter and the Deathly Hallows* in January 2007. Before its release, Bloomsbury reportedly spent 10 million to keep the book's contents safe before its release date. American publisher Arthur Levine refused any copies of the novel to be released in advance for press review, although two reviews were submitted early. Shortly before release, photos of all 759 pages of the U.S. edition were leaked and transcribed, leading Scholastic to look for the source that had leaked it. Released globally in 93 countries, *Deathly Hallows* broke sales records as the fastest-selling book ever, a record it still held in 2012.[3] It sold 15 million copies in the first 24 hours following its release, including more than 11 million in the U.S. and UK alone. The previous record, 9 million in its first day, had been held by *Harry Potter and the Half-Blood Prince*. The novel has also been translated into over 120 languages."

A former newspaper and magazine editor and television news producer looks back on his career and discusses the differences between the two media

The brief word-histories in this book are meant to provide background on some words that everyone learns when they study Latin, as well as some rarer terms that have interesting stories to tell about Roman culture. This book lists a new word or phrase that came into American English every year from 1975 to 1998, with a selection of early additions from 1497 to 1750, and discusses the history behind the adoption of each. Teachers and students of Latin can benefit from the slightly more formal, but still

anecdotal, approach taken here to some key words in the Latin lexicon.

This volume will mark a new trend in dealing with women's varied experiences of life: individual introductions situate the narrator in a context – and then her voice takes over, with no intervention from the editors (except to provide footnotes wherever necessary). The personal narrative — be it an autobiography, a letter or a diary — has come to be recognised as an acceptable data source in history and social science. Literary critics and students of literature too find considerable use in reading the personal writings of poets, fiction and crime writers. In this book, readings of personal narratives help in painting various images of lives that we can only know at second hand. The *mélange* includes memoirs, published articles, 'portraits from memory', a collection of essays, and an oral interview. In all, the self was the focus. The writings of Sailabala, Li Gotami, and Shakuntala go beyond a recounting of their lives and deal with spiritual and travel experiences. Three of the essays are excerpts from published autobiographies — Sarala Devi Chaudhurani's *Jeevaner Jharapata* (Life's Fallen Leaves), Kalpana Dutt's *Reminiscences* and Sailabala Das's *A Look Before and After*. Vidyagauri Nilkanth's writings are essays and a selection of amazingly candid letters exchanged with her husband. Anasuya Sarabahi's is an interview in Gujarati with niece Gira and Monica's a selection from an unpublished memoir. Li Gotami, whose original name was Ruddy Petit, travelled to Manasarovar, and a few of the magazine articles on this amazing journey have been reproduced here. Whichever form a woman chooses, writing about her self, is emancipatory; she may be a person who has so far received little attention from the family or the world. Or she may be one who is a well-known public figure – yet little is known about her childhood. So she writes about many selves – life is not about one coherent self but rather one of many lives and experiences. In other words,

This book presents a unique historical view of American English. It chronicles year by year the contributions Americans have made to the vocabulary of English and the words Americans have embraced through the evolution of the nation. For important years from the settlement of Jamestown until 1750, and for every year from 1750 through 1998, a prominent word is analyzed and discussed in its historical context. The result is a fascinating survey of American linguistic culture through past centuries. The authors -- both lifelong students of American English -- bring great depth of understanding to these key words that have made America, and American English, what they are today. Do you have a hundred notebooks filled with scribbled numbers? 500 here, 1.5k there... it all blends into a pile of scrap paper eventually. But what if I told you there was another way? The Word Count Tracker is a simple solution to get those words accounted for. Is it essential track your written words as a writer? Of course not. But keeping an eye on your daily word count can be great motivation and useful for productivity too. This planner contains: A yearly colour coded chart to mark every single daily word total. If you want a way to see your productivity at a mere glance, you'll love this. 3 pages to track your total word count. Choose how many words each box represents and mark them off as you go. 5 pages to write down your book goals. How many words long is the work in progress? What's the working title? Start date? Estimated end date? How many words completed? Progress at a glance for up to 5 books. 12 Monthly word counts - with a box for each daily word total. 366 Daily sprint boxes to track the time put in, and words conjured up. 10 notes pages, just in case. This word tracker is a fantastic gift for yourself or an author friend you love to support. Pick one up today!

Find as many words as you can. The letters forming the word can be connected in any direction but must be in the correct order and only used once. ? BEST GIFT IDEA FOR BOGGLE LOVER? We've done our best to make sure no inappropriate words accidentally make their way into these puzzles (if you happen to find one, please let us know right away so we can fix it).

As teachers grapple with the challenge of a new, bigger and more challenging school curriculum, at every key stage and phase, success can feel beyond our reach. But what if there were 50,000 small solutions to help us bridge that gap? In *Closing the Vocabulary Gap*, Alex Quigley explores the increased demands of an academic curriculum and how closing the vocabulary gap between our 'word poor' and 'word rich' students could prove the vital difference between school failure and success. This must-read book presents the case for teacher-led efforts to develop students' vocabulary and provides practical solutions for teachers across the curriculum, incorporating easy-to-use tools, resources and classroom activities. Grounded in the very best available evidence into reading development and vocabulary acquisition, *Closing the Vocabulary Gap* sets out to: help teachers understand the vital role of vocabulary in all learning; share what every teacher needs to know about reading (but was afraid to ask); unveil the intriguing history of words and exactly how they work; reveal the elusive secrets to achieve spelling success; provide strategies for vocabulary development for all teachers of every subject and phase. With engaging anecdotes from the author's extensive personal teaching experience woven throughout, as well as accessible summaries of relevant research, Alex Quigley has written an invaluable resource suitable for classroom teachers across all phases, literacy leaders and senior leadership teams who wish to close the vocabulary gap.

A collection of poetry in five sections: Life & Death; Love & Romance; Sonnets; Song Lyrics; and Stories. The author favors metered rhyme, especially in the classical style, as opposed to prose. They cover the full range of emotions and there is something here for everyone.

In this second and highly anticipated follow-up anthology to "Talking of Nature and Other Subjects" Arra Lindemann has once again pushed the boundaries of modern poetry. Her use of language and raw emotions have come together beautifully. This book has been described as "Deeply touching" "Beautiful" "A roaring success" and "Simply stunning" by readers.

This unique writing book consists of a series of attractive stories in which many of the words appear in music notation so that the student will need to read notes in order to understand the story. Much of the subject matter is based on fact or interesting American legends and historical figures. This spelling book is suitable for elementary-level students in their first or second year of study. The stories provide the means of drilling students on note reading in both a fun and motivating way. Also available: John W. Schaum Music History Speller (EL01030A).

Shantaram introduced millions of readers to a cast of unforgettable characters in the hidden heart of Bombay through Lin, an Australian fugitive, working as a passport forger for a branch of the Bombay mafia. In *The Mountain Shadow*, the long awaited sequel, Lin must find his way in a Bombay run by a different generation of mafia dons, playing by a different set of rules. It has been two years since the events in *Shantaram*, and since Lin lost two people he had come to love: his father figure, Khaderbhai, and his soul mate, Karla, married to a handsome Indian media tycoon. Lin returns from a smuggling trip to a city that seems to have changed too much, too soon. Many of his old friends are long gone, the new mafia leadership has become entangled in increasingly violent and dangerous intrigues, and a fabled holy man challenges everything that Lin thought he'd learned about love and life. But Lin can't leave the Island City: Karla, and a fatal promise, won't let him go.

The definitive translation by Dick Davis of the great national epic of Iran—now newly revised and expanded to be the most complete English-language edition A Penguin Classic Dick Davis—"our pre-eminent translator from the Persian" (*The Washington Post*)—has revised and expanded his acclaimed translation of Ferdowsi's masterpiece, adding more than 100 pages of newly translated text. Davis's elegant combination of prose and verse allows the poetry of the *Shahnameh* to sing its own tales directly, interspersed sparingly with clearly marked explanations to ease along modern readers. Originally composed for the Samanid princes of Khorasan in the tenth century, the *Shahnameh* is among the greatest works of world literature. This prodigious narrative tells the story of pre-Islamic Persia, from the mythical creation of the world and the dawn of Persian civilization through the seventh-century

Arab conquest. The stories of the Shahnameh are deeply embedded in Persian culture and beyond, as attested by their appearance in such works as *The Kite Runner* and the love poems of Rumi and Hafez. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

My true name is so well known in the records or registers at Newgate, and in the Old Bailey, and there are some things of such consequence still depending there, relating to my particular conduct, that it is not to be expected I should set my name or the account of my family to this work; perhaps, after my death, it may be better known; at present it would not be proper, no not though a general pardon should be issued, even without exceptions and reserve of persons or crimes. It is enough to tell you, that as some of my worst comrades, who are out of the way of doing me harm (having gone out of the world by the steps and the string, as I often expected to go), knew me by the name of Moll Flanders, so you may give me leave to speak of myself under that name till I dare own who I have been, as well as who I am. I have been told that in one of neighbour nations, whether it be in France or where else I know not, they have an order from the king, that when any criminal is condemned, either to die, or to the galleys, or to be transported, if they leave any children, as such are generally unprovided for, by the poverty or forfeiture of their parents, so they are immediately taken into the care of the Government, and put into a hospital called the House of Orphans, where they are bred up, clothed, fed, taught, and when fit to go out, are placed out to trades or to services, so as to be well able to provide for themselves by an honest, industrious behaviour. Had this been the custom in our country, I had not been left a poor desolate girl without friends, without clothes, without help or helper in the world, as was my fate; and by which I was not only exposed to very great distresses, even before I was capable either of understanding my case or how to amend it, but brought into a course of life which was not only scandalous in itself, but which in its ordinary course tended to the swift destruction both of soul and body. But the case was otherwise here. My mother was convicted of felony for a certain petty theft scarce worth naming, viz. having an opportunity of borrowing three pieces of fine holland of a certain draper in Cheapside. The circumstances are too long to repeat, and I have heard them related so many ways, that I can scarce be certain which is the right account.

"It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured." So begins this epic, mesmerizing first novel by Gregory David Roberts, set in the underworld of contemporary Bombay. *Shantaram* is narrated by Lin, an escaped convict with a false passport who flees maximum security prison in Australia for the teeming streets of a city where he can disappear. Accompanied by his guide and faithful friend, Prabaker, the two enter Bombay's hidden society of beggars and gangsters, prostitutes and holy men, soldiers and actors, and Indians and exiles from other countries, who seek in this remarkable place what they cannot find elsewhere. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in one of the city's poorest slums, and serving his apprenticeship in the dark arts of the Bombay mafia. The search leads him to war, prison torture, murder, and a series of enigmatic and bloody betrayals. The keys to unlock the mysteries and intrigues that bind Lin are held by two people. The first is Khader Khan: mafia godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City. The second is Karla: elusive, dangerous, and beautiful, whose passions are driven by secrets that torment her and yet give her a terrible power. Burning slums and five-star hotels, romantic love and prison agonies, criminal wars and Bollywood films, spiritual gurus and mujaheddin guerrillas---this huge novel has the world of human experience in its reach, and a passionate love for India at its heart. Based on the life of the author, it is by any measure the debut of an extraordinary voice in literature.

A tiny American town's plans for radical self-government overlooked one hairy detail: no one told the bears. Once upon a time, a group of libertarians got together and hatched the Free Town Project, a plan to take over an American town and completely eliminate its government. In 2004, they set their sights on Grafton, NH, a barely populated settlement with one paved road. When they descended on Grafton, public funding for pretty much everything shrank: the fire department, the library, the schoolhouse. State and federal laws became meek suggestions, scarcely heard in the town's thick wilderness. The anything-goes atmosphere soon caught the attention of Grafton's neighbors: the bears. Freedom-loving citizens ignored hunting laws and regulations on food disposal. They built a tent city in an effort to get off the grid. The bears smelled food and opportunity. *A Libertarian Walks Into a Bear* is the sometimes funny, sometimes terrifying tale of what happens when a government disappears into the woods. Complete with gunplay, adventure, and backstabbing politicians, this is the ultimate story of a quintessential American experiment -- to live free or die, perhaps from a bear.

Almost every New Years Day since 1974, Wayne Hughes set down on paper his take on some of the most important issues facing modern life. These essays were not written for publication, but as true correspondence with a circle of friends from many walks of life. Wayne's hope was that a dialog would ensue in which everyone, including himself, would learn something new in the New Year. The topics are diverse: touching politics, faith, society, war, family and human nature. Wayne's self-imposed rule was that they be written in one sitting, but they are far from spontaneous outbursts of opinion or perfunctory pabulum. His clear prose and thoughtful analysis leads the reader through even the most contentious topics so that even if one disagrees with his destination, you can't help but respect the fairness and balance you met on the journey. *Too-Many-Words* also includes a selection from Wayne's other writings speeches, stories, technical analyses and letters.

The long-awaited magnum opus from Haruki Murakami, in which this revered and bestselling author gives us his hypnotically addictive, mind-bending ode to George Orwell's 1984. The year is 1984. Aomame is riding in a taxi on the expressway, in a hurry to carry out an assignment. Her work is not the kind that can be discussed in public. When they get tied up in traffic, the taxi driver suggests a bizarre 'proposal' to her. Having no other choice she agrees, but as a result of her actions she starts to feel as though she is gradually becoming detached from the real world. She has been on a top secret mission, and her next job leads her to encounter the superhuman founder of a religious cult. Meanwhile, Tengo is leading a nondescript life but wishes to become a writer. He inadvertently becomes involved in a strange disturbance that develops over a literary prize. While Aomame and Tengo impact on each other in various ways, at times by accident and at times intentionally, they come closer and closer to meeting. Eventually the two of them notice that they are indispensable to each other. Is it possible for them to ever meet in the real world? A monumentally devastating plague leaves only a few survivors who, while experiencing dreams of a battle between good and evil, move toward an actual confrontation as they migrate to Boulder, Colorado.

The interesting situation differentiating humans from other animals - coherent written and spoken language, in the form of words - is a conundrum found baffling to many among humankind, especially given the success of the animal kingdom without ostensible recourse to them. The very fact underscoring the claim to some inherent superiority often put forward by homo sapiens, somehow positing a link between words and rationality, in reality has led our common home, Planet Earth, to the brink of catastrophe. With "Too Many Words", hopefully using just the right amount of them, Jamie Shaw presents his own story, reaching back into dubious beginning, but making the case for his own and the Earth's love in times to come...

Anagram Solver is the essential guide to cracking all types of quiz and crossword featuring anagrams. Containing over 200,000 words and phrases, Anagram Solver includes plural noun forms, palindromes, idioms, first names and all parts of speech. Anagrams are grouped by the number of letters they contain with the letters set out in alphabetical order so that once the letters of an anagram are arranged alphabetically, finding the solution is as easy as locating the word in a dictionary.

Featuring essays, poetry, and fiction, this insightful anthology delves into global problems such as the endangered planet and the effects of war and hate as well as individual struggles like the death of a loved one and the consequences of aging and illness.

There is a distinct hint of Armageddon in the air. According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (recorded, thankfully, in 1655, before she blew up her entire village and all its inhabitants, who had gathered to watch her burn), the world will end on a Saturday. Next Saturday, in fact. So the armies of Good and Evil are amassing, the Four Bikers of the Apocalypse are revving up their mighty hogs and hitting the road, and the world's last two remaining witch-finders are getting ready to fight the good fight, armed with awkwardly antiquated instructions and stick pins. Atlantis is rising, frogs are falling, tempers are flaring. . . . Right. Everything appears to be going according to Divine Plan. Except that a somewhat fussy angel and a fast-living demon -- each of whom has lived among Earth's mortals for many millennia and has grown rather fond of the lifestyle -- are not particularly looking forward to the coming Rapture. If Crowley and Aziraphale are going to stop it from happening, they've got to find and kill the Antichrist (which is a shame, as he's a really nice kid). There's just one glitch: someone seems to have misplaced him. . . . First published in 1990, Neil Gaiman and Terry Pratchett's brilliantly dark and screamingly funny take on humankind's final judgment is back -- and just in time -- in a new hardcover edition (which includes an introduction by the authors, comments by each about the other, and answers to some still-burning questions about their wildly popular collaborative effort) that the devout and the damned alike will surely cherish until the end of all things.
