I have a love/hate relationship with the word "no." It's not my favorite word. (My favorite word starts with an F, and I'll give you one guess what it is.) As a female entrepreneur in a male dominated industry, I've heard the word "no" more times than I can count. If I had a dollar for every time I heard that word, I'd have millions (but that would just be way too easy, not to mention boring, so I went out and made the millions myself). I decided, almost right from the womb, I could let the word NO stop me, frustrate me and make me small or I could rise up against it and prove them all wrong. I chose the latter. I am strong, determined and unstoppable, and nothing lights a fire under my ass like being told I can't do something. I find it motivating. Actually, I find it NOtivating. (See what I did there?) If you are a fierce female entrepreneur who is sick and tired of playing by someone else's rules, I'm here to help you, sister. This book contains "Nine NOtivational Nuggets" of wisdom meant to guide you in taking over the business world. You'll learn about the power of mindset, how to become your own hero and how to throw your "fenis" on the table with the best of them! This book will help you grow into the badass businesswoman you were meant to be. You are strong. You are powerful.
