Praised as “a work of wild, vaulting ambition and achievement” by Entertainment Weekly, Jamie O’Neill’s first novel invites comparison to such literary greats as James Joyce, Samuel Beckett and Charles Dickens. Set during the year preceding the Easter Uprising of 1916—Ireland’s brave but fractured revolt against British rule—*At Swim, Two Boys* is a tender, tragic love story and a brilliant depiction of people caught in the tide of history. Powerful and artful, and ten years in the writing, it is a masterwork from Jamie O’Neill. Jim Mack is a naïve young scholar and the son of a foolish, aspiring shopkeeper. Doyler Doyle is the rough-diamond son—revolutionary and blasphemous—of Mr. Mack’s old army pal. Out at the Forty Foot, that great jut of rock where gentlemen bathe in the nude, the two boys make a pact: Doyler will teach Jim to swim, and in a year, on Easter of 1916, they will swim to the distant beacon of Muglins Rock and claim that island for themselves. All the while Mr. Mack, who has grand plans for a corner shop empire, remains unaware of the depth of the boys’ burgeoning

In one ear and out the other: Joseph decides to stay in his heart and to do what he loves...

The time-honored national bestseller, updated with a new afterword, celebrating 10 years of influencing the way we live. When *Wherever You Go, There You Are* was first published in 1994, no one could have predicted that the book would launch itself onto bestseller lists nationwide and sell over 750,000 copies to date. Ten years later, the book continues to change lives. In honor of the book's 10th anniversary, Hyperion is proud to be releasing the book with a new afterword by the author, and to share this wonderful book with an even larger audience.

“These stories were my kind of stories--a little weird and magical and bittersweet.” --Roxane Gay, New York Times bestselling author of *Bad Feminist* and *Hunger* A middle-aged masochist in love with a comatose man. A gay birthday clown lamenting the loss of his beloved dog. An amateur veterinarian keeping watch over his suicidal daughter. And a bikini model with a barnacle stuck to her butt cheek. These are just a few of the characters who populate the quirky, offbeat world of *If You Lived Here You'd Already Be Home* a world that feels at once alien and strangely familiar. In these twenty-one brief, funny stories, John Jodzio documents his characters disappointment, frustration, and longing

for a home that seems forever out of reach. By turns bleak and hopeful, cruel and tender, this is an exciting literary debut by a writer to watch, a writer with a unique and compelling voice. "John Jodzio is the best kind of modern fiction writer: a thematic traditionalist who feels totally new." —Chuck Klosterman, New York Times bestselling author

Set during the devastating Memorial Day floods in Texas, a surreal, empathetic novel for readers of Station Eleven and The Age of Miracles. 2015. 18-year-old Boyd Montgomery returns from her grandfather's wedding to find her friend Isaac missing. Drought-ravaged central Texas has been newly inundated with rain, and flash floods across the state have

begun to sweep away people, cars, and entire houses as every river breaks its banks. In the midst of the rising waters, Boyd sets out across the ravaged back country. She is determined to rescue her missing friend, and she's not alone in her quest: her neighbor, Carla, spots Boyd's boot prints leading away from the safety of home and follows in her path. Hours later, her mother returns to find Boyd missing, and she, too, joins the search. Boyd, Carla, and Lucy Maud know the land well. They've lived in central Texas for their entire lives. But they have no way of knowing the fissure the storm has opened along the back roads, no way of knowing what has been erased-and what has resurfaced. As they each travel through the newly unfamiliar landscape, they discover the ghosts of Texas past and present. Haunting and timely, *Things You Would Know if You Grew Up Around Here* considers questions of history and empathy and brings a pre-apocalyptic landscape both foreign and familiar to shockingly vivid life.

Hailed by David Sedaris as "perfectly, relentlessly funny" and by Colson Whitehead as "sardonic without being cruel, tender without being sentimental," from the author of the new collection *Look Alive Out There*. Wry, hilarious, and profoundly genuine, this debut collection of literary essays is a celebration of fallibility and haplessness in all their glory. From despoiling an exhibit at the Natural History Museum to provoking the ire of her first boss to siccing the cops on her mysterious neighbor, Crosley can do no right despite the best of intentions -- or perhaps because of them. Together, these essays create a startlingly funny and revealing portrait of a complex and utterly recognizable character who aims for the stars but hits the ceiling, and the inimitable city that has helped shape who she is. *I Was Told There'd Be Cake* introduces a strikingly original voice, chronicling the struggles and unexpected beauty of

modern urban life.

I never planned to fall in love. Least of all with a woman, you. But I did, and telling you was the hardest thing I ever did. I knew how you would reach first, but I never anticipated how hard it will be for me or how you reacted next. I had to write, for the first time ever, and now we face book number two. I wrote just to tell you how I feel, what I think. All the things I wanted to say to you but you didn't want to listen. So I wrote, and wrote, and wrote. Flood of thoughts, feelings, whatever came to my mind. Just to give me five minutes of strength to get out of bed. I wrote for me. I wrote for you. Most of them are here. My pain, my love, my longing, my hesitations, My certainty. I know you don't want to hear from me, don't want to read what I have to tell you. But I have to get them out of me, if not to you then just out there, to the world who doesn't know me. Maybe some day you will find your courage and return. Until then my love, You Still don't Know How Much I Love You.

Inspired by a movie, television show, book, or stories from friends, we may find ourselves daydreaming about trips to exotic locations with exciting adventures. For some lucky ones, these dreams become reality. *Would a Maharajah Sleep Here?* presents firsthand stories of luxury travel and discovery by two fun and experienced travelers. Authors and travelers Stephen and Leanne Troy provide accounts of historic exploration, luxury hotel stays, and encounters with interesting people around the world. Each trip is private and planned in great detail to make sure each and every adventure is unique and experienced in five-star luxury. Chronicling their exploits at the end of each day, the Troys describe checking into the finest hotels in the world and getting whisked away for incredible tours of some of the world's greatest treasures. In addition to personal anecdotes, this travelogue shares information about

Striking black and white photographs paired with powerful stories capture the experiences of southern West Virginians whose lives were shaped by coal--from retired miners to men and women who have been jobless for their entire lives.

Casper Quinn has a secret. Brant Mitchell has two. Hickory Ditch, Arkansas – July 2012  
Popular fried chicken chain Wings of Glory is under attack from homosexual activists, and Harvest Mission Pentecostal Church is ready to fight back. Caught in the crossfire of a culture war in which they never enlisted, Casper and Brant will each have to find his own answer to the age-old question: Am I really what I eat? Because if they could find the courage to tell each other their truths, they might discover there really is life after the Ditch. CHICKEN is a Southern Gothic YA novel with an infusion of magical realism. It's a raw, honest, sometimes funny, sometimes poignant look at falling in love in a place where angels and demons are believed in without question, but the human heart is always subject to suspicion.

Back in the days of Ronald Reagan's America, those far-from-innocent days of nostalgic rot and willful illusion, small-town life was thought to be simple, pure, the source of all decent values, and the home of true hearts and ever helpful neighbors who bear each other's burdens. James McGrath, a church musician who has just destroyed his personal life and his career through an act of catastrophic stupidity, believes this nonsense just long enough to flee a city he loves. Hoping to heal, he goes to live with his father in a tiny town on the Canadian border. He finds what fools have always found: truths more ordinary and more bitter than he wants to accept and a life more impoverished and antagonistic than he imagined. Descending into this bleak reality, like Jesus in the wilderness, James must face and answer the question: what do we live by? He makes some friends, falls in and out of love, rediscovers his art, and eventually finds a way back into his life. But it's not a smooth journey, and it comes with a price.

One comes a new novel about a young single mother trying to move out of her family's shadow. Rickie left home a long time ago-so how is it that at the age of twenty-five, she's living with her parents again, and sleeping in the bedroom of her childhood home? At least one thing has changed since high school: She now has a very sweet but frequently challenging son named Noah, who attends the same tony private LA school she herself attended. Rickie fit in fine when she was a student, but now her age and tattoos make her stand out from all the blond Stepford moms, who are desperate to know why someone so young-and so unmarried-has a kid in first grade. Already on the defensive, Rickie goes into full mother-tigress mode when her small and unathletic son tells her that the gym teacher is out to get him. She storms the principal's office, only to discover that Andrew Fulton, the coach, is no dumb jock. As her friendship with Andrew develops, Rickie finds herself questioning her assumptions-about motherhood, being a grown-up, and falling in love.

How?d We Get Here Callie Elliot is 19, struggling to find her place in this world, her brother and best friend has died from Cystic Fibrosis and her world is seemingly in pieces. celebrated American writers contribute to this moving anthology of fiction, compiled by the editors of the Glimmer Train literary quarterly. In the ten-plus years since Susan Burmeister-Brown and Linda B. Swanson-Davies founded Glimmer Train, they have introduced an astonishing array of talented and innovative authors to a growing readership hungry for inspiring fiction. The stunning stories in this anthology -- many of which have never appeared anywhere except in Glimmer Train Stories -- explore one of the most complex emotional and psychological ties of all: motherhood, and its many facets. The writers in Mother Knows include established authors as well as up-and-coming talents like Junot Díaz and award-winning writers like Robin Bradford, Nancy Reisman, Lee Martin, and Doug Crandell. Their stories demonstrate that motherhood is more than toilet training and tantrum control, as they portray the full, fierce, joyous, and frightening range of experience that marks this state of being. Mother Knows is a thoughtful and powerful exploration of the most mysterious bond in life.
