

Ks1 Sats Papers

This book is a complete guide to understanding, learning from and teaching bilingual and EAL children in schools. It begins by asking 'who are EAL learners' and challenges some of the misconceptions about this group. It goes on to examine language in depth, providing focused theory to help teachers and trainees better understand the wider context of children's needs. This theory is supported by a wealth of information on practical teaching strategies and resources. It also covers planning across the curriculum for EAL, assessing EAL and bilingual learners and classroom organisation. New to this second edition is a chapter on using home languages and cultures in learning as well many new case studies from practising teachers offering insight and knowledge on teaching this particular group.

KS1 Complete SATs Practice Papers - Maths, Reading and Spelling

The aim of tough Education is to deliver high quality KS1 SATs based papers that are designed for the most gifted children. It is our principle that if your child is able to complete these papers correctly then the real tests will seem easier. This set of four arithmetic papers is difficult and is designed for the gifted Year 2 student who needs to be stretched. Sometimes this is not possible for teachers who must focus on all ability groups and that's where this book of examinations will be vital for the success and extension of your child's learning. Included in this book are four difficult SATs based arithmetic papers and sets of answers for each. Tough Education - for the gifted child.
