This outcome, which contributed to the Democrats' capture of the House of Representatives for the first time since 2008, also demonstrates that support for stronger gun laws could be a winning issue for proponents in 2020 and beyond. The second political development featured is the financial, political, and legal crises that beset the nation's oldest and most powerful gun group, the National Rifle Association. These crises are sufficiently grave that they may pose an existential threat to the organization's traditional dominance in the realm of
