A storm. A disappearance. A race against time . . . Mustique is in a state of breathless calm as tropical storm Cristobal edges towards it across the Atlantic. Most villa owners have escaped the island but a few young socialites remain, unwilling to let summer's partying end. American heiress Amanda Fortini is one such thrill-seeker - until she heads out for a morning swim and doesn't return. Detective Sergeant Solomon Nile is just 28 years old and the island's only fully trained police officer. He quickly realises he needs to contact Lord and Lady Blake, who bought the island decades ago and have invested time, money and love creating a paradise. Jasper is in St Lucia designing a new village of luxury villas but Lady Veronica (Vee to her friends) catches a plane immediately. Her beloved god-daughter, Lily, is on the island and this disappearance has alarming echoes of what happened to Lily's mother many years ago. Lady Vee would never desert a friend in need, and she can keep a cool head in a crisis. When Amanda's body is found, a murder investigation begins. Nile knows the killer must be an islander because flights and ferry crossings have stopped due to the storm warning, but the local community isn't co-operating. And then the storm hits, and someone else disappears . . .

The Welsh publishing house Gwasg Gomer published Gillian Clarke's first full collection of poems, *The Sundial*, in 1978. In the twenty years since then the poet has become one of the best-loved and most widely read writers of Wales, well-known for her readings, for her radio work and her workshops. 'Gillian Clarke's poems ring with lucidity and power . . . her work is both personal and archetypal, built out of language as concrete as it is musical,' the *Times Literary Supplement* said. She combines traditional skills with an original voice and outlook, and with a history which includes the unwritten stories of Welsh women. Her *Selected Poems* has proven one of the most popular volumes of modern Welsh poetry, having gone through seven printings in a dozen years. Her language has a quality both casual and intense, mundane and visionary,' the *Listener* said of *Letter from a Far Country*. There is no gaudiness in her poetry; instead, the reader is aware of a generosity of spirit which allows the poems' subjects their own unbullied reality.' Gillian Clarke is a severe critic of her own poems. *Collected Poems* includes all that she wishes to preserve of her work to date. A few months ago they were just four determined girls. Then there was *The X Factor*, the screaming fans and the record deal – life for Little Mix would never be the same again.
