Gabriel García Márquez was born in Colombia in 1927. He was awarded the Nobel Prize in Literature in 1982. He is the author of many works of fiction and nonfiction, including *One Hundred Years of Solitude*, *Love In The Time Cholera*, *The Autumn Of The Patriarch*, *The General In His Labyrinth*, and *News Of A Kidnapping*. “The articles and columns in *The Scandal of the Century* demonstrate that his forthright, lightly ironical voice just seemed to be there, right from the start . . . He’s among those rare great fiction writers whose ancillary work is almost

always worth finding . . . He had a way of connecting the souls in all his writing, fiction and nonfiction, to the melancholy static of the universe." --Dwight Garner, *The New York Times* From one of the titans of twentieth-century literature, collected here for the first time: a selection of his journalism from the late 1940s to the mid-1980s--work that he considered even more important to his legacy than his universally acclaimed works of fiction. "I don't want to be remembered for *One Hundred Years of Solitude* or for the Nobel Prize but rather for my journalism," Gabriel García Márquez said in the final years of his life. And while some of his journalistic writings have been made available over the years, this is the first volume to gather a representative selection from across the first four decades of his career--years during which he worked as a full-time, often muckraking, and controversial journalist, even as he penned the fiction that would bring him the Nobel Prize in 1982. Here are the first pieces he wrote while working for newspapers in the coastal Colombian cities of Cartagena and Barranquilla . . . his longer, more fictionlike reportage from Paris and Rome . . . his monthly columns for Spain's *El País*. And while all the work points in style, wit, depth, and passion to his fiction, these fifty pieces are, more than anything, a revelation of the writer working at the profession he believed to be "the best in the world."

The tale of two American teenagers recruited as killers for a Mexican cartel, and the Mexican-American detective who realizes the War on Drugs is unstoppable. “A hell of a story...undeniably gripping.” (The New York Times) In this astonishing story, journalist Dan Slater recounts the unforgettable odyssey of Gabriel Cardona. At first glance, Gabriel is the poster-boy American teenager: athletic, bright, handsome, and charismatic. But the ghettos of Laredo, Texas—his border town—are full of smugglers and gangsters and patrolled by one of the largest law-enforcement complexes in the world. It isn't long before Gabriel abandons his promising future for the allure of juvenile crime, which leads him across the river to Mexico's most dangerous drug cartel: Los Zetas. Friends from his childhood join him and eventually they catch the eye of the cartel's leadership. As the cartel wars spill over the border, Gabriel and his crew are sent to the States to work. But in Texas, the teen hit men encounter a Mexican-born homicide detective determined to keep cartel violence out of his adopted country. Detective Robert Garcia's pursuit of the boys puts him face-to-face with the urgent consequences and new security threats of a drug war he sees as unwinnable. In *Wolf Boys*, Slater takes readers on a harrowing, often brutal journey into the

heart of the Mexican drug trade. Ultimately though, *Wolf Boys* is the intimate story of the lobos: teens turned into pawns for the cartels. A nonfiction thriller, it reads with the emotional clarity of a great novel, yet offers its revelations through extraordinary reporting.

'rescue man', retrieving the wounded and dying from the ruins of buildings, but the love affair he embarks on soon leads him into a very different kind of danger. One of the 20th century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize–winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

In 1990, fearing extradition to the United States, Pablo Escobar – head of the Medellín drug cartel – kidnapped ten notable Colombians to use as bargaining chips. “This is a beautiful farewell to two extraordinary people. It enthralled and moved me, and it will move and enthrall anyone who has ever entered the glorious literary world of Gabriel García Márquez.”—Salman Rushdie “In *A Farewell to Gabo* and Mercedes Rodrigo Garcia finds the words that cannot be said, the moments that signal all that is possible to know about the passage from life to death, from what love brings and the loss it leaves. With details as rich as any giant biography, you will find yourself grieving as you read, grateful for the profound art that remains a part of our cultural heritage.”—Walter Mosley, *New York Times* bestselling author of *Down the River Unto the Sea* “An intensely personal reflection on [Garcia's] father's legacy and his family bonds, tender in its treatment and stirring in its brevity.”—Booklist (starred review) The son of one of the greatest writers of our time—Nobel Prize winner and internationally bestselling icon Gabriel García Márquez—remembers his beloved father and mother in this tender memoir about love and loss. In March 2014, Gabriel García Márquez, one of the most acclaimed writers of the twentieth century, came down with a cold. The woman who had been beside him for more than fifty years, his wife Mercedes Barcha, was not hopeful; her husband, affectionately known as “Gabo,” was then nearly 87 and battling dementia. I don't think we'll get out of this one, she told their son Rodrigo. Hearing his mother's words, Rodrigo wondered, “Is this how the end begins?” To make sense of events as they unfolded, he began to write the story of García Márquez's final days. The result is this intimate and

honest account that not only contemplates his father's mortality but reveals his remarkable humanity. Both an illuminating memoir and a heartbreaking work of reportage, *A Farewell to Gabo and Mercedes* transforms this towering genius from literary creator to protagonist, and paints a rich and revelatory portrait of a family coping with loss. At its center is a man at his most vulnerable, whose wry humor shines even as his lucidity wanes. Gabo savors affection and attention from those in his orbit, but wrestles with what he will lose—and what is already lost. Throughout his final journey is the charismatic Mercedes, his constant companion and the creative muse who was one of the foremost influences on Gabo's life and his art. Bittersweet and insightful, surprising and powerful, *A Farewell to Gabo and Mercedes* celebrates the formidable legacy of Rodrigo's parents, offering an unprecedented look at the private family life of a literary giant. It is at once a gift to Gabriel García Márquez's readers worldwide, and a grand tribute from a writer who knew him well. "You read this short memoir with a feeling of deep gratitude. Yes, it is a moving homage by a son to his extraordinary parents, but also much more: it is a revelation of the hidden corners of a fascinating life. *A Farewell to Gabo and Mercedes* is generous, unsentimental and wise." —Juan Gabriel Vásquez, author of *The Sound of Things Falling* "A warm homage filled with both fond and painful memories." —Kirkus "Garcia's limpid prose gazes calmly at death, registering pain but not being overcome by it . . . the result is a moving eulogy that will captivate fans of the literary lion." — Publishers Weekly

In his first work of narrative nonfiction, Matthew Pearl, bestselling author of acclaimed novel *The Dante Club*, explores the little-known true story of the kidnapping of legendary pioneer Daniel Boone's daughter and the dramatic aftermath that rippled across the nation. greater peace both to the tribes and the colonists. But after the girls find clever ways to create a trail of clues, the raiding party is ambushed by Boone and the rescuers in a battle with reverberations that nobody could predict. As Matthew Pearl reveals, the exciting story of Jemima Boone's kidnapping vividly illuminates the early days of America's westward expansion, and the violent and tragic clashes across cultural lines that ensue. In this enthralling narrative in the tradition of Candice Millard and David Grann, Matthew Pearl unearths a forgotten and dramatic series of events from early in the Revolutionary War that opens a window into America's transition from colony to nation, with the heavy moral costs incurred amid shocking new alliances and betrayals.

Márquez spoke publicly with the same passion and energy that marked his writing. Now the wisdom and compassion of these performances are available in English for the first time. *I'm Not Here to Give a Speech* records key events throughout the author's life, from a farewell to his classmates delivered when he was only seventeen to his Nobel Prize acceptance speech. Written across a lifetime, these speeches chart the growth of a genius: each is a snapshot offering insights into the beliefs and ideas of a world-renowned storyteller. Preserving García Márquez's unmistakable voice for future generations, *I'm Not Here to Give a Speech* is a must-have for anyone who ever fell in love with *Macondo* or cherished a battered copy of *Love in the Time of Cholera*. Forty-two stories make up this magisterial collection by the writer who stands at the pinnacle of modern American fiction. Compressing an epic expanse of vision into hard and wounding narratives, Faulkner's stories evoke the intimate textures of place, the deep strata of history and legend, and all the fear, brutality, and tenderness of the human condition. These tales are set not only in Yoknapatawpha County, but in Beverly Hills and in France during World War I. They are populated by such characters as the Faulknerian archetypes Flem Snopes and Quentin Compson, as well as by ordinary men and women who emerge so sharply and indelibly in these pages that they dwarf the protagonists of most novels.
