The Baron Von Koldwethout, of Grogzwig in Germany, was as likely a young baron as you would wish to see. I needn't say that he lived in a castle, because that's of course; neither need I say that he lived in an old castle; for what German baron ever lived in a new one? There were many strange circumstances connected with this venerable building, among which, not the least startling and mysterious were, that when the wind blew, it rumbled in the chimneys, or even howled among the trees in the neighbouring forest; and that when the moon shone, she found her way through certain small loopholes in the wall, and actually made some parts of the wide halls and galleries quite light, while she left others in gloomy shadow. I believe that one of the baron's ancestors, being short of money, had inserted a dagger in a gentleman who called one night to ask his way, and it was supposed that these miraculous occurrences took place in consequence. And yet I hardly know how that could have been, either, because the baron's ancestor, who was an amiable man, felt very sorry afterwards for having been so rash, and laying violent hands upon a quantity of stone and timber which belonged to a weaker baron, built a chapel as an apology, and so took a receipt from Heaven, in full of all demands.

The Diary of a Young Girl, also known as The Diary of Anne Frank, is a book of the writings from the Dutch language diary kept by Anne Frank while In 1942, with zis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. The family was apprehended in 1944, and Anne Frank died of typhus in the Bergen-Belsen concentration camp in 1945. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fasciting commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The diary was retrieved by Miep Gies, who gave it to Anne's father, Otto Frank, the family's only known survivor, just after the war was over. The diary has since been published in more than 60 languages.

"The Fir Tree" by Hans Christian Andersen, published originally in 1845, follows the life of a young fir tree living in the woods.

Compared to the other trees around him, he feels small, spindly and short, and he constantly utters complaint to any and all woodland creatures within ear shot. Most pointedly, he wonders "when will he truly be alive?" When he sees humans cut down some beautiful trees nearby and then drag them across the snow, he asks the swallows, "Where are they going?" In answer they tell him of all Christmas's splendor and beauty of which those lucky trees will soon be a part. Yet when the time comes for our little fir tree to have his turn, he's taught an unexpected and irreversible lesson. This children's e-book is fully illustrated all-color. Young readers will love the charming all-color illustrations, while parents will appreciate the moral at the end of the story. The beautiful

illustrations will captivate your child's imagination and bring them back to read it over again and again.

St. Catherine of Bologna, much venerated in her own city, has been little known outside of her native region but interest in her is

now increasing. The outline of her life is clear and her own work, *The Seven Spiritual Weapons*, tells a good deal about her inner experiences and early years in the cloister. The introduction to this translation situates her life in the history of Ferrara and Bologna and studies how the external history of the community impinged on Catherine's own religious experience and how it was interwoven with her successful struggle against depression.

Lasciati gli studi di medicina per dedicarsi al lavoro di redattore di giornale il giovane SDG seppe scrivere in quegli anni alcune tra le pi belle rappresentazioni di uno spaccato di vita napoletana. La Napoli dei vicoli, delle sue donne, delle mille botteghe e della miseria fu dipinta in ogni sua pi impercettibile sfumatura come solo la mano d'un 'verista sentimentale', come egli si definiva, poteva. In quest'opera egli racconta, in quindici brevi storie, alcuni drammi causati dalla miseria come quello d'una madre che vede morire il bambino Ndreuccio per un semplice malanno, della giovane Serafina accoltellata per strada, la vedova Carmela costretta a chiudere un suo maschietto all'Albergo dei Poveri e mandare la bambinella ad imparar a cucire da una sartina, o le lacrime della piccola Bettina che ritrova vuota la sua calza lasciata alla befana. Ma anche storie apparentemente comuni come quella di Fortunata la fiorista accoltellata dal marito per gelosia, o quella dell'incontro in ospedale della giovane e bella Suor Carmelina che seppe turbarlo, o ancora dell'ingenuit di Antonietta sedotta da un marinaio. Nelle descrizioni appaiono sempre i vicoli che pullulano di vita, sedi di tante amicizie occasionali come quella dell'amico Richter appassionato di musica classica. Peppino Battimeli un acquafrescaio conosciuto da tutti che stato spedito all'ospedale dei matti. La solitudine di Manlio.

Nessuno me la porterà via. Ammazzerò chiunque ci provi. Valentina è sempre stata destinata ad essere mia. Niente m'impedirà di possederla, corpo e anima.

Bringing together their unique vantage points as leaders of Church and State, Cardinal Joseph Ratzinger and Marcello Pera challenge us to imagine what can be the future of a civilization that has abandoned its moral and cultural history. They call on the West to embrace a spiritual rather than political renewal -and to accept the moral values that alone can help us to make sense of changes in technology, economics, and society.

Originally published for the centennial of Emily Dickinson's death in 1886, contains the drafts of three letters to a person Emily addresses as 'Master,' accompanied by an introduction and comments by the noted Dickinson manuscript scholar, R. W. Franklin An NYRB Classics Original Few writers had to confront as many of the last century's mass tragedies as Vasily Grossman, who wrote with terrifying clarity about the Shoah, the Battle of Stalingrad, and the Terror Famine in the Ukraine. An Armenian Sketchbook, however, shows us a very different Grossman, notable for his tenderness, warmth, and sense of fun. After the Soviet government confiscated—or, as Grossman always put it, “arrested”—Life and Fate, he took on the task of revising a literal Russian translation of a long Armenian novel. The novel was of little interest to him, but he needed money and was evidently glad of an excuse to travel to Armenia. An Armenian Sketchbook is his account of the two months he spent there. This is by far the most personal and intimate of Grossman's works, endowed with an air of absolute spontaneity, as though he is simply chatting to the reader about his impressions of Armenia—its mountains, its ancient churches, its people—while also examining his own thoughts and moods. A wonderfully human account of travel to a faraway place, An Armenian Sketchbook also has the vivid appeal of a self-portrait.

A series of meditations that Pope Benedict XVI wrote while he was Prefect for the Congregation of the Doctrine of Faith provides a better understanding of the true Jesus, the Jesus of the Gospels, the Christ of Christianity.

One late-winter morning, a young man is cycling downhill to primary school when he encounters a peculiar man - as big as a mountain and as filthy as a garbage dump. After a brief conversation this earthy apparition endows him with a gift: an internal clock

that allows him to see into the future and exist in the present at the same time. The young man becomes Timeskipper, seeing and foreseeing the epochal events of his era, from postwar reconstruction to the birth of television. These events are tenderly offset by his own personal experiences - love, jobs and adventures.

Un bel mattino passeggiavo con mio padre, secondo il nostro costume; eravamo inseparabili; s'egli andava in un luogo senza di me, di lì a un poco mi vedeano spuntare; pareva che sapessi di doverlo perdere così presto. Ero in su que' bei diciott'anni, e su que' bei colli veronesi. La strada che talora serviva di letto al torrente, serpeggiava profonda, sassosa, sdrucchiola, tutta segnata sulla creta, dalle unghie fesse delle pecore, e dalle scarpe ferrate dei montanari. Due file di càrpini e di querce scapitozzate con macchie di rovi legate insieme da volubili madriselve sorgevano ombrose sull'alto delle due ripe, più a guisa di parete che di siepe, lasciando cadere dai cigli corrosi le pendole barbe delle radici nude.

An overlooked classic of Italian literature, this epic and unforgettable novel recounts one man's long and turbulent life in revolutionary Italy. At the age of eighty-three and nearing death, Carlo Altoviti has decided to write down the confessions of his long life. He remembers everything: his unhappy childhood in the kitchens of the Castle of Fratta; romantic entanglements during the siege of Genoa; revolutionary fighting in Naples; and so much more. Throughout, Carlo lives only for his twin passions in life: his dream of a unified, free Italy and his undying love for the magnificent but inconstant Pisana. Peopled by a host of unforgettable characters - including drunken smugglers, saintly nuns, scheming priests, Napoleon and Lord Byron - this is an epic historical novel that tells the remarkable and inseparable stories of one man's life and the history of Italy's unification. Ippolito Nievo was born in 1831 in Padua. Confessions of an Italian, written in 1858 and published posthumously in 1867, is his best known work. A patriot and a republican, he took part with Garibaldi and his Thousand in the momentous 1860 landing in Sicily to free the south from Bourbon rule. Nievo died before he reached the age of thirty, when his ship, en route from Palermo to Naples, went down in the Tyrrhenian Sea in early 1861. He was, Italo Calvino once said, the sole Italian novelist of the nineteenth century in the 'daredevil, swashbuckler, rambler' mould so dear to other European literatures. Frederika Randall has worked as a cultural journalist for many years. Her previous translations include Luigi Meneghello's Deliver Us and Ottavio Cappellani's Sicilian Tragedy and Sergio Luzzatto's Padre Pio: Miracles and Politics in a Secular Age. Lucy Riall is Professor of Comparative History at the European University Institute. Her many books include Garibaldi. Invention of a Hero. 'Of all the furore that came out of the Risorgimento, only Manzoni and Nievo really matter today' - Umberto Eco 'The one 19th century Italian novel which has [for an Italian reader] that charm and fascination so abundant in foreign literatures' - Italo Calvino 'Perhaps the greatest Italian novel of the nineteenth century' - Roberto Carnerò 'A spirited appeal for liberté, égalité and fraternité, the novel is also an astute, scathing and amusing human comedy, a tale of love, sex and betrayal, of great wealth and grinding poverty, of absolute power and scheming submission, of idealism and cynicism, courage and villainy' - The Literary Encyclopedia

The New York Times bestselling author of the Inspector Montalbano series brings us back to Vigàta in the nineteenth century for a rip-roaring comic novel. 1870s Sicily. Eugenio Bortuzzi has been named Prefect for Vigàta, a regional representative from the Italian government to oversee the town. But the rowdy and unruly Sicilians don't care much for this rather pompous mainlander nor the mediocre opera he's hell-bent on producing in their new municipal theater. The Brewer of Preston, it's called, and the Vigàtese are revving up to wreak havoc on the performance's opening night.

Merini, like Dante, represents the story of the Exodus of the Israelites from Egypt, in its literal and allegorical senses. The forty poems of The Holy Land recall Moses at Mount Sinai, the Israelites' forty years in the desert, and Jesus' fast in the wilderness. For Merini, it seems, the Holy Land is not the Promised Land of Canaan, but the forty years spent getting there, coming to terms with the terrifying atrocities of hell, the mystical ecstasies of paradise, and the "intense pain...of plunging back into the banality of daily living." Merini's wandering may be understood as the poet's search for the obscure laws which govern her visions, metamorphoses, and creations.
