This Florida real estate principles text provides up-to-date, state-specific information. Updated annually with the latest developments in Florida real estate law, this text should be a prelicensing staple for real estate students that effectively combines legal and practical aspects of Florida real estate laws and practices for prospective salespersons.

In this book you will find over 250 essential forms, agreements, and contracts for buying and selling real estate, managing your business, and managing property and tenants. Designed for use by new and veteran agents, property managers, and brokers alike, this book is essentially a unique "survival kit." It focus on the issues that you face in real estate from working with buyers, sellers, and tenants to ensuring profitability. The forms may be printed out and customized from the companion CD-ROM.

A father chronicles the circumstances and events surrounding the poisoning and death of his child. This is a true story and includes actual photos taken at the hospital, hospital chart, statements of witnesses, as well as a technical and legal description of the biological murder weapon as it was approved by the County Health Department in 1980. Is murder by contaminated water covered up in Okanogan County? Maybe you can decide after you read this.

Includes some separate vols. for special sessions.
