The law of three is everything: three vampires for a coterie, three demons for a pack, and three wizards for a coven. Those alone or in pairs are vulnerable to the rest. Luc, Anders, and Curtis—vampire, demon, and wizard—sidestepped tradition by binding themselves together. When something starts brutally killing demons in Ottawa, the three find themselves once again moving among the powers who rule the city from the shadows—this time working with them to try to stop the killings before chaos and blood rule the streets. Hunting a killer who seems to leave no trace behind, the triad are forced to work with allies they don't dare trust, powers they barely understand, and for the good of those they already know to be corrupt. They have the power of blood, soul, and magic. But they have to survive to keep it.

Angels and demons, vampires and werewolves... And Peter, bound to Lucien, the master vampire, walks amongst them, no longer all human but without a place of his own. Desperate to be turned and baffled by Lucien's continuing refusal, Peter is starting to feel that he's losing his vampire lover. Their relationship has become purely physical, with Lucien pushing Peter away at every turn. And after a night watching werewolf Xander hunt, a night that sees Peter attacked, that might not be all he's losing. Fearing for his very life, and working hard to keep Lucien's increasingly uncertain

temper from hurting his friends, Peter's doing all he can to prove that he belongs at Lucien's side, not just as a master, but as an equal. Then Lucien disappears, and Peter knows he has to call on every ally, every power he has, to get Lucien back before he's gone forever. Can Peter find a way to beat the forces working against them, or will he lose all that he holds dear? The sequel to Jourdan Lane's popular novel *Soul Mates: Bound by Blood*, *Deceptions* is bound to keep you turning the pages! Soak this one in today!

A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century. The law of three is unbroken: three vampires form a coterie, three demons make a pack, and three wizards are a coven. That is how it has always been, and how it

was always to be. But Luc, Anders, and Curtis—vampire, demon, and wizard—have cheated tradition. Their bond is not coterie, pack, or coven, but something else. Thrust into the supernatural politics ruling Ottawa from behind the shadows, they face Renard, a powerful vampire who harbors deadly secrets of his own and wishes to end their threat. The enemy they know conjures fire and death at every turn. The enemies they don't know are worse. Blood, soul, and magic gave them freedom. Now they need to survive it.

Searching for the elusive Star of Baewyr, Captain Lucan Hern, a virile warrior, is distracted from his mission by an encounter with Isadora, the young, widowed attendant to the Empress, who holds the key to what he is looking for, yet captivates him with her innocence. Original.

Book #2 in the Soul Reader Series John's life used to be on the risky side, but it had been simple. Allowing vampires to suck his blood had never been safe, but now there is Michael and having a vampire who actually cares about him is complicated. It's even more complicated because Michael is urging him to reconnect with the family he hasn't seen in over five years. The fact his recent past also doesn't want to die quietly is making his life less than easy and it's about to become deadly.

must find her way out of untold danger -- in this pulse-pounding novella, a companion to Eclipse. Bree Tanner, a self-described "vampire nerd" first introduced in Eclipse, lives in terror in a coven of newborn vampires. She is a member of Victoria's vampire army, and as that army closes in on Bella Swan and the Cullens, she finds her first friend and discovers a truth about daylight. While fans may know how it ends, they don't yet have the full story: Bree's tale of danger, mystery, and romance is one for the books. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. Sunny McDonald and her vampire boyfriend, Magnus, are on the run-accused of treason and wanted alive...or undead. And her twin is the slayer sent to track them down. Rayne would do anything to save her twin sister, Sunny, from the Vampire Consortium dictator who wants her dead. Instead, she's been commissioned by Slayer Inc. to find Sunny and Magnus and deliver them to the Consortium...which Rayne knows means certain death. She also knows that if she and her boyfriend, Jareth, disobey orders, they are signing not only their own death warrants, but also those of every vampire in the Blood Coven. As a rival slayer with a personal vendetta moves in, Rayne and Jareth must do something to stop her. So they embark on their most dangerous journey yet, deep beneath the streets of New York City and through the Gates of the Underworld. But when a greedy god demands the ultimate sacrifice, will Rayne be forced to choose between her sister...and the vampire she loves? When the gods come calling, you don't get to say no. Patrick Collins is three years into a career as a special agent for the Supernatural Operations Agency when the gods come calling to collect a soul debt he owes them. An immortal has gone missing in New York City and bodies are showing up in the wake of demon-led ritual killings that Patrick

recognizes all too easily from his nightmares. Unable to walk away, Patrick finds himself once again facing off against mercenary magic users belonging to the Dominion Sect. Standing his ground alone has never been a winning option in Patrick's experience, but it's been years since he's had a partner he could trust. Looking for allies in all the wrong places, Patrick discovers the Dominion Sect's next target is the same werewolf the Fates themselves have thrown into his path. Patrick has been inexplicably attracted to the man from their first meeting, but desire has no place in war. That doesn't stop Patrick from wanting what he shouldn't have. Jonothon de Vere is gorgeous, dangerous, and nothing but trouble-to the case, to the fight against every hell, and ultimately, to Patrick's heart and soul. In the end, all debts must be paid, and Patrick can only do what he does best—cheat death. *A Ferry of Bones & Gold* is a 115k word m/m urban fantasy with a gay romantic subplot and a HFN ending.

In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes with *The Book of Life*.

Houston nightclub Rave is famous for nearly-naked male dancers and beautiful bartenders. It's a club for hedonists and playboys. Like Peter, a young man with a strict rule about one-night stands. He breaks that rule for Lucien, the owner of The Den, a rival gay nightclub where there are no boundaries, no taboos. Anything goes at The Den, including vampires. When Peter finds out about Lucien's vampire nature, he figures he should have stuck to his rule. He's not a vampire fan, after all, and Lucien pulls him into a dark world of vampires, werewolves and feuding in-laws. Peter resists Lucien as long as he can, but when he gives in, he does it in a big way. Peter and Lucien begin a very dangerous dance of sensual heat and deep emotion, one that causes them nothing but trouble. No one approves of the human and vampire match, including the Council, old enemies and even older friends. Peter and Lucien have to struggle to stay together and protect those they love. Can they beat the forces that will try to tear them apart forever? And can they face what will become of Peter if they stay together?

Okay, so technically she can't because I'm immortal. Well, not yet. See, due to the worst case of mistaken identity with my dark-side-loving twin sister at a Goth club called Club Fang, Magnus, a vampire hottie, went for my innocent neck instead of hers. Now if I don't reverse it in time, Magnus will be my blood mate forever and I'm doomed to be a blood-gulping, pasty, daylight-hating vampire. Believe me, it seriously bites. After the unfortunate slaying of the vampire leader, it's up to me, my sister, and Magnus to find the one thing that can solve my problem—the Holy Grail. No joke. I seriously hope I can get out of this in time, because somehow, I scored the hottest prom date in my school, the mouth-watering Jake Wilder. decked out for the holidays, and Special Agent Patrick Collins is looking forward to a reunion with his old team when he gets assigned a new case. A human child is missing, and the changeling left in her place causes a prominent witch family to demand justice from the fae. Meanwhile, continued harassment from the New York City god pack forces Jonothon de Vere to formally establish his own with Patrick. Doing so will mean a civil war within the werecreature community-a war they risk losing from the start without alliances. Making bargains with the fae is never wise, but Patrick and Jono have nothing to lose when a fae lord comes asking for their help. The Summer Lady has been kidnapped from the Seelie Court, and if they can find her, Patrick and Jono will cement an alliance with the fae. But the clues to her disappearance are found in Tr na ng, and the Otherworld has never been kind to mortals. Venturing past the veil, Patrick and Jono risk losing territory, time, and their very lives while searching for answers. Because the Queen of Air and Darkness knows they are coming-and the ruler of the Unseelie Court has an offer for them they can't possibly refuse. You can't bargain with death if you've already sold your soul. Special Agent Patrick Collins has been reassigned by the Supernatural Operations Agency to New York City. Navigating his new relationship with Jonothon de Vere, the werewolf he's now soulbound to, is nothing compared to dealing with territorial disputes between the vampires and werereatures who call the five boroughs home. But the delicate treaties that have kept the preternatural world in check are fraying at the edges, and the fallout is spilling into the mundane world. Manhattan's club scene is overrun with the vampire drug known as shine and the subways have become a dumping ground for bodies. When the dead are revealed as missing werereatures, Patrick and Jono find themselves entangled in pack politics twisted by vampire machinations. Learning to trust each other comes with problems for both of them, and the gods with a stake in Patrick's soul debt aren't finished with him yet. Bound by promises they can't break, Patrick and Jono must find a way to survive a threat that takes no prisoners and is stalking them relentlessly through the city streets. Old and new betrayals are coming home to roost but the truth-buried in blood-is more poisonous than the lies being spun. Trying to outrun death is a nightmare-one Patrick may never wake up from.
