A woman in the business of love that's never been in a real relationship. Check. That's me. Nessa Night. Now I know what you're thinking. That sounds like a stripper name. Hold up. Let me explain. It's my radio talk-show name. My incognito way of helping the world love deeper and more often. Though my love life is like a ten-year-old fall leaf trapped between the pages of an old journal. #dramatic I'm short. Curvy. Average at best. And I'm a fraud. For all the advice I give on the air, I have zero experience to back it up. I'm eternally single. Forever alone. And the only man I've ever caught feelings for is one of my callers: Mr No Name. Much to my surprise, he's not unknown at all. The grandson of the great Jack Daniels is my caller, and worse? He's my brother's best friend from high school. Only one way to right these increasingly awkward wrongs. High school reunion time. He wants in, and I want a date who looks like him. The only thing off is his advice about love. It's from Nessa night. Me! And if he swoons over her (me!) one more time, I'll have to give in and tell him. Besides, I'm in the business of love. If I don't got this, who does? *Gulp*

Are you one of those people who want to spice up their love life with the addition of dirty talk, longing to hear certain words or phrases whispered, moaned, growled, or simply uttered but just plain don't know how to get started? The first thing to understand is that dirty talk isn't dirty. There's nothing shameful or wrong about it. Men and women are hard-wired differently. In this guide you will learn 131 tried-and-tested, proven-to-work phrases you can use for getting your partner in the mood, during foreplay, during & after love making. Both for-man & for-woman phrases are included. You will learn many ways to get started talking dirty and how to build it up gradually so you are comfortable & sound confident when you say them. Using correctly they will make your lover addicted to your voice & drive him/her wild in bed. "Warning may cause injury from side-effects related to wet panties." -Amazon Reviewer "Must read! Whatever the reason, you've chosen the right book to learn how to talk dirty! Talking dirty has become so much a part of our sexual culture that it has spawned surveys, interviews, forums, books, and research galore. In fact, before it was called "dirty talk," the art of saying sexual things to your lover with the intent to arouse had a scientific

name: Lagnolia. There's good reason for all this scientific interest. Over 80% of our sex life takes place in our heads, meaning that fantasy, memory, and desire are some of the most powerful driving forces behind everything we do behind closed doors. Studies have shown that by the time you actually get physical with your partner, your mind has been leading up to the encounter. So why not go for the dirty talk? It's been in the back of your mind all day anyway! According to Aline P. Zoldbrod, PhD, the author of more than a few books on naughtiness, sexy talk with your partner not only revs up play between the sheets, but enriches your life in ways you never would have imagined. It makes your partner feel good to know how excited you are, and your excitement makes them feel like the best lover in the world. That might explain why talking dirty makes you tingle in all the right places, but it doesn't explain why the naughtiest dirty talk can also be the hottest. It's one thing to say "fuck" and get a smile, but it's quite another to tell your partner exactly how you want to fuck them, in the most graphic terms you can imagine. The dirtier the words, the better. What's up with that? One word: Taboo. This book helps you break the taboo and teaches you how to talk dirty to a guy. **INSIDE YOU WILL LEARN:** 1.
