The Bible is the inspired word of God, and every believer should study it in order to know the rich and vast content of God's divine provisions. When God speaks, He does so through His established eord. Therefore, we must study the Bible in a proper way in order to let the word of God dwell richly in our hearts. In order to study the Bible, we first must be proper persons, having passed through the necessary spiritual training under the Lord's leading and guiding. We must also use the right methods. Many good books have been printed on how to study the Bible, but most pay attention only to methods of studying the Bible; They do not pay enough attention to the person who studies the Bible. Even with the right methods, we can receive very little in our study of the Bible if Our person is not proper before the Lord.
