

The Copper Tree Helping A Child Cope With Death And Loss

The life force, also known as “spirit,” is the essence of being and the conscious and most important form of energy. Living energy is personal and within our conscious control, and by learning about it, we can use it to transform our life into vibrant and meaningful expressions of who we really are. Consciousness is purely energetic and therefore difficult to quantify in mechanistic terms. It is the characteristic of living energy and is the foundation of awareness. Consciousness is the thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual awareness.

A Time Best YA Book of All Time (2021) In this “searing work of historical fiction” (Booklist), Coretta Scott King Award-winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known—except hope. Amari's life was once perfect. Engaged to the handsomest man in her tribe, adored by her family, and fortunate enough to live in a beautiful village, it never occurred to her that it could all be taken away in an instant. But that was what happened when her village was invaded by slave traders. Her family was brutally murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a "birthday present". Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes and dreams can really take her.

(Kirkus Reviews) about “America’s Joan of Arc”—the courageous woman who started a rebellion by leading a strike against the largest copper mining company in the world. In July 1913, twenty-five-year-old Annie Clements has seen enough of the world to know that it’s unfair. She’s spent her whole life in the mining town of Calumet, Michigan, where men risk their lives for meager salaries—and have barely enough to put food on the table for their families. The women labor in the houses of the elite, and send their husbands and sons deep underground each day, dreading the fateful call of the company man telling them their loved ones aren’t coming home. So, when Annie decides to stand up for the entire town of Calumet, nearly everyone believes she may have taken on more than she is prepared to handle. Yet as Annie struggles to improve the future of her town, her husband becomes increasingly frustrated with her growing independence. She faces the threat of prison while also discovering a forbidden love. On her fierce quest for justice, Annie will see just how much she is willing to sacrifice for the families of Calumet. From one of the most versatile writers in contemporary fiction, this novel is an authentic and moving historical portrait of the lives of the crucial men and women of the early labor movement “with an important message that will resonate with contemporary readers” (Booklist).

This unique picture book imagines that Jesus was born today, and goes on to explore how everyone would have received the news - on mobile phones, via the internet or by satellite?

When Henry, the Copper Tree class hamster had four babies, the Copper Tree children were surprised. Alfie Tate became the hamster monitor. Alfie was adopted when he was little and he wanted them to find new homes for the hamsters just like a new home had been found for him. Find out how the Copper Tree class helped Alfie, and what happened to the smallest hamster, Alfonzo. Written with sensitivity this beautifully illustrated story book deals with the topics of separation, fostering and adoption in a manner that is accessible to all children - adopted or not.

You are living in a box. It's a nice comfortable box perhaps, with lots of windows. You can see other people, earning more than you, driving better cars than you, healthier than you, happier than you and it appears that they are just lucky, or have been privileged somehow. There are lots of reasons you think or believe they are doing better than you, but none of those reasons are correct. Only one reason is correct. They live in a different box. All of us live in boxes created by our minds that have been built to protect us and those boxes tell us where the edges of our reality are, the edges of our expectations. Good news; You CREATED the box. That means you can break it and remake it any way you want. You can expand the edges of your reality and attract bigger and better things for you and your family. This book is the key to your personal transformation, helping you become the most magnificent you that you can be. It's about understanding what sets you off balance and what brings you back to deep serenity. About what brings you peace and contentment, frees your mind of negativity and most importantly an understanding of how your thoughts in this moment weave your very future. Its about feeling, in a very real and profound way, your connectedness to everyone and everything, your power and your significance in this world and perhaps even to find your lifes purpose. Its about understanding the how the nature of reality and the power of your mind combined enable you to achieve anything you desire. My promise is this: You will finish reading this book a different person than the one who started reading it.

This is the story of Jack Tree and Kaavi Noname who live on a large island called Aurelia. They meet an 11 year old girl, Jodie Jones, a survivor of a shipwreck. Jodie has rescued a copper statue of a very young girl with a cart and a goat. To everyone's surprise the statue comes to life. As the child cannot speak, they have no idea who this mysterious toddler is. Jodie decides to call her Hazel and announces that she must be a princess because she appears to have the power to control the weather and only princesses can do things like that. Meanwhile, the treacherous Tulgon, a sorcerer from the island of Kraag, stalks the copper princess. Tulgon craves the power she possesses, but Jodie's innocent heart prevents him from coming too close. After some investigation, Jack, Kaavi and Jodie learn that the toddler is the daughter of Neva, a rival sorceress. They decide to return the child to her mother who is still faraway on what is left of Kraag. After a number of adventures and meetings with some who help and some who hinder, they succeed in defeating Tulgon and return the child to her mother.

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

On Copper Beech's 10th birthday her aunt suddenly sends her away to the Snowy Mountains to stay with family she had never known she had. In a bleak landscape of ice and snow, wood and stone, Copper finds herself battling against strange forces trying to destroy her. The fearsome Granite, king of the rock mountain, holds the key to all the mysteries, but he would rather lock her up in his dank prison than explain. Even the rest of the family living in the Beech house are not telling her all they know. She finds that for her own safety she must attempt to establish what has happened to her parents, who have both disappeared, and may not have died as she had previously supposed.

Did you know that you have been looking through "funny-colored glasses" your whole life? What? Who? Me? Yes, all of us! We have been viewing the world around us through our own unique perspective, which colors and flavors everything we see. It is more than a "viewpoint." because it directly effects all that we feel, do, and say. This book is about perspective. Over the many years of his practice, Dr. Keith Eble discovered he was repeating key ideas about perspective to his clients in brief, powerful statements, which served as reminders for the ideas he was addressing. When he began to collect these "one-liners," he found other relevant wise sayings, and, his clients contributed their own gems of wisdom, while he also created ones of his own. As the list grew, the thought of making these ideas available to others grew, too. Dr. Eble firmly believes anyone who reads this book will immediately gain an understanding of how perspective effects us - even unknowingly. He also believes anyone can begin to identify and challenge harmful perspectives. He further believes these ideas can be used as part of an amazing, life-long endeavor, providing a powerful means to improve emotional health and relationships.

This book is to encourage women to be savage in their everyday life, but not by your standard definition. This is to remind women that it's ok to set a standard and live with a standard unapologetically.

Dreams Not Forgotten presents a loving portrait of a man named Bill who has overcome the obstacles that would stop many in their tracks. Author Will Kalinke shares the ups and downs that Bill has encountered in his forty-six years of life. Although his mother passed away when he was just five, he held onto the dreams for his future that she shared with him before she died.

Those dreams helped sustain him through many challenging times of intense pain and anguish, when others may have dissolved into anger and frustration. Bill serves as a model of courage, fortitude, and hope for a better tomorrow despite obstacles of today.

An unexpected sequence of events brought Bill and Kalinke together to set the scene for this compelling story, a real-life mystery of survival. Bill stands as an inspiration because he has recognized the differences that make him unique and he has maintained his fortitude, patience, attitude of love, and appreciation for God. He has found the path to a happy and meaningful life that builds upon his positive attitude and clear vision of his own capabilities. He is one of those special people whose actions help to make miracles happen; follow in his footsteps from unbelievable circumstances to miraculous results.

This book is compiled of scientific research on melanin and copper as well as my personal experiences and understanding of them being one and the same. All pigment comes from copper and in that pigment we see the process of life in motion. Melanin is the name of the human pigment, but copper is the source.

Walt Johnson has been a rolling stone most of his life, moving from town to town and living on the edges of homelessness. Now he has run out of time as lung cancer has left him only months to live. Walt then begins a quest to find the son with whom he lost contact decades earlier. Out of money, he lands a job at a small-town restaurant in an attempt to save enough to buy a bus ticket to the last known whereabouts of his son. The friends Walt makes at his new job soon become family for him, especially 14-year-old Danny who is emotionally paralyzed at the loss of his own father in Iraq. Faced with Danny's struggles to grow up and the struggles of his other new friends, Walt comes to realize he is not only on a journey to find his own son, but he is on a journey to find himself worthy of being a father.

NEW YORK TIMES BESTSELLER • “The Copper Beech is as soothing as a cup of tea.”—People In the little Irish town of Shancarrig, the young people carve their initials—and those of their loves—into the copper beech tree in front of the schoolhouse. But not even Father Gunn, the parish priest, who knows most of what goes on behind Shancarrig’s closed doors, or Dr. Jims, the village doctor, who knows all the rest, realize that not everything in the placid village is what it seems. Unexpected passions and fears are bringing together many lives, such as the sensitive new priest and Miss Ross, the slight, beautiful schoolteacher . . . Leonora, the privileged daughter of the town’s richest family, and Foxy Dunne, whose father did time in jail . . . and Nessa Ryan, whose parents run Ryan’s Hotel, and two very different young men. For now the secrets in Shancarrig’s shadows are starting to be revealed, from innocent vanities and hidden loves to crimes of the heart . . . and even to murder. Praise for The Copper Beech “A book with a difference . . . You’ll take it home to lend to your best friend.”—The New York Times Book Review “Binchy makes you laugh, cry, and care. Her warmth and sympathy render the daily struggles of ordinary people heroic and turn storytelling into art.”—San Francisco Chronicle “The Copper Beech finds author Maeve Binchy at her Irish storytelling best!”—Cleveland Plain Dealer
