

The Italians Twin Surprise By Elizabeth Lennox

Dana Miller wanted anonymity, invisibility and security. She'd given up ambition and excitement a year ago when she'd witnessed a murder. Now she was running from men who were trying to keep her from testifying. Finding a job inside the palace of the Sheik of Odar was perfect! No one associated with any criminal enterprises could get onto the palace grounds. She'd assumed working in the palace would keep her safe, but that was before Sheik Hassan Bin Faisir-Al-Takar promoted her to his executive assistant. She lost her anonymity, her security and her heart to the dynamic sheik who turned her world upside down. Hassan had never met anyone as independent and spirited, not to mention beautiful, lush and opinionated as the ever cheerful Dana Miller. Everything about her was the opposite of what he expected, including her job interview where she tried to convince him that she would be a terrible person for the job. How could he not fall for someone like that? He just needed to find out what she was hiding!

Harry Mathews's last novel is one of his most accessible—and perhaps one of his best Harry Mathews's brilliant final work, *The Solitary Twin*, is an engaging mystery that simultaneously considers the art of storytelling. When identical twins arrive at an unnamed fishing port, they become the focus of the residents' attention and gossip. The stories they tell about the young men uncover a dizzying web of connections, revealing passion, sex, and murder. Fates are surprisingly intertwined, and the result is a moving, often hilarious, novel that questions our assumptions about life and literature.

And she raises her son. When Zahir enters her life once more, she can't believe that the fire between them is hotter than before. But she refuses to give in, despite its intensity.
