NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

From Jen Williams, author of highly-acclaimed fantasy debut *THE COPPER PROMISE*, comes a brand-new epic fantasy adventure in *THE IRON GHOST*. Beware the dawning of a new mage... Wydrin of Crosshaven, Sir Sebastian and Lord Aaron Frith are experienced in the perils of stirring up the old gods. They are also familiar with defeating them, and the heroes of Baneswatch are now enjoying the perks of being very much in demand for their services. stolen item, admire the views, get paid. But in a place twisted and haunted by ancient magic, with the most infamous mage of them all, Joah Demonsborn, making a reappearance, our heroes soon find themselves threatened by enemies on all sides, old and new. And in the frozen mountains, the stones are walking...

The Prince of Brancoleone has a reputation for breaking hearts. And now he's set his sights on a new conquest. She's Nisida, the beautiful daughter of a Naples fisherman. The prince disguises himself as a commoner and seduces her. But Nisida's little brother Gabriel intervenes, setting off a bloody tale of revenge, suicide and family secrets. Part of Dumas' "Celebrated Crimes" series, "Nisida" is an enthralling look at honour and justice in 19th century Italy. Based on real events, it was co-written with Italian author Pier Angelo Fiorentino. Before "The Three Musketeers", Alexandre Dumas explored some of history's darkest chapters in "Celebrated Crimes". These true crime stories cover famous murders, conspiracies and executions, from Mary Queen of Scots to the Borgias. Alexandre Dumas (1802 - 1870) was a hugely popular 19th century French writer. Born of mixed French and Haitian heritage, Dumas first rose to prominence in Paris as a playwright, but later gained international fame with his historical fiction. Often co-authored with other writers, these stories wove together swashbuckling adventure, romance, and real events from France's past. Among the best known are "The Three Musketeers", and its sequels "Twenty Years After", and "Le Vicomte de Bragelonne: Ten Years Later". Set across four decades, this trilogy follows the rise of the dashing D'Artagnan—from hot-headed soldier to trusted captain under Louis XIV. Dumas' other novels include "The Count of Monte Cristo" and "The Black Tulip". His works have been adapted into more than 200 movies, including The Man in the Iron Mask starring Leonardo

incredible in of itself: An apocalypse that doesn't exactly spell doom for humanity but also forces society to work around the threat of zombies. I can forgive the book for leaving me wanting more because a good book is supposed to evoke that sense of longing! Man, just the writing alone was endearing with characters that don't have static traits but grow along with the situations and people that they find themselves with. The world isn't thrown at you in long, drawn-out paragraphs, it's delicately, subtly given to you organically just through dialogue and immediate locations. I. Need. More." "I love a well-written young adult novel, and this is certainly that. Brimming with well-formed, likable characters this quick read is fast-paced and highly imaginative. As with The Hunger Games, Cass Kim writes with great thought and details to the point you lose yourself in this half-pocalypse world. " "This book completely fulfilled the crescendo of great storytelling throughout this series. It kept building and building...gosh this book was satisfying." "The three books of this series, The Change, Wilders, and Consequences make up one of my favorite YA trilogies. The author writes lively prose and the pages blur as they go past. I've always been particularly impressed with the depth and nuance of the characters in these books, the depth of the world, and the pace of the story."

Considered by many the greatest war novel of all time, *All Quiet on the Western Front* is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. "The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure."—The New York Times Book Review

Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the

unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic. be a daily declaration in everyone's life. For as long as we live, difficult times will always show up but making them a "normal" standard in my day to day life to deceive us and make us doubt God's promises is not an option for a child of God. There is a saying "Life is not about waiting for the storm to pass, it's about dancing in the rain." While you dance in the midst of the storm, God will see your heart conform to His. We can't let life dictate our pace and blessings, we have to do something about it. Sitting at the side of the road and waiting for someone to give us what we need is not an option. When you have a clear identity of who you are in Christ, God will reveal to you that everything you need is already inside of you. All you will ever need in this life comes from God. The same God who lives and dwells in you. When all hell breaks loose, God releases His power in you to prevail in all of your doings. But, it will take someone who is committed to insisting and resisting at all cost during times of discouragements. You have all that is needed for you to persist and to manifest the movement of God in your favor. It's customary to invoke God who seems to be outside of our realm, every time we need Him. We appeal to God to come to us even though He is already in us. "Do you not know that you are a temple of God and that the Spirit of God dwells in you?" (1 Corinthians 3:16). You want His divine power to come to you when all you have to do is release His power that is already inside of you. Remember that in all of our doings, "God's purpose demands resistance." In other words, you have to fight against opposition for that purpose to be fulfilled. It is the only way that you'll see the promises become a reality. Understanding what your purpose is and what it represents in your life will help you unleash God's power. It is critical to know how to position yourself, regardless of the situation you are encountering and to push forward until something happens. Push forward at all times and pray until God's heavens are opened in your favor.

Let's not worry about our circumstances, but rather, persist in pushing forward while God orchestrates the outcome of our victory. Victory is something that comes disguised as a full game of discouragements and weaknesses that will try to keep you out of focus. But knowing how to unwrap what seems to be packages full of discouragements will take a persistent person to reveal God's favor in you. While the opposition increases, your strength will be growing and pushing forward until God's favor is released with His anointing to obtain the victory that has been always in you. Why? Because victory is a place that dwells in you. Jesus obtained it on the cross, and Jesus the Victor lives in you.
