Since his first appearance in Beeton's Christmas Annual in 1887, Sir Arthur Conan Doyle's Sherlock Holmes has been one of the most beloved fictional characters ever created. Now, in one eBook, Bantam Classics presents all fifty-six short stories and four novels featuring Conan Doyle's classic hero—a truly complete collection of Sherlock Holmes's adventures in crime! Volume I includes the early novel *A Study in Scarlet*, which introduced the eccentric genius of Sherlock Holmes to the world. This baffling murder mystery, with the cryptic word Rache written in blood, first brought Holmes together with Dr. John Watson. Next, *The Sign of Four* presents Holmes's famous "seven percent solution" and the strange puzzle of Mary Morstan in the quintessential locked-room mystery. Also included are Holmes's feats of extraordinary deception in such famous cases as the chilling "The Adventure of the Speckled Band," the baffling riddle of "The Musgrave Ritual," and the ingeniously plotted "The Five Orange Pips." Volume II begins with *The Hound of Baskervilles*, a haunting novel of murder on eerie Grimpen Moor, which has rightly earned its reputation as the finest murder mystery ever written. *The Valley of Fear* matches Holmes against his archenemy, the master of imaginative crime, Professor Moriarty. In addition, the loyal Dr. Watson has faithfully recorded Holmes's feats of extraordinary detection in such famous cases as the thrilling "The Adventure of the Red Circle," Holmes's tragic and fortunately premature farewell in "The Final Problem," and the twelve baffling adventures from *The Case Book of Sherlock Holmes*. Conan Doyle's incomparable tales bring to life a Victorian England of horse-drawn cabs, fogs, and the famous lodgings at 221 B Baker Street, where for more than forty years Sherlock Holmes earned his undisputed reputation as the greatest fictional detective of all time.

In a series of four short stories, Sherlock Holmes uses his extraordinary intelligence, instincts, and observation skills to solve mysteries. In the first tale, he discovers that a terminally ill father has killed a man to save his daughter from the horrible fate of being a pawn in a blackmail scheme. In the second, he learns that a wicked hotel employee has stolen a valuable blue gem and hidden it in a goose that he then lost, all the while framing another man for his crime. In the third, he hunts down both a missing horse and the killer of a racehorse trainer, only to find that the missing horse killed the man in self-defense. Finally, he saves a young woman from danger as she is hired to impersonate a kidnapped heiress. Text Type: Classic Fiction, Mystery Theme/Topic: Adventure, Conflict and Challenge

A collection of Sherlock Holmes mystery adventures.

Sherlock Holmes is a great detective. There are few cases that he cannot solve. In these three stories we meet a young woman who is terrified of a mysterious speckled band, a family who think that five orange pips are a sign of death, and a banker who believes that his son is a thief. But are things really as they seem?

Classic / British English Sherlock Holmes is a very clever man. When people have strange, difficult problems, they come to him. Where is Mr Hosmer Angel? Which student saw the exam paper before the exam? Why is somebody following Miss Smith? Can you find the answers before Sherlock Holmes does?

"What one man can invent, another can discover."

This enthralling collection of Sherlock Holmes adventures comprises the first two volumes of Sir Arthur Conan Doyle's short stories - The Adventures and The Memoirs. The Adventures was originally published in 1892 and included twelve stories that had appeared in Strand magazine over the previous year. The Memoirs followed suit in 1894, completing the collection of Strand short stories up to that point. The Adventures of Sherlock Holmes contains four of Conan Doyle's own all-time favourite Holmes mysteries, The Adventure of the Speckled Band, The Red-Headed League, A Scandal in Bohemia and The Five Orange Pips. The Memoirs of Sherlock Holmes has another three of Conan Doyle's favourites in The Adventure of the Reigate Squire, The Adventure of the Musgrave Ritual and The Adventure of the Final Problem. It is in The Final Problem, of course, that Dr Watson sadly reports the death of Holmes at the Reichenbach Falls near Meiringen in Switzerland. Holmes's titanic struggle with his arch enemy, Professor Moriarty, had seen them both apparently plunge over a sheer drop, although Watson never actually finds Holmes's body. This was Conan Doyle's attempt to bring an end to Holmes's adventures, but he was to be resurrected by popular demand eight years later. The Memoirs also includes The Adventure of the Greek Interpreter, in which Holmes's brother, Mycroft, appears for the first time and The Adventure of the Gloria Scott, in which Holmes describes to Watson his very first case.

Amateur detective Sherlock Holmes, the master of deductive reasoning, solves several mysteries with the aid of his friend, Dr. John Watson.
