A Penguin Classic Published here for the first time in English in a brilliant translation by the peerless Gregory Rabassa, *The Discovery of America by the Turks* is a whimsical Brazilian take on *The Taming of the Shrew* that will remind readers why Jorge Amado is to Portuguese-American literature what Jorge Luis Borges is to Spanish-American literature. It follows the adventures of two Arab immigrants—"Turks," as Brazilians call them—who arrive in the rough Brazilian frontier in 1903 and become involved in a merchant's farcical attempt to marry off his shrew of a daughter. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

"Banished for promiscuity, Tieta returns to the seaside village of Agreste after twenty-six years. Thinking she is now a rich, respectable widow, her mercenary family welcomes her with open arms. But Tieta is forced to reveal her true identity in order to save the town's beautiful beaches from ugly development. For the only way she can stop the factory is to call upon her close connections in Sao Paulo's highest political and financial circles-as only the Madam of the city's ritziest bordello can. --Back cover.

Tieta do Agreste

"Lusty . . . strenuous comedy . . . Amado is Brazil's most illustrious and venerable novelist."

--New York Times

The sleepy Brazilian beach resort of Periperi needs a hero. As if in answer to their call, Captain Vasco Moscosco de Aragao (newly retired) arrives and soon has the townspeople enthralled with his tales of ocean-going daring and romance. Only his rival, Chico Pacheco, delves into the captain's past and discovers that he has never in his life sailed beyond the harbour bar. But just as Vasco is about to be unmasked the Ita limps into port with her flag at half mast and her captain dead at the wheel. Pressed into service, Vasco goes to meet his destiny and so begins an adventure in love and seamanship that surpasses even his wildest fantasies.

storytelling and his celebration of life's sensual pleasures have found him a loyal following. With *The War Of The Saints*, he has created an exuberant tale set among the flashing rhythms, intoxicating smells, and bewitching colors of the carnival. The holy icon of Saint Barbara of the Thunder is bound for the city of Bahia for an exhibition of holy art. As the boat that bears the image is docking, a miracle occurs and Saint Barbara comes to life, disappearing into the milling crowd on the quay. Somewhere in the city a young woman has fallen in love, and her prudish guardian aunt has locked her away--an act of intolerance that Saint Barbara must redress. And when she casts her spell over the city, no one's life will remain unchanged.

These essays on Brazilian performance culture comprise the first English-language book to study the varied manifestations of performance in and beyond Brazil, from carnival and capoeira to gender acts, curatorial practice, and political protest.

Adolescente, la charnelle chevrière Tieta a fui les collines d'Agreste sous l'opprobre publique et le bâton vindicatif du vieil Esteves, son père. Trente ans plus tard, devenue une femme influente de São Paulo, elle regagne le paradis perdu de sa bourgade natale, dans la province de Bahia. Les habitants d'Agreste, mus par divers intérêts, semblent alors décidés à faire table rase du passé pour accueillir comme il se doit la riche veuve Antonieta Esteves Cantarelli, accompagnée d'une virginale jeune femme qu'elle présente comme la fille de son époux défunt. D'emblée, Tieta est consacrée figure tutélaire de la petite communauté bahiannaise, catalysant les fantasmes d'une

ville « meilleure » et fastueuse, marquée au sceau du mythe du progrès urbain. C'est pourtant la même Tieta qui, lorsqu'une industrie chimique menace de s'installer sur la paradisiaque plage du Mangue Seco, devient à son insu le porte-flambeau voluptueux et souriant d'une cabale menée contre l'usine et son cortège de maux que sont la pollution et la corruption. Mais comment réagiront les protégés bien-pensants de la Pauliste quand ils découvriront que derrière une façade de joyeuse respectabilité se dissimule une tenancière de maison-close au service des millionnaires, et qui, loin d'avoir étouffé sa sensualité, dévoie chaque nuit son chaste neveu promis à embrasser la carrière de séminariste ?

San Juan: Memoir of a City conducts readers through Puerto Rico's capital, guided by one of its most graceful and reflective writers, Edgardo Rodríguez Juliá. No mere sightseeing tour, this is culture through immersion, a circuit of San Juan's historical and intellectual vistas as well as its architecture. In the allusive cityscape he recreates, Rodríguez Juliá invokes the ghosts of his childhood, of San Juan's elder literati, and of characters from his own novels. On the most tangible level, the city is a place of cabarets and cockfighting clubs, flâneurs and beach bums, smoke-filled bars and

honking automobiles. Poised between a colonial past and a commercial future, the San Juan he portrays feels at times perilously close to the pitfalls of modernization.

Tenement houses and fading mansions yield to strip malls and Tastee Freezes; asphalt hems in jacarandas and palm trees. "In Puerto Rico," he muses, "life is not simply cruel, it is also busy erasing our tracks." Through this book—available here in English for the first time—Rodríguez Juliá resists that erasure, thoughtfully etching a palimpsest that preserves images of the city where he grew up and rejoicing in the one where he still lives. "Maracatu Atômico" is the first academic work to investigate the mangue movement, one of Brazil's most vital pop culture trends of the last thirty years, and the related "new music scene" of Northeast Brazil. Contending with the widespread poverty and social problems, mangue places a renewed value on the local environment and its myriad folk traditions while embracing modern, global pop influences and technology. The book provides historical and ethnographic accounts of the movement, analyzes salient examples of folk and pop fusion music, and enters recent debates about postmodernity, globalization, and "world music" in an attempt to understand better how local musicians in one "Third World" region interact within a more global cultural system.

In these short, bilingual stories set in Buenos Aires (with each piece appearing in Spanish and English on facing pages), Alicia Borinsky provides unique glimpses into the lives of the city's inhabitants: its businessmen and tango dancers, politicians and torturers, triumphant divas and discarded children—a gallery of characters from a broad spectrum of contemporary Argentine society. She portrays a world of violence, corruption, love, and betrayal. The brevity of the pieces suggests a breathlessness and ephemeral quality, the fast-paced rhythm of the present. Yet within these small moments flicker the larger forces that shape ordinary lives. Civil wars are fought, shady deals are made, unwanted children are born. And in Borinsky's ironic but life-affirming prose, human foibles are exposed. Best Books for General Audiences, selected by the Public Library Association

Understanding the role of women in Latin American history demands a full examination of their activities in the region's political, economic, and domestic spheres. Toward this end, historian Gertrude M. Yeager has assembled the multidisciplinary collection *Confronting Change, Challenging Tradition*. The essays in this volume explore the ways in which Latin American women have shaped-and have been shaped by-the traditional practices and ideologies of their cultures. The selections are arranged in two sections: Culture and the Status of Women, and Reconstructing the Past.

Fogosa pastora de cabras e namorada de homens, a adolescente Tieta é surrada pelo pai e expulsa de Santana do Agreste graças à delação de suas aventuras eróticas por parte da irmã mais velha, a pudica e reprimida Perpétua. Um quarto de século depois, rica quarentona, Tieta retorna em triunfo ao vilarejo, no interior da Bahia. Com dinheiro e influência política, ajuda a família e traz benefícios à comunidade, entre eles a luz elétrica.

proposed reflections are supported by research dedicated to the study of these creative paths, from the documents left by the artists, such as diaries, notes, sketches, drafts, mock-ups, projects, scripts and contacts. Dialogues were established between the observation of recurrent aspects in a great diversity of processes and the thought of Charles S. Peirce, generating a possible theory of creation. First, the Unfinished Gesture discusses the aesthetics of the creative movement from a semiotic perspective. In this theoretical context creation is described as a fallible process with tendencies, supported by the logic of uncertainty, encompassing the intervention of chance and opening space for the introduction of new ideas. A continuous course in which you can not determine either a starting point or an end point.. These uncertain and indeterminate tendencies direct the artist in his search for the construction of works that satisfy his great poetic project, which is also strongly influenced by communicative issues. The search of the artist finds its possible concreteness, in complex processes of constructions of works. In a second moment, the creative path is focused from five points of view, as: transforming action, translation movement, knowledge process, construction of artistic truths and experimentation course. In the Epilogue are presented the concepts of Peircean semiotics, which base the reflections on the artistic creation developed throughout the book. The Unfinished

These stories from Colombia contain pain and love, and sometimes even humor, allowing us to see a vibrant country amidst the death and loss. We encounter townspeople overcome by fear, a man begging unsuccessfully for his life, an execution delayed for Christmas, the sounds and smells of burning coffee plantations, and other glimpses of daily life. This anthology reveals the contradictions and complexities of the human condition.
