The Ancient Mystery School from which all occult lodges are founded is Necromancy. Deep rooted magical organizations all demonstrate active participation with "The Other," bridging a communication between what is Visible and Invisible. Inner Circles maintain Dead Names and Knowledge from the Past. These are the Teachings of the Ages, Secret Wisdom of the Past... and a recovery of what is Dead. Retold in graphic novel format, guardian-in-training Rose faces everything from misunderstandings between friends to fights among factions of Moroi during a school skiing trip as reports of horrific Strigoi attacks raise tensions, ultimately leading Rose and some of those closest to her into a battle that teaches her much about life, death, and love.

The recent Strigoi attack at St. Vladimir's Academy was the deadliest ever in the school's history, claiming the lives of Moroi students, teachers, and guardians alike. Even worse, the Strigoi took some of their victims with them . . . including Dimitri. He'd rather die than be one of them, and now Rose must abandon her best friend, Lissa—the one she has sworn to protect no matter what—and keep the promise Dimitri begged her to make long ago. But with everything at stake, how can she possibly destroy the person she loves most?

The story that kicked off the international #1 bestselling *Vampire Academy* series. St. Vladimir's Academy isn't just any boarding school—it's a hidden place where vampires are educated in the ways of magic and half-human teens train to protect them. Rose Hathaway is a Dhampir, a bodyguard for her best friend Lissa, a Moroi Vampire Princess. They've been on the run, but now they're being dragged back to St. Vladimir's—the very place where they're most in danger. . . . Rose and Lissa become enmeshed in forbidden romance, the Academy's ruthless social scene, and unspeakable nighttime rituals. But they must be careful lest the Strigoi—the world's fiercest and most dangerous vampires—make Lissa one of them forever.

It doesn't take long for Cody Elliot to realize that his new high school is a little different. The other students are supernaturally strong, don't like the sunlight, and are always placing orders at the local blood bank. When his new friend shows him his fangs, Cody doesn't need any more clues—these kids are vampires! As Cody struggles to fit into this secretive community, he disrupts centuries of human-vampire segregation, with some serious—and some seriously funny—consequences. In sharp, humorous, and insightful prose, Douglas Rees creates a world of vampires where the real issue for humans is not the fear of being bitten, but the need to get along.
