

## Without You The Tragic Story Of Badfinger With Cd Audio

Finalist for the Pulitzer Prize and the National Book Critics Circle Award in Biography • “One of the most beautiful biographies I’ve ever read.” —Glennon Doyle, author of #1 New York Times Bestseller, *Untamed* The highly anticipated biography of Sylvia Plath that focuses on her remarkable literary and intellectual achievements, while restoring the woman behind the long-held myths about her life and art. With a wealth of never-before-accessed materials, Heather Clark brings to life the brilliant Sylvia Plath, who had precocious poetic ambition and was an accomplished published writer—even before she became a star at Smith College. Refusing to read Plath’s work as if her every act was a harbinger of her tragic fate, Clark considers the sociopolitical context as she thoroughly explores Plath’s world: her early relationships and determination not to become a conventional woman and wife; her troubles with an unenlightened mental health industry; her Cambridge years and thunderclap meeting with Ted Hughes; and much more. Clark’s clear-eyed portraits of Hughes, his lover Assia Wevill, and other demonized players in the arena of Plath’s suicide promote a deeper understanding of her final days. Along with illuminating readings of the poems themselves, Clark’s meticulous, compassionate research brings us closer than ever to the spirited woman and visionary artist who blazed a trail that still lights the way for women poets the world over.

Clyde Griffith’s parents are poor street-preachers, but Clyde doesn’t “believe,” and finds their work demeaning. At fifteen he gets a job and starts to ease out of their lives, eventually landing in some trouble that causes him to flee the town where they live. Two years later, Clyde meets his well-off uncle, who owns a large factory in upstate New York. Clyde talks his way into a job at the factory, and soon finds himself supervising a roomful of women. All alone, generally shunned by his uncle’s family, and starved for companionship, he breaks the factory’s rules and begins a relationship with a young woman who works for him. But Clyde has visions of marrying a high-society woman, and fortune smiles on him in the form of the daughter of one of his uncle’s neighbors. Soon Clyde finds himself in a love triangle of his own making, and one from which he seems incapable of extracting himself. A newspaperman before he became a novelist, Theodore Dreiser collected crime stories for years of young men in relationships with young women of poorer means, where the young men found a richer, prettier girl who would go with him, and often took extreme measures to escape from the first girl. *An American Tragedy*, based on one of the most infamous of those real-life stories, is a study in lazy ambition, the very real class system in America, and how easy it is to drift into evil. It is populated with poor people who desire nothing more than to be rich, rich people whose only concern is to keep up with their neighbors and not be associated with the “wrong element,” and elements of both who care far more about appearances than reality. It offers further evidence that the world may be very different from 100 years ago, but the people in it are very much the same. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

On a summer night in 2014, Padma and Lalli went missing from Katra Sadatganj, an eye-blink of a village in western Uttar Pradesh. Hours later they were found hanging in the orchard behind their home. Who they were, and what had happened to them, was already less important than what their disappearance meant to the people left behind. Slipping deftly behind political maneuvering, caste systems and codes of honor in a village in northern India, *The Good Girls* returns to the scene of their short lives and shameful deaths, and dares to ask: What is the human cost of shame?

For decades, the small, quiet town of Hamlet, North Carolina, thrived thanks to the railroad. But by the 1970s, it had become a postindustrial backwater, a magnet for businesses in search of cheap labor and almost no oversight. Imperial Food Products was one of those businesses. The company set up shop in Hamlet in the 1980s. Workers who complained about low pay and hazardous working conditions at the plant were silenced or fired. But jobs were scarce in town, so workers kept coming back, and the company continued to operate with impunity. Then, on the morning of September 3, 1991, the never-inspected chicken-processing plant a stone’s throw from Hamlet’s city hall burst into flames. Twenty-five people perished that day behind the plant’s locked and bolted doors. It remains one of the deadliest accidents ever in the history of the modern American food industry. Eighty years after the Triangle Shirtwaist Fire, industrial disasters were supposed to have been a thing of the past in the United States. However, as award-winning historian Bryant Simon shows, the pursuit of cheap food merged with economic decline in small towns across the South and the nation to devalue laborers and create perilous working conditions. The Hamlet fire and its aftermath reveal the social costs of antiunionism, lax regulations, and ongoing racial discrimination. Using oral histories, contemporary news coverage, and state records, Simon has constructed a vivid, potent, and disturbing social autopsy of this town, this factory, and this time that exposes how cheap labor, cheap government, and cheap food came together in a way that was destined to result in tragedy.

**NATIONAL BESTSELLER •** A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. **A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE** *A Little Life* follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s new novel, *To Paradise*, coming in January 2022. Why most modern revolutions have ended in bloodshed and failure—and what lessons they hold for today’s world of growing extremism Why have so many of the iconic revolutions of modern times ended in bloody tragedies? And what lessons can be drawn from these failures today, in a world where political extremism is on the rise and rational reform based on moderation and compromise often seems impossible to achieve? In *You Say You Want a Revolution?*, Daniel Chirot examines a wide range of right- and left-wing revolutions around the world—from the late eighteenth century to today—to provide important new answers to these critical questions. From the French Revolution of the eighteenth century to the Mexican, Russian, German, Chinese, anticolonial, and Iranian revolutions of the twentieth, Chirot finds that moderate solutions to serious social, economic, and political problems were overwhelmed by radical ideologies that promised simpler, drastic remedies. But not all revolutions had this outcome. The American Revolution didn’t, although its failure to resolve the problem of slavery eventually led to the Civil War, and the collapse of communism in Eastern Europe was relatively peaceful, except in Yugoslavia. From Japan, North Korea, Vietnam, and Cambodia to Algeria, Angola, Haiti, and Romania, *You Say You Want a Revolution?* explains why violent radicalism,

corruption, and the betrayal of ideals won in so many crucial cases, why it didn't in some others—and what the long-term prospects for major social change are if liberals can't deliver needed reforms. A powerful account of the unintended consequences of revolutionary change, *You Say You Want a Revolution?* is filled with critically important lessons for today's liberal democracies struggling with new forms of extremism.

**THE NEW YORK TIMES BESTSELLER** One of The New York Times Book Review's 10 Best Crime Novels of 2016! The blockbuster thriller for those who loved *The Girl on the Train* and *The Widow...* "[A] finely crafted novel with a killer twist."--#1 New York Times bestselling author Paula Hawkins On a rainy afternoon, a mother's life is shattered as her son slips from her grip and runs into the street... *I Let You Go* follows Jenna Gray as she moves to a ramshackle cottage on the remote Welsh coast, trying to escape the memory of the car accident that plays again and again in her mind, desperate to heal from the loss of her child and the rest of her painful past. At the same time, the novel tracks the pair of Bristol police investigators trying to get to the bottom of this hit-and-run. As they chase down one hopeless lead after another, they find themselves as drawn to each other as they are to the frustrating, twist-filled case before them.

A spellbinding story about love, faith, the search for utopia—and the often devastating cost of idealism. It's the late 1960s, and two lovers converge on an arid patch of earth in South India. John Walker is the handsome scion of a powerful East Coast American family. Diane Maes is a beautiful hippie from Belgium. They have come to build a new world—Auroville, an international utopian community for thousands of people. Their faith is strong, the future bright. So how do John and Diane end up dying two decades later, on the same day, on a cracked concrete floor in a thatch hut by a remote canyon? This is the mystery Akash Kapur sets out to solve in *Better to Have Gone*, and it carries deep personal resonance: Diane and John were the parents of Akash's wife, Auralice. Akash and Auralice grew up in Auroville; like the rest of their community, they never really understood those deaths. In 2004, Akash and Auralice return to Auroville from New York, where they have been living with John's family. As they reestablish themselves, along with their two sons, in the community, they must confront the ghosts of those distant deaths. Slowly, they come to understand how the tragic individual fates of John and Diane intersected with the collective history of their town. *Better to Have Gone* is a book about the human cost of our age-old quest for a more perfect world. It probes the underexplored yet universal idea of utopia, and it portrays in vivid detail the daily life of one utopian community. Richly atmospheric and filled with remarkable characters, spread across time and continents, this is narrative writing of the highest order—a heartbreaking, unforgettable story. What happens when you have God's blessing nailed down, and then without warning an evil intruder rips everything apart? I had a corner on the good life. Driven by my material appetite, strategically balanced by religion, I desperately played both sides. Comfortable in a good marriage, with two kids, and a home situated on a small horse farm, I was truly blessed. Everything changed in an instant with the discovery of a lump, but some things changed in ways I could never have imagined. By probing the joy and heartache of the past in the redemptive light of precious promises kept, this narrative paints a picture of beauty defiled unfolding to startling beauty revealed. You're invited on a journey of discovery that may change the way you think about blessing. A story of praise and healing, though not in the popular sense; it's a drama of marital love and faithfulness that prevails against great odds." Rev. Sherwin (Chic) Broersma, D. Min., Retired RCA Pastor "Mark's journey into death leads you beyond the struggle to a hallowed place of surrender. You will be both encouraged and equipped through this book." Sarah Schieber, singer, songwriter, author, speaker "Find hope in the midst of deep grief and loss. Take and read!" Rev. Keith A. Derrick, Dir. of Journey, Center for Learning at Western Theological Seminary

The tragic story of Henry VIII's first unfortunate wife from an acknowledged expert of Spanish and Tudor history. Traces a young man's effort to escape the dangers of the streets and his own nature after graduating from Yale, describing his youth in violent 1980s Newark, efforts to navigate two fiercely insular worlds and life-ending drug deals. 75,000 first printing.

Without You The Tragic Story of Badfinger

Pan American Flight 806 was hoping to land safely in Pago Pago, Samoa but instead plummeted into the jungle floor. The 101 passengers and crew all survived the crash, but only four of them escaped the ensuing fire from the wreckage. William Norris follows the trail of evidence and digs beneath the cover-ups to find the truth about the controversies surrounding the accident.

'An impressive revisionist biography' The Times Looming out of the encroaching darkness of the February evening was London Bridge, still ornamented with the severed heads of Thomas Culpeper and Francis Dereham; the terrible price they had paid for suspected intimacy with the queen. Katherine now reached the Tower of London, her final destination. Katherine Howard was the fifth wife of Henry VIII and cousin to the executed Anne Boleyn. She first came to court as a young girl of fourteen, but even prior to that her fate had been sealed and she was doomed to die. She was beheaded in 1542 for crimes of adultery and treason, in one of the most sensational scandals of the Tudor age. The traditional story of Henry VIII's fifth queen dwells on her sexual exploits before she married the king, and her execution is seen as her just dessert for having led an abominable life. However, the true story of Katherine Howard could not be more different. Far from being a dark tale of court factionalism and conspiracy, Katherine's story is one of child abuse, family ambition, religious conflict and political and sexual intrigue. It is also a tragic love story. A bright, kind and intelligent young woman, Katherine was fond of clothes and dancing, yet she also had a strong sense of duty and tried to be a good wife to Henry. She handled herself with grace and queenly dignity to the end, even as the barge carrying her on her final journey drew up at the Tower of London, where she was to be executed for high treason. Little more than a child in a man's world, she was the tragic victim of those who held positions of authority over her, and from whose influence she was never able to escape.

From the Sunday Times bestselling author comes a harrowing and moving memoir about two innocent and frightened 'unfosterable' children who do not know what it means to be loved. This is the third book in the series.

The true story of the tragic round-the-world yacht race - now the subject of *The Mercy*, starring Colin Firth and Rachel

Weisz In 1968, the Sunday Times organised the Golden Globe race—an incredible test of endurance never before attempted—a round the world yacht race that must be completed single-handed and non-stop. This remarkable challenge inspired those daring to enter—with or without sailing experience. *A Race Too Far* is the story of how the race unfolded, and how it became a tragedy for many involved. Of the nine sailors who started the race, four realised the madness of the undertaking and pulled out within weeks. The remaining five each have their own remarkable story. Chay Blyth, fresh from rowing the Atlantic with John Ridgway, had no sailing experience but managed to sail round the Cape of Good Hope before retiring. Nigel Tetley sank while in the lead with 1,100 nautical miles to go, surviving but dying in tragic circumstances two years later. Donald Crowhurst began showing signs of mental illness and tried to fake a round the world voyage. His boat was discovered adrift in an apparent suicide, but his body was never found. Bernard Moitessier abandoned the race and carried on to Tahiti, where he settled and fathered a child despite having a wife and family in Paris. Robin Knox-Johnston was the only one to complete the race. Chris Eakin recreates the drama of the epic race, talking to all those touched by the Golden Globe: the survivors, the widows and the children of those who died. It is a book that both evokes the primary wonder of the adventure itself and reflects on what it has come to mean to both those involved and the rest of us in the forty years since.

The eternally youthful Peter Pan encounters Wendy and her brothers, who decide to join him in Neverland and never grow old. Their plans do not reckon with either the sinister Captain Hook or the unsuspected dark side of perpetual childhood. Peter Pan's story began as a play in 1904 and met with immediate success. The author converted it into a novel in 1911 to similar acclaim. His story has appeared on stage, television, live action film and animated cartoon. Peter's adventures with Wendy take place in a glorious world of imagination, where fairies and Wild Boys are boon companions in swashbuckling conflict with wild beasts and pirates. But in Peter and Wendy we can see another conflict, that between the love of family and responsibility of the adult world and the carefree, impulsive freedom of childhood. This is truly a tale to be appreciated equally, yet differently, by both children and grown-ups. This dual appeal, and the lasting, fundamental charisma of Peter himself, have made Peter Pan both enjoyable and relevant for each new generation. With an eye-catching new cover, and professionally typeset manuscript, this edition of Peter Pan is both modern and readable.

This "delightfully whimsical novel riffs on the premise that ordinary lives stubbornly resist the tidy order that a fiction narrative might impose on them" (Publishers Weekly). Can a story save your life? Meg Carpenter is broke. Her novel is years overdue. Her cell phone is out of minutes. And her moody boyfriend's only contribution to the household is his sour attitude. So she jumps at the chance to review a pseudoscientific book that promises life everlasting. But who wants to live forever? Consulting cosmology and physics, tarot cards, koans (and riddles and jokes), new-age theories of everything, narrative theory, Nietzsche, Baudrillard, and knitting patterns, Meg wends her way through *Our Tragic Universe*, asking this and many other questions. Does she believe in fairies? In magic? Is she a superbeing? Is she living a storyless story? And what's the connection between her off-hand suggestion to push a car into a river, a ship in a bottle, a mysterious beast loose on the moor, and the controversial author of *The Science of Living Forever*? Smart, entrancing, and boiling over with Thomas's trademark big ideas, *Our Tragic Universe* is a book about how relationships are created and destroyed, how we can rewrite our futures (if not our histories), and how stories just might save our lives. Traces the life and early death of the author of the Pulitzer Prize-winning *A Confederacy of Dunces*, recounting Toole's upbringing in New Orleans, the crushing difficulties he faced while trying to publish his posthumously acclaimed novel and his untimely suicide.

A tragic love story about two sisters who cannot live with or without each other. Far out on the plains of northern Norway stands a house. It belongs to two middle-aged sisters. They seldom venture out and nobody visits. The older needs nursing and the younger keeps house. Then, one day, a man arrives... Why Peirene chose to publish this book: 'This is a tragedy about a woman who yearns for love but ends up in a painfully destructive conflict with her sister. It is also a story about loneliness – both geographical and psychological. Facing the prospect of a life without love, we fall back into isolating delusions at exactly the moment when we need to connect.' Meike Ziervogel 'It's a liberating feeling when you get a completely original story in your hands.' *Dagbladet* 'Raw and dark and wonderfully different from anything else.' *Dag og Tid* 'Innovative and sensuous.' *Bergens Tidende*

In a novel-in-verse that brims with grief and love, National Book Award-winning and New York Times bestselling author Elizabeth Acevedo writes about the devastation of loss, the difficulty of forgiveness, and the bittersweet bonds that shape our lives. Camino Rios lives for the summers when her father visits her in the Dominican Republic. But this time, on the day when his plane is supposed to land, Camino arrives at the airport to see crowds of crying people... In New York City, Yahaira Rios is called to the principal's office, where her mother is waiting to tell her that her father, her hero, has died in a plane crash. Separated by distance—and Papi's secrets—the two girls are forced to face a new reality in which their father is dead and their lives are forever altered. And then, when it seems like they've lost everything of their father, they learn of each other. Great for summer reading or anytime! *Clap When You Land* is a Today show pick for "25 children's books your kids and teens won't be able to put down this summer!" Plus don't miss Elizabeth Acevedo's *The Poet X* and *With the Fire on High*!

Describes how, in the 1860s, U.S. soldiers forced thousands of Navajos to march to a desolate reservation four hundred miles from their homeland, only to have hundreds die along the way and the rest find unspeakable living conditions at their destination.

On November 10, 1975, SS Edmund Fitzgerald, a giant freighter, sank with its entire crew of 29 aboard, in one of the most violent storms ever witnessed on Lake Superior. In *29 Missing*, Kantar tells the "Fitz's" story from the christening in 1958 as the largest ship on the Great Lakes to the expedition in 1995 to recover the ship's bell in what proved to be a

moving memorial to the lost crew. Using information from government investigative reports, the book provides a dramatic hour-by-hour account of what transpired during that terrible voyage, including dialogue from actual radio transmissions between the Fitzgerald and the Arthur Anderson, the freighter that followed behind the Fitz. In his passionate retelling of the story, designed primarily for young adults, Kantar provides the facts leading up to the disappearance, detailing the subsequent expeditions to the wreck site as well as the leading theories about the sinking that have been debated by maritime experts.

In November 1928 an empty scow was found adrift and empty in the Colorado River. No bodies were found. But since 1971 several people have come forward claiming to be the occupants; one confesses to being a murderer.

Every Christian must read this shocking account of the Church's history. The pages of church history are marked by countless horrors committed against the Jewish people. From the first persecutions of the Jews in the fourth century to the horrors of the Holocaust, from Israel-bashing in today's press to anti-Semitism spouted from the pulpit, this painful book tells the tragic story that every Christian must read. In a freshly updated and expanded edition of this pivotal work, Dr. Michael Brown exposes the faulty theological roots that opened the door to anti-Semitism in Church history, explaining why well-meaning believers so often fall into the trap of hate... and showing how you can bring an end to the cycle of violence. This generation can make a difference. Now is the time for change! Discover the important role you play in helping to shape a Church that will bless Israel rather than curse Israel.

With a near-fatal car crash resulting in trauma, uncertainty, and life-long limitations, *Penned Without Ink: Trusting God to Write Your Story* will draw you into the true story of one family's journey of faith. The experiences shared within the pages of this book will lead you to sit beside hushed bedsides, observe delicate operations, and feel the angst of many life-and-death decisions. In the midst of multiple layers of pain and loss, you will witness quiet miracles, as well as sure and certain lights that pierce through the darkness. With pictures of both present-day individuals and biblical characters, Sarah Phillips captures the essence of hope born through her struggle to trust and rely on God. Between the lines, you will also uncover your own journey of trust. A faithful and loving God desires to write your life story no matter what happens.

A shocking story of medical brutality performed in the name of psychiatric medicine.

Born Lady Diana Spencer, she was almost married to the Prince of Wales. Yet her life was haunted by tragedy and she died too young - read the intriguing story of The First Lady Diana Spencer. 1710-1735 Born in 1710 Lady Diana Spencer was tall, beautiful, and had the backing of family and money. A caring person she suffered early tragedy and yet she loved to help others. In this intriguing book look into her life and read about the plot to marry her to the Prince of Wales. Will she become a princess? Despite the vast wealth of her grandmother, Sarah Churchill, the Duchess of Marlborough and one of the most powerful women in England, Diana's life was not easy. Follow her as the Duchess falls out with Queen Anne and is estranged from the Royal Court. See into her life as offers of marriage abound, and yet each one is turned down as not good enough. The Duchess has a plan, audacious and ambitious she will see her Little Di a princess. Find out what happened to the intended marriage and follow Diana through the tragedy that became her life. This is a personal and moving portrayal of an amazing and almost unheard of woman who died too soon and yet left the world a better place.

In 1906 President Theodore Roosevelt summarily discharged 167 black soldiers of the 25th Infantry without honor, without trial and without due process. It was the only instance of mass punishment in the history of the regular U.S. Army. The men were, in fact, innocent of any wrongdoing in what became known as the Brownsville (TX) Incident. Yet they had to live the rest of their lives with the shame and disgrace leveled upon them. In his memoir, "The Brownsville Texas Incident of 1906: The True and Tragic Story of a Black Battalion's Wrongful Disgrace and Ultimate Redemption," Lieutenant Colonel (ret) William Baker, tells the story of his quest to unearth the powerful and compelling evidence that would eventually exonerate those falsely accused men and give them the justice that had eluded them for more than 67 years. Through the words of the lone survivor, Dorsie Willis, "That dishonorable discharge kept me from improving my station in life," he told the New York Times in 1977. "God knows what it did to the others."

"Altogether superb; a worthy memorial to the victims of two and a half centuries past."--Kirkus Reviews, starred review  
In 1755, New England troops embarked on a "great and noble scheme" to expel 18,000 French-speaking Acadians ("the neutral French") from Nova Scotia, killing thousands, separating innumerable families, and driving many into forests where they waged a desperate guerrilla resistance. The right of neutrality; to live in peace from the imperial wars waged between France and England; had been one of the founding values of Acadia; its settlers traded and intermarried freely with native Mikmaq Indians and English Protestants alike. But the Acadians' refusal to swear unconditional allegiance to the British Crown in the mid-eighteenth century gave New Englanders, who had long coveted Nova Scotia's fertile farmland, pretense enough to launch a campaign of ethnic cleansing on a massive scale. John Mack Faragher draws on original research to weave 150 years of history into a gripping narrative of both the civilization of Acadia and the British plot to destroy it.

Book and CD. The story of Badfinger is among the most tragic in the history of rock'n'roll. They were championed by the Beatles, yet their two principal songwriters committed suicide. An expose of the music business, *Without You* also serves as a tribute to the band's work. This revised edition includes a CD of over 72 minutes of music and interviews, 300 photos, complete listing of studio dates and concerts, and a discography.

In a dusty corner at the Institute of Forensic Medicine in Norway lie the remains of Julia Pastrana, half hidden in a black plastic sack, all but forgotten. Yet in the middle of the nineteenth century, this 'ape woman' was renowned, visited by scientists of international repute, and drawing the populace of three continents to the freakshows in which she starred. just 4ft 6in tall, she was covered in hair, with a protruding jaw; but she also spoke several languages, married, had a

child, made money. This is the compelling and strange story of how a woman born in the backwoods of Mexico came to be one of the most infamous women in Europe and America and how, nearly 150 years after she first set foot upon the stage, Julia is still being shown to others. The exhibition goes on.

Dave Kindred's extraordinary investigation of the death of his grandson yields a powerful memoir of addiction, grief, and the stories we choose to tell our families and ourselves. Jared Kindred left his home and family at the age of eighteen, choosing to wander across America on freight train cars and live on the street. Addicted to alcohol most of his short life, and withholding the truth from many who loved him, he never found a way to survive. Through this ordeal, Dave Kindred's love for his grandson has never wavered. *Leave Out the Tragic Parts* is not merely a reflection on love and addiction and loss. It is a hard-won work of reportage, meticulously reconstructing the life Jared chose for himself—a life that rejected the comforts of civilization in favor of a chance to roam free. Kindred asks painful but important questions about the lies we tell to get along, and what binds families together or allows them to fracture. Jared's story ended in tragedy, but the act of telling it is an act of healing and redemption. This is an important book on how to love your family, from a great writer who has lived its lessons.

From the outside, my life was picture perfect. On the inside, something sinister lurked. I thought he was sick. I thought I could fix him. All I wanted was for him to love me. I was used and abused. Sold to the highest bidder. Unloved. Unseen. Unheard. Until Declan. He was my saviour. He helped me believe in the power of unconditional love. Then, he was gone. When love is lost, and there's no hope left, how do you go on?

“A moving, earnest, and deeply-felt exploration of a unique family in all its joys and disappointments . . . an utter delight.” —Claire Lombardo, New York Times bestselling author of *The Most Fun We Ever Had* Ae-ran Kim's *My Brilliant Life* explores family bonds and out-of-the-ordinary friendships, interweaving the past and present of a tight-knit family, finding joy and happiness in even the most difficult times. Areum lives life to its fullest, vicariously through the stories of his parents, conversations with Little Grandpa Jang—his sixty-year-old neighbor and best friend—and through the books he reads to visit the places he would otherwise never see. For several months, Areum has been working on a manuscript, piecing together his parents' often embellished stories about his family and childhood. He hopes to present it on his birthday, as a final gift to his mom and dad; their own falling-in-love story. Through it all, Areum and his family will have you laughing and crying, for all the right reasons. “This novel snuck up on me and captured my heart.” —Margarita Montimore, USA Today bestselling author of *Oona Out of Order* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

From the leading authority on marijuana—a man who has served as White House advisor on drugs to three different administrations and who NBC News once called “the prodigy of drug politics”—comes the remarkable and shocking exposé about how 21st century pot, today's new and highly potent form of the drug, is on the rise, spreading rapidly across America by an industry intent on putting rising profits over public health. *Smokescreen: What the Marijuana Industry Doesn't Want You to Know* examines the inside story behind the headlines, containing accounts from Sabet's time in the Obama administration to stunning revelations from whistleblowers speaking out for the first time. What it finds is how the marijuana industry is running rampant without proper oversight, leaving Americans' health seriously at risk. Included are interviews with industry insiders who reveal the hidden dangers of a product they had once worshipped. Also contained in these pages are insights from a major underground-market dealer who admits that legalization is hastening the growth of the illicit drug trade. And more to the heart of the issue are the tragic stories of those who have suffered and died as a result of marijuana use, and in many cases, as a result of its mischaracterization. Readers will learn how power brokers worked behind the scenes to market marijuana as a miracle plant in order to help it gain widespread acceptance and to set the stage for the lucrative expansion of recreational pot. The author of this compelling first-person narrative leading the national fight against the legalization of cannabis through his nonprofit, *Smart Approaches to Marijuana* (aka SAM) is Kevin Sabet. As a policy advisor to everyone from county health commissioners to Pope Francis, and a frequent public speaker on television, radio and through other media outlets, his analysis is consistently relied upon by those who recognize what's at stake as marijuana lobbyists downplay the risks of massive commercialization. A book several years in the making, filled with vivid characters and informed by hundreds of interviews and scores of confidential documents, Sabet's *Smokescreen* lays bare the unvarnished truth about marijuana in America.

In the vein of *It's Kind of a Funny Story* and *All the Bright Places*, comes a captivating, immersive exploration of life with mental illness. For sixteen-year-old Mel Hannigan, bipolar disorder makes life unpredictable. Her latest struggle is balancing her growing feelings in a new relationship with her instinct to keep everyone at arm's length. And when a former friend confronts Mel with the truth about the way their relationship ended, deeply buried secrets threaten to come out and upend her shaky equilibrium. As the walls of Mel's compartmentalized world crumble, she fears the worst—that her friends will abandon her if they learn the truth about what she's been hiding. Can Mel bring herself to risk everything to find out? In *A Tragic Kind of Wonderful*, Eric Lindstrom, author of the critically acclaimed *Not If I See You First*, examines the fear that keeps us from exposing our true selves, and the courage it takes to be loved for who we really are.

From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische. It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have

never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. Z is for *Zafón. Barcelona, 1945*: A city slowly heals in the aftermath of the Spanish Civil War. Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the "cemetery of lost books," a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets--an epic story of murder, madness, and doomed love.
